Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

1. Description of Plan

The following description of Bon Secours Charity Health System Tax Sheltered Annuity Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information of the Plan’s provisions.

General

The Plan is a defined contribution plan covering employees of Bon Secours Charity Health System (“Charity”) and affiliates of Charity that have adopted the Plan and who have completed one hour of service. The participants are also eligible for an employer matching contribution if the employee performed one year of service (as defined in the Plan document) and are age 21 or older. Certain students and employees normally working fewer than 15 hours per week are not eligible to participate in the Plan. In addition, employees represented by a collective bargaining agreement that does not expressly provide for participation with respect to employer matching contributions are ineligible for employer matching contributions. The Plan is subject to the Employee Retirement Income Security Act of 1974 (“ERISA”) as amended.

The Board of Directors of the Plan sponsor has appointed a committee to be responsible for oversight of the Plan.

Effective May 19, 2015, the former Plan sponsor, Bon Secours Health System, Inc., entered into a joint venture with Westchester Medical Center (“WMC”), and as of May 19, 2015, WMC assumed a 60% ownership interest in Charity. Subsequent to the transaction, Bon Secours Health System, Inc. retained a 40% ownership interest in Charity. Prior to such transaction, the Plan met the requirements of a church plan under Internal Revenue Code (the “Code”) Section 414(e). As the Plan was operating as a church plan prior to May 19, 2015, the Plan was exempt from the Title 1 provisions of ERISA. As a result of the foregoing transaction, the Plan was amended on April 27, 2015, transferring sponsorship of the Plan from Bon Secours Health System, Inc. to Charity.

State Street Bank and Trust Company, Transamerica Financial Life Insurance Company (“TFLIC”), Empower Trust Company, LLC, and Empower Life & Annuity Insurance Company of New York are custodians of the Plan. Transamerica Retirement Solutions Corporation and Empower Retirement Services are the record-keepers for the Plan.

Contributions

Upon completing the eligibility requirements, employees whose employment commencement date is on or after January 1, 2021, will be automatically enrolled into the Plan at a rate of 3% for pre-tax deferrals unless they affirmatively opt out.

Eligible employees are able to defer a specific amount or percentage of their eligible compensation on a pre-tax or Roth basis to the Plan. Participants who have attained age 50 before the end of the Plan year are also able to make certain catch-up contributions.

1. Description of the Plan (*continued*)

Contributions

Charity makes matching contributions to the Plan on behalf of eligible participants. The amount of the matching contributions equals 50% of the first 6% of the respective participant's eligible compensation that the participant contributes to the Plan in the form of pretax deferrals, subject to Code limits.

Employer matching contributions are also subject to an annual nondiscrimination test which may limit the amount of matching contributions permitted to be made to the Plan for certain highly compensated employees.

Charity makes nonelective contributions in an amount equal to 3% of a participant's eligible compensation up to the social security taxable wage base, plus 6% of the participant's eligible compensation in excess of the social security taxable wage base.

Participants can also contribute rollovers from certain eligible retirement plans.

Participant Accounts

Participants direct the investment of their account balance into various investment options offered by the Plan and can change their investment options at any time subject to the terms of the funding vehicles. Each participant's account is credited with the participant's contributions and allocations of employer matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses incurred under the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the amount that can be provided solely from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants become fully vested in the employer matching and employer non-elective contributions and related earnings at the completion of two years of service, as defined in the Plan document.

Forfeitures

When certain terminations of participation in the Plan occur, the non-vested portion of a participant's account represents a forfeiture. In accordance with the Plan's provisions, the Plan may elect to use forfeitures to reduce future employer contributions or pay administrative expenses. At December 31, 2022 and 2021, forfeited nonvested amounts totaled \$74,273 and \$272,579. During 2022, \$20,800 of forfeitures were used to reduce administrative expenses and \$277,085 of forfeitures were used to reduce employer contributions.

1. Description of the Plan (*continued*)

Plan Expense Account

A Plan Expense Account, which is a non-participant-directed cash account, was established within the Plan whereby Empower credits the account monthly in accordance with the Plan's fee agreement. Funds in the Plan Expense account may be used to pay Plan expenses. The Plan Expense Account balance was \$119,257 and \$0 at December 31, 2022 and 2021. During 2022, \$89,941 from the Plan Expense Account were used to pay Plan expenses.

Payment of Benefits

On separation from service due to death, disability, retirement or other termination of employment, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, a qualified joint and survivor annuity, a qualified optional survivor annuity, or installments.

The Plan also provides for in-service withdrawals for hardship reasons and for participants who have attained age 59-1/2. Minimum required distributions for participants who have reached age 70-1/2 also apply per Internal Revenue Service ("IRS") regulations.

Notes Receivable from Participants

Participants may borrow from the vested interest in his or her accounts for a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 (reduced by outstanding loan balance, if any, as described in the Plan) or 50% of their vested account balance. The loans are secured by the balance in the participant's account for terms no longer than five years, except in the case the loan proceeds are used for a principal residence. The loan interest rate, determined quarterly, is set at prime rate plus 1.00%. Principal and interest is paid ratably by the participant's personal check or electronic funds transfer. A participant may only receive one loan in any 12 month period and may have no more than two loans outstanding at any time.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (*continued*)

Fair Value Measurements

The Plan follows U.S. GAAP guidance on fair value measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value except for the insurance company general accounts, which is stated at contract value since they are fully benefit-responsive. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. These funds are deemed to be actively traded. The pooled separate account is reported at fair value based on the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. The insurance company general accounts are valued at contract value, which represents contributions plus credited interest less participant withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses for maintaining the Plan are paid by the companies and are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in value of investments on the statement of changes in net assets available for benefits.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is February 26, 2024.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2022 and 2021, and the net depreciation in value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by State Street Bank and Trust Company, Transamerica Financial Life Insurance Company, Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York, qualified institutions, as of and for the year ended December 31, 2022, and State Street Bank and Trust Company, Transamerica Financial Life Insurance Company, and Great-West Trust Company, LLC, qualified institutions, as of December 31, 2021.

