Independent Auditors' Report

The Plan Administrator
First Heritage Credit, LLC 401(K) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the First Heritage Credit, LLC 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of May 31, 2023 (date of merger) and December 31, 2022, the related statements of changes in net assets available for benefits for the period from January 1, 2023 to May 31, 2023 and for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of May 31, 2023 and December 31, 2022 and for the period from January 1, 2023 to May 31, 2023 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

FIRST HERITAGE CREDIT, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements

May 31, 2023 and December 31, 2022

(1) Description of plan

The following description of the First Heritage Credit, LLC 401(K) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan which was adopted to provide benefits to all eligible employees of First Heritage Credit, LLC (the "Plan Sponsor" or "Employer"). The Plan covers substantially all employees who are age twenty-one or older and have completed 1,000 hours of service ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective May 31, 2023, the Plan was merged into the CURO Management 401(k) Retirement Plan ("CURO Management Plan"). All participant accounts balances and Plan assets were transferred June 1, 2023. The net assets were recognized in the participants' accounts of the CURO Management Plan as previously carried in his or her accounts of the Plan.

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") or may be made after-tax in the form of a Roth 401(k) contributions. Participants are allowed to make additional catch-up contributions to the Plan if they are 50 years of age or older as of the end of the Plan year. Additionally, participants are permitted to make rollover contributions to the Plan from other qualified plans, individual retirement accounts, or annuities. Participant contributions are permitted up to 100% of compensation, subject to IRC limitations.

The Employer will make a safe harbor matching contribution of 100% of the first 3% of a participant's compensation plus 50% of the next 2% of a participant's compensation. At the discretion of the Employer, profit-sharing contributions may also be made. Except in the case of death, disability, or retirement, a participant will share in the allocation of the profit-sharing contributions only if the participant is still employed on the last day of the Plan year or has accumulated five hundred (500) or more hours of service during the Plan year. No profit-sharing contributions were made in 2023 or 2022. Plan Sponsor contributions may not exceed the minimum amount allowable for federal income tax purposes.

FIRST HERITAGE CREDIT, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements

May 31, 2023 and December 31, 2022

(c) Participant accounts

Each participant's account is credited (charged) with the participant's deferral contributions, the Employer's matching contributions, any Employer discretionary contributions, and an allocation of net investment income (loss) of each fund in which the participant is invested. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

(d) Investment options

Participants may direct the investment of their contributions into various investment options offered by the Plan. Contributions to the Plan are invested by John Hancock Life Insurance Company (U.S.A) ("John Hancock") according to the participant's instructions in one or a combination of several pooled separate accounts options. Participants may change their investment elections or initiate transfers between pooled separate accounts by giving notice to John Hancock. The Plan offers a variety of pooled separate accounts as investment options for participants.

(e) Vesting

Participants are immediately vested in their elective salary deferrals and safe-harbor matching contributions plus actual earnings (losses) thereon. Vesting in the Employer's profit-sharing contribution is based on years of continuous service. Participants vest 20% after one year of service and 20% each year thereafter until they become 100% vested after five years of service. The participant must work at least 1,000 hours in a Plan year to qualify as a vesting year.

(f) Payment of benefits

On termination of service, a participant is entitled to receive payment for the vested interest in his or her account. The portion of the account balance that is not vested when an employee terminates service is deemed to be a forfeiture. Participants with vested interests may elect to receive a lump-sum payment or direct rollover. On termination of service due to death, permanent disability, or retirement a participant is automatically fully vested in his or her account.

(g) Forfeited accounts

Upon termination of employment, participants forfeit their non-vested balances. Forfeited balances may be used to pay Plan expenses or reduce Employer contributions. No forfeitures were used to pay employer contributions or plan expenses in 2023 or 2022. At December 31, 2022 the balance of forfeited non-vested amounts was \$344. The remaining balance of forfeited non-vested amounts was transferred to the CURO Management Plan on May 31, 2023.

Notes to the Financial Statements

May 31, 2023 and December 31, 2022

(h) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's elective account balance.

(i) Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the processing of distributions, investment advisory, and administrative fees are included in administrative expenses and charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Payment of benefits

Benefits are recorded when paid.

(d) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes to the Financial Statements

May 31, 2023 and December 31, 2022

(e) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between May 31, 2023 and March 15, 2024, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Information related to investments disclosed in the accompanying financial statements, including the fair value of investments held as of December 31, 2022, and net appreciation (depreciation) in fair value of investments for the period from January 1, 2023 to May 31, 2023 and for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock.

(4) Fair value measurement

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

FIRST HERITAGE CREDIT, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements

May 31, 2023 and December 31, 2022

The following is a description of the valuation methodology used for assets measured at fair value.

- (i) *Pooled separate accounts*: Valued at net asset value, which is based on the market value of the underlying investments held by the pooled separate account at year end.

The following table sets forth by level the Plan's assets within the fair value hierarchy as of December 31, 2022:

Fair Value Measurements as of December 31, 2022 using the following inputs				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ <u>-</u>	\$ <u>5,728,563</u>	\$ <u>-</u>	\$ <u>5,728,563</u>

(5) Income tax status

The Plan Sponsor adopted a defined contribution pre-approved plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the pre-approved plan was designed in accordance with the applicable requirements of the IRC. The Plan itself did not receive a determination letter from the IRS stating that the Plan was qualified under Section 401(a) of the IRC. However, the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of May 31, 2023 and December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Related party and party-in-interest transactions

Certain plan investments are shares of pooled separate accounts managed by John Hancock and, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers, which also qualify as party in interest transactions under ERISA.

