Independent Auditors' Report

To The Plan Sponsors
THE FORTISS GROUP 401(k) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Fortiss Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements (the Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying Financial Statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with the auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and of assets (held at end of year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**THE FORTISS GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The Fortiss Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established effective January 1, 2001 and covers all employees of: Fortiss, LLC; Raspberry Consulting, LLC; Cal-Pac Sonoma, LLC; Cal-Pac Rancho Cordova, LLC; Lodi Cardroom, Inc.; Casino 580, LLC; Ride Bus, LLC and The Silver F, Inc. (the Employers). Employees become eligible to participate in the Plan after attaining one year of service and a minimum age of 21 years old. Enrollment is effective the first day of each calendar month of the plan year coinciding with or following satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective March 1, 2021, the Plan was amended such that participants can elect both pre-tax and Roth deferrals that will be matched by the Employers. Rollovers from both pre-tax and Roth retirement accounts are permitted, but in-plan Roth conversions are not. In-service Roth distributions are permitted including hardship withdrawals. Lastly, although distributions from pre-tax rollovers are permitted, those from Roth rollovers are not.

In 2022, the Plan was further amended to include the employees of three affiliated companies of the Employers, namely Park West Casinos, Inc., Parkwest Bicycle Casino, LLC, and Parkwest Casino Manteca, LLC.

Coronavirus Aid Relief and Economic Security Act

In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES" Act) was enacted on March 27, 2020. The CARES Act, among other benefits, provides certain relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The plan administrator has adopted relief provisions included in the CARES Act related to hardship distributions.

Contributions

Participants may contribute up to 100 percent of their pretax annual compensation as defined in the Plan, subject to certain limitations as prescribed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions or rollovers from other qualified defined benefit or defined contribution plans. Participants direct both the investment of their contributions and Employers' matching contributions into various investment options offered by the Plan.

**THE FORTISS GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

The Employers may elect to make discretionary matching and profit sharing contributions, subject to certain limitations, to the Plan in an amount determined by the Employers. For the year ended December 31, 2022, the Employers made a discretionary matching contribution equal to 50 percent of the participants' contribution up to 6 percent of eligible salary. To be eligible for the Employers' matching contributions, the participants must have satisfied the eligibility requirements mentioned above. For the year ended December 31, 2022, the Employers did not make a discretionary profit sharing contribution to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Employers' contributions, as well as allocations of the plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participants' earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 reduced by the highest outstanding loan balance in their accounts during the prior 12-month period, or 50 percent of their vested account balance. Loan terms range from 1 to 5 years, or up to 20 years for the purchase of a primary residence. The loans are secured by the respective participant's vested account balance and bear interest at the Wall Street Journal prime rate plus 1.0 percent. Principal and interest are paid ratably through bi-weekly payroll deductions.

Withdrawals

The government places certain restrictions on withdrawals in order to retain the special tax-saving benefits associated with the Plan. The Plan allows withdrawals at retirement, disability, separation of service, or upon death. Other withdrawals are available only in cases of immediate and heavy financial hardship, subject to IRS regulations. A participant's right to make deferrals will be suspended for six months after receipt of a hardship withdrawal.

Vesting

Participants are immediately vested in their contributions plus accumulated earnings thereon. Employers' contributions plus accumulated earnings thereon are based on a graded schedule whereby a participant is 100 percent vested after 5 years of credited service. A participant also becomes 100 percent vested upon reaching retirement age, death, permanent disability or termination of the Plan by the Employers.

**THE FORTISS GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Benefit Payments

Upon termination of service due to retirement or permanent disability, a participant may elect to receive cash in one lump-sum payment or in installments equal to the value of the participant's vested interest in his or her account. In the event of a participant's death, payment of the vested value of the participant's account is made to his or her beneficiary in one lump-sum payment or in installments.

Forfeited Amounts

Forfeited nonvested accounts are generally used to reduce plan expenses and/or offset future Employers' contributions. As of December 31, 2022, there were \$25,000 forfeited nonvested accounts included in plan assets. As of December 31, 2021, there were no remaining forfeited nonvested accounts included in plan assets.