In August of 2022, Empower changed the names of its U.S. companies with a legacy “Great West” name to an “Empower” name. As a result, Great- West Trust Company, LLC is now Empower Trust Company, LLC. The change was in name only and did not have an impact on the assets or participant accounts of the Plan.

4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31:

5. Insurance Company General Accounts

New York Life Guaranteed Interest Account

The New York Life Guaranteed Interest Account ("GIA") is a fully benefit-responsive general account group annuity contract that guarantees principal and accumulated interest. Guarantees are provided to participating retirement plans through a group annuity contract issued by New York Life Insurance Company ("New York Life"). Contributions are invested in a fixed income portfolio within New York Life's general account. The GIA crediting rate is subject to change every six months following the first contract year.

The GIA group annuity contract provides that, subject to certain restrictions, withdrawals for benefit payments be made at contract value for events such as death, retirement, disability and termination of employment in the normal course of business. In-service withdrawals permitted by the Plan, such as loans, hardship and other eligible in-service withdrawals will also be paid at contract value. Payment for transfers to other non-competing investment options in the Plan's investment lineup will also be made at contract value, subject to certain restrictions for competing investment options.

The credit risk of the issuer was evaluated by nationally recognized statistical rating agencies as follows: A.M. Best (A++ as of October 2023), Moody's (Aaa as of November 2023), Standard and Poor's (AA+ as of August 2023), and Fitch (AAA as of October 2023).

TFLIC Insurance Company/General Account

The TFLIC Insurance Company/General Account (the "Account") consists of two fully benefit-responsive contracts with Transamerica, which are the Fixed Fund and the Government Fixed Fund.

The TFLIC Fixed Fund ("Fixed Fund") provides participants with book value distributions at retirement and other events as described in the group annuity contract. Both principal and interest are guaranteed by TFLIC. The Fixed Fund is supported by TFLIC's general account. The general account of TFLIC invests in investment grade fixed income securities, including U.S. Government, Agency, and corporate issues; as well as individually underwritten mortgage loans, and private placements. Interest is declared quarterly for new deposits received during that quarter and are guaranteed for the balance of that calendar year. Renewal rates are declared annually on a calendar year basis for existing assets. No monies may be transferred by participants to fixed income funds (competing funds). Funds transferred to non-fixed income funds may not be transferred to fixed income funds or back to the Fixed Fund for 90 days. Monies transferred back to the Fixed Fund or withdrawn within the 90 day period are subject to a 5% charge. Monies withdrawn or transferred by the Employer and monies withdrawn by participants not due to benefit withdrawals, hardships and loans may be subject to a withdrawal charge.

5. Insurance Company General Accounts (*continued*)

TFLIC Insurance Company/General Account (continued)

The TFLIC Government Fixed Fund ("Government Fixed Fund") is an actively managed guaranteed pooled separate account of TFLIC. Both principal and interest are guaranteed by TFLIC. Interest is declared quarterly for new deposits received during that quarter and are guaranteed for the balance of that calendar year. Renewal rates are declared annually on a calendar year basis for existing assets. No monies may be transferred from the Government Fixed Fund by participants to fixed income funds (competing funds). Monies transferred to non-fixed income funds may not be transferred to fixed income funds or back to the Government Fixed Fund for 90 days. Monies transferred back to the Government Fixed Fund or withdrawn within the 90-day period are subject to a 5% charge. Monies withdrawn or transferred by the Employer and monies withdrawn by participants not due to benefit withdrawals, hardships and loans may be subject to a withdrawal charge. Participants are generally permitted to make benefit distributions at contract value.

The credit risk of TFLIC was evaluated by nationally recognized statistical rating agencies as follows: A.M. Best Company (A as of November 2022), Moody's Investors Service (A1 as of April 2022) and Standard and Poor's (A+ as of March 2023).

6. Plan Records Management

In November 2007, the Department of Labor ("DOL") issued amended regulations eliminating an exemption granted to 403(b) plans from the annual Form 5500 reporting and disclosure requirements under Part 1 of Subtitle B of Title I of ERISA. Prior to the amended regulations, the Plan was not viewed as a separate reporting entity. Historically, the Plan was viewed as a collection of individual contracts with which participants could engage in a range of actions with limited involvement, if any, by the Plan sponsor. Accordingly, various custodial accounting and recordkeeping reports related to the Plan's 403(b) annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009 were not sufficiently maintained. Consequently, the financial statements and supplemental schedule have been prepared based on available records analyzed by Plan management. As certain records were not available from the inception of the Plan, the effect, if any, on the completeness or accuracy of the Plan's financial statements cannot be determined.

7. Party-in-Interest Transactions

Certain investments of the Plan are managed by a custodian of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

**Bon Secours Charity Health System
Tax Sheltered Annuity Plan**

Notes to Financial Statements
December 31, 2022

8. Tax Status

The Plan was formed using a prototype plan which the IRS has determined and informed the applicant by letter dated March 31, 2017 that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Plan management believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

9. Plan Termination

Although it has not expressed any intent to do so, Charity has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