Independent Auditors' Report

The Plan Administrator
First Heritage Credit, LLC 401(K) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the First Heritage Credit, LLC 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of May 31, 2023 (date of merger) and December 31, 2022, the related statements of changes in net assets available for benefits for the period from January 1, 2023 to May 31, 2023 and for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of May 31, 2023 and December 31, 2022 and for the period from January 1, 2023 to May 31, 2023 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

FIRST HERITAGE CREDIT, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements

May 31, 2023 and December 31, 2022

(1) Description of plan

The following description of the First Heritage Credit, LLC 401(K) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan which was adopted to provide benefits to all eligible employees of First Heritage Credit, LLC (the "Plan Sponsor" or "Employer"). The Plan covers substantially all employees who are age twenty-one or older and have completed 1,000 hours of service ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective May 31, 2023, the Plan was merged into the CURO Management 401(k) Retirement Plan ("CURO Management Plan"). All participant accounts balances and Plan assets were transferred June 1, 2023. The net assets were recognized in the participants' accounts of the CURO Management Plan as previously carried in his or her accounts of the Plan.

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") or may be made after-tax in the form of a Roth 401(k) contributions. Participants are allowed to make additional catch-up contributions to the Plan if they are 50 years of age or older as of the end of the Plan year. Additionally, participants are permitted to make rollover contributions to the Plan from other qualified plans, individual retirement accounts, or annuities. Participant contributions are permitted up to 100% of compensation, subject to IRC limitations.

The Employer will make a safe harbor matching contribution of 100% of the first 3% of a participant's compensation plus 50% of the next 2% of a participant's compensation. At the discretion of the Employer, profit-sharing contributions may also be made. Except in the case of death, disability, or retirement, a participant will share in the allocation of the profit-sharing contributions only if the participant is still employed on the last day of the Plan year or has accumulated five hundred (500) or more hours of service during the Plan year. No profit-sharing contributions were made in 2023 or 2022. Plan Sponsor contributions may not exceed the minimum amount allowable for federal income tax purposes.

FIRST HERITAGE CREDIT, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements

May 31, 2023 and December 31, 2022

(c) Participant accounts

Each participant's account is credited (charged) with the participant's deferral contributions, the Employer's matching contributions, any Employer discretionary contributions, and an allocation of net investment income (loss) of each fund in which the participant is invested. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

(d) Investment options

Participants may direct the investment of their contributions into various investment options offered by the Plan. Contributions to the Plan are invested by John Hancock Life Insurance Company (U.S.A) ("John Hancock") according to the participant's instructions in one or a combination of several pooled separate accounts options. Participants may change their investment elections or initiate transfers between pooled separate accounts by giving notice to John Hancock. The Plan offers a variety of pooled separate accounts as investment options for participants.

(e) Vesting

Participants are immediately vested in their elective salary deferrals and safe-harbor matching contributions plus actual earnings (losses) thereon. Vesting in the Employer's profit-sharing contribution is based on years of continuous service. Participants vest 20% after one year of service and 20% each year thereafter until they become 100% vested after five years of service. The participant must work at least 1,000 hours in a Plan year to qualify as a vesting year.

(f) Payment of benefits

On termination of service, a participant is entitled to receive payment for the vested interest in his or her account. The portion of the account balance that is not vested when an employee terminates service is deemed to be a forfeiture. Participants with vested interests may elect to receive a lump-sum payment or direct rollover. On termination of service due to death, permanent disability, or retirement a participant is automatically fully vested in his or her account.

(g) Forfeited accounts

Upon termination of employment, participants forfeit their non-vested balances. Forfeited balances may be used to pay Plan expenses or reduce Employer contributions. No forfeitures were used to pay employer contributions or plan expenses in 2023 or 2022. At December 31, 2022 the balance of forfeited non-vested amounts was \$344. The remaining balance of forfeited non-vested amounts was transferred to the CURO Management Plan on May 31, 2023.

FIRST HERITAGE CREDIT, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements

May 31, 2023 and December 31, 2022

(h) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's elective account balance.

(i) Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the processing of distributions, investment advisory, and administrative fees are included in administrative expenses and charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Payment of benefits

Benefits are recorded when paid.

(d) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes to the Financial Statements

May 31, 2023 and December 31, 2022

(e) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between May 31, 2023 and March 15, 2024, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Information related to investments disclosed in the accompanying financial statements, including the fair value of investments held as of December 31, 2022, and net appreciation (depreciation) in fair value of investments for the period from January 1, 2023 to May 31, 2023 and for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock.

(4) Fair value measurement

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

FIRST HERITAGE CREDIT, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements

May 31, 2023 and December 31, 2022

The following is a description of the valuation methodology used for assets measured at fair value.

- (i) *Pooled separate accounts*: Valued at net asset value, which is based on the market value of the underlying investments held by the pooled separate account at year end.

The following table sets forth by level the Plan's assets within the fair value hierarchy as of December 31, 2022:

Fair Value Measurements as of December 31, 2022 using the following inputs				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ <u>-</u>	\$ <u>5,728,563</u>	\$ <u>-</u>	\$ <u>5,728,563</u>

(5) Income tax status

The Plan Sponsor adopted a defined contribution pre-approved plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the pre-approved plan was designed in accordance with the applicable requirements of the IRC. The Plan itself did not receive a determination letter from the IRS stating that the Plan was qualified under Section 401(a) of the IRC. However, the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of May 31, 2023 and December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Related party and party-in-interest transactions

Certain plan investments are shares of pooled separate accounts managed by John Hancock and, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers, which also qualify as party in interest transactions under ERISA.