Plan Termination

Although they have not expressed any intent to do so, the Employers have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, partial termination occurs when employee turnover reaches or exceeds 20 percent by the end of the year. In the event of a Plan termination or partial termination, participants will become 100 percent vested in their Employers' contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments and Valuation Techniques

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Net appreciation and depreciation in fair value of investments includes realized and unrealized gains and losses on investments sold or held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income from investments is recorded on the cash basis, which approximates the accrual method of accounting. Dividends are recorded on the ex-dividend date.

There have been no changes in methodologies used at December 31, 2022 and 2021.

**THE FORTISS GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest from loans. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Expenses

Non-investment costs, primarily accounting and administrative expenses of the Plan, are paid for by the Employers, which are parties-in-interest. These expenses, which are not reflected in the accompanying financial statements, constitute exempt party-in-interest transactions. Investment advisory services and certain administrative fees are paid by the Plan or charged against plan investment activities and are included in the statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active and inactive markets, inputs other than quoted prices that are observable for the asset or liability for substantially the full term of the financial instrument, and inputs that are derived from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**THE FORTISS GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 3 - FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The Plan holds investments of \$27,608,599 and \$12,603,354 in participation units held in pooled separate accounts through sub-accounts of an insurance company as of December 31, 2022 and 2021, respectively. The pooled separate accounts are valued, as a practical expedient, based on the net asset value (NAV) reported by the insurance company, which approximates fair value of the investments. The investments are redeemable at the NAV under agreements with the insurance company. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Investments that are measured at fair value using the NAV (or its equivalent) practical expedient have not been categorized in the fair value hierarchy.

NOTE 4 - INFORMATION CERTIFIED BY CUSTODIAN (unaudited)

The plan administrator has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting Disclosure under the ERISA. Accordingly, John Hancock Life Insurance Company, the custodian of the Plan (Custodian), has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying financial statements and supplemental schedule. The following is a summary of the information prepared and certified by the Custodian and furnished to the plan administrator as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

- Investments and notes receivable from participants as indicated on the statements of net assets available for benefits and Note 3;
- Investment income and interest income on notes receivable and information as indicated on the statement of changes in net assets available for benefits; and
- Investments and participant loans as listed in the accompanying supplemental schedule of assets (held at end of year).

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are interests in pooled separate accounts managed by the Custodian. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services and certain administrative costs approximated \$80,000 for the year ended December 31, 2022.

NOTE 6 - TAX STATUS

The Plan was formed using a pre-approved format by the IRS for qualification under Section 401(a). This format last received approval by the IRS on May 7, 2015. The Plan has been amended since its original formation. However, the Employers believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believe the Plan is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

**THE FORTISS GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 6 - TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RECEIVABLES

As of December 31, 2022 and 2021, receivables are recorded for amounts owed by the Employers for participant contributions, employer matching contributions and employee loan repayments not yet remitted to the Plan until the following years.

NOTE 8 - EXCESS CONTRIBUTIONS PAYABLE

As of December 31, 2022 and 2021, payables are recorded for amounts refundable by the Plan to either the Employers or the participants for contributions made in excess of the amounts allowed by the IRS.

NOTE 9 - NONEXEMPT TRANSACTIONS

During the year ended December 31, 2022, the Employers identified a delinquency in remitting participant contributions and employer contributions to the Plan in the amount of approximately \$600 and \$6,000, respectively. Specifically, such contributions were not deposited into the Plan on a timely basis, in violation of the Department of Labor's rules under ERISA.

The Employers have taken corrective action to correct the delinquency under the Department Labor's Voluntary Fiduciary Correction Program, and have made the missed contributions, and the associated earnings of approximately \$500. Management has evaluated the impact of this transaction on the Plan's financial statements and believes that it does not have a material impact on the Plan's financial position or results of operations.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 - SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2022 have been evaluated for possible adjustment to the financial statements or disclosure is March 13, 2024, the date on which the financial statements were issued.
