Independent Auditors' Report

To the Participants and Plan Administrator of
Coordinated Health 401(k) Plan

Opinion

We have audited the financial statements of Coordinated Health 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets in liquidation as of June 30, 2023 and December 31, 2022, and the related statements of changes in net assets in liquidation for the period from January 1, 2023 to June 30, 2023 and for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets in liquidation of the Plan as of June 30, 2023 and December 31, 2022, and the changes in its net assets in liquidation for the period from January 1, 2023 to June 30, 2023 and for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 and 2 to the financial statements, the Board of Trustees of the plan sponsor approved a plan of liquidation on June 10, 2021. The Plan was liquidated as of June 30, 2023. In accordance with accounting principles generally accepted in the United States of America, the Plan's basis of accounting used in presenting the 2023 and 2022 financial statements is the liquidation basis. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Coordinated Health 401(k) Plan

Notes to Financial Statements

June 30, 2023 and December 31, 2022

1. Description of the Plan

The following description of the Coordinated Health 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Plan Termination

On June 10, 2021, the LVHN Board of Trustees voted to spin-off and merge the portion of the Plan associated with the employees that were hired by LVHN into the Lehigh Valley Health Network, Inc. 401(k) Savings Plan, and to terminate the remaining portion of the Plan subject to the provisions of ERISA. Once the plan termination occurred, participants became 100% vested in their Company contributions. The liquidation of the Plan occurred on June 30, 2023.

The following attributes of the Plan were based on the plan document prior to termination.

General

The Plan is a defined contribution plan covering all eligible employees of Coordinated Health Holding Company LLC (Company and Plan Administrator), and its affiliates who have completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance. Effective July 1, 2020, Lehigh Valley Health Network, Inc. (LVHN) became the Plan Administrator.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the plan document up to the maximum limits of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants on or after April 1, 2016 with pre-tax contributions of less than 6% will automatically have their pre-tax contributions increase by 1% each January until the pre-tax percentage equals 6%.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, referred to as direct rollover contributions by the participant. The participant directs all contributions made to the Plan on their behalf. Contributions are subject to certain limitations.

All participant and Company contributions to the Plan have been suspended effective June 30, 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and, plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes to Financial Statements

June 30, 2023 and December 31, 2022

Notes Receivable From Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.50% at December 31, 2022, which are commensurate with local prevailing rates as determined at the date of the loan by the Plan Administrator. Principal and interest is paid ratably through payroll deductions. The loan terms range from one to five years, except for the purchase of a primary residence which may be repaid over a term longer than five years.

Payment of Benefits

Upon termination of service for any reason, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account paid as a lump sum amount, installment payments or annuity contracts. In addition, the Plan allows for hardship distributions if certain criteria are met.

Forfeited Accounts

As of December 31, 2022, the forfeited nonvested account balance was \$163,424. The Plan allows forfeitures to be used to reduce future employer contributions, pay administrative expenses or allocated to participants. For the period ended June 30, 2023 and year ended December 31, 2022, administrative expenses were reduced by \$91,220 and \$20,680, respectively, and allocations to participants were \$73,010 and \$0, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

As disclosed in Note 1, as a result of the decision to terminate the Plan on June 10, 2021 and the termination and liquidation of the Plan on June 30, 2023, and in accordance with accounting principles generally accepted in the United States of America, the financial statements of the Plan as of June 30, 2023 and December 31, 2022 and for the period from January 1, 2023 to June 30, 2023 and for the year ended December 31, 2022 are presented on the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. LVHN's Finance Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to Financial Statements

June 30, 2023 and December 31, 2022

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis. Delinquent loans are treated as distributions based upon the terms of the plan documents. No allowance for credit losses has been recorded as of December 31, 2022.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company or LVHN. Expenses that are paid by the Company or LVHN are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022. Investments were fully liquidated as of June 30, 2023.

Notes to Financial Statements

June 30, 2023 and December 31, 2022

Collective trust is valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly manner.

Money market fund is valued at the quoted NAV of shares held by the Plan at year-end.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 8,608	\$ -	\$ -	\$ 8,608
Mutual funds	8,975,149	-	-	8,975,149
Total assets in the fair value hierarchy	<u>\$ 8,983,757</u>	<u>\$ -</u>	<u>\$ -</u>	8,983,757
Investments measured at net asset value (a)				<u>508,425</u>
Total investments at fair value				<u>\$ 9,492,182</u>

- (a) In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets in Liquidation as of December 31, 2022.

Investments Measured Using NAV per Share Practical Expedient

The following table summarize investments for which fair value is measured using the NAV per share, practical expedient as of December 31, 2022. There are no participant redemption restrictions for this investment. The redemption notice period is applicable only to the Plan.

	December 31, 2022			
	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective trust	\$ 508,425	N/A	Daily	30 days

4. Related-Party and Party in Interest Transactions

The Plan issues loans to participants, which are secured by the participant's account balance. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company and LVHN. No such officer or employee received compensation from the Plan.

As described in Note 2, administrative expenses, such as professional fees, are paid by the Company or LVHN on behalf of the Plan.

5. Tax Status

The Plan adopted a volume submitter plan offered by Merrill Lynch Pierce Fenner & Smith, Inc. The volume submitter plan sponsor received an opinion letter dated March 31, 2014, that the Plan is acceptable under the IRC Section 401 for use by employers for benefit of their employees. Although the Plan has been amended since this date, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examinations by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets in Liquidation as of December 31, 2022.

As of December 31, 2022, the Plan had investments of \$2,284,475 that were concentrated in two funds.

7. Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through January 25, 2024, the date the financial statements were available to be issued.
