Independent Auditors' Report

**To the Plan Administrator
Thrive Global Holdings, Inc.
Retirement Savings Plan
New York, New York**

Opinion on the 2022 Financial Statements

We have audited the financial statements of Thrive Global Holdings, Inc. Retirement Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Mayer Hoffman McCann P.C.
Phone: 317.472.2200

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule of Assets Held for Investment Purposes and the Schedule of Delinquent Participant Contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of the Plan were audited by predecessor auditors whose report dated February 9, 2023, expressed an unmodified opinion on those financial statements.

THRIVE GLOBAL HOLDINGS, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Thrive Global Holdings, Inc. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by Thrive Global Holdings, Inc. (the “Company”). The Plan is a single employer plan and exists for the exclusive benefit of its eligible employees who have completed three months of service. The Plan was formed effective January 1, 2020. Participants should refer to the Plan document for a complete description. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Amendments

Effective April 1, 2022, the Plan was restated in its entirety. Additionally, Thrive Global Holdings, Inc., was designated as the trustee of the Plan.

Entrance Date

An employee is eligible to enter the Plan immediately following completion of the eligibility requirements.

Contributions

Each year, participants may contribute from 1% up to 98% of their annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts from other qualified plans.

The Plan allows for the Plan Sponsor to make non-elective profit-sharing contributions to the Plan. These contributions are permitted at the discretion of the Board of Directors in accordance with the Plan. Participants must be employed on the last day of the year to be eligible for such contributions. For the year ended December 31, 2022, there were no non-elective contributions made to the Plan.

Forfeitures

Forfeited balances from terminated participants’ accounts are used to first reduce Plan expenses, then if amounts remain, can be used to reduce employer contributions. During the year there were no forfeitures available for future use as of December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the non-elective profit-sharing contributions, if any, and (b) Plan earnings. Allocations are based on participant's qualified compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Upon enrollment in the Plan, a participant may direct contributions to a selection of a money market fund, stock, and bond funds under an arrangement with the custodian of the Plan investments. Participants may change the allocation of their account in different funds at any time.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. All loans are to be repaid over a period not to exceed five years, although an extension of the repayment period may be granted if the loan proceeds are used to purchase a participant's principal residence. The loans are secured by the balance in the participant's account and bear interest at the local prevailing rates charged by commercial lending institutions in the region in which the employer is located for comparable loans as determined by the Plan administrator at the time the loan is approved. Principal and interest are paid ratably through payroll deductions. Should the participant terminate as an employee, the balance of the outstanding loan becomes due and payable, and the participant's vested account will be used to pay the outstanding loan.

Vesting

Participants are immediately vested in their voluntary contributions, the Company's non-elective profit-sharing contributions, match contributions and actual earnings thereon.

Benefit Payments

On termination of service due to death, disability or retirement, a participant may elect to (a) receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, (b) elect to have the benefits paid in the form of a direct rollover to an individual retirement account or (c) elect to have the benefit paid to another qualified retirement plan described in Section 401(a) of the Internal Revenue Service. Withdrawals other than for termination are permitted under certain circumstances provided by the Plan. Benefits are recorded when paid.

Plan Termination

Although they have not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time. In the event of Plan termination, participants will become 100% vested in their account balances.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Valuation of Investments

Quoted market prices are used to value Plan investments. Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Fair Value Measurements

Accounting Standards Codification (ASC) 820 defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (or exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. Observable inputs are inputs that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Company. Unobservable inputs are inputs that reflect the Company's assumptions about the inputs that market participants would use in pricing the asset or liability and are developed based on the best information available in the circumstances.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

THRIVE GLOBAL HOLDINGS, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

There have been no changes in valuation methodologies at December 31, 2022, compared to December 31, 2021. The Company's policy is to recognize transfers between levels at the end of each reporting period, if applicable. There were no transfers in or out of Level 3 assets or liabilities during the year ended December 31, 2022.

Management Evaluation of Subsequent Events

The Company has evaluated subsequent events through March 11, 2024, the date on which the financial statements were available to be issued.

NOTE 3 - PARTICIPANT-DIRECTED INVESTMENTS

Participant contributions held in the Plan are participant-directed accounts. That is, individual participants decide how funds held in trust for them are allocated among various investment options.

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are shares of registered investment companies managed by Slavic Integrated Administration ("third party administrator" or "Slavic") and held by Fidelity Investments ("custodian" or "Fidelity"). Fidelity, under terms of an investment contract, serves as the custodian and holds all the Plan's investment assets and executes transactions therein. Fidelity is the custodian as defined by the Plan and, therefore, the related transactions qualify as party-in-interest.

Slavic provides to the Plan certain accounting and administrative services for which the fees are charged to the Plan. Slavic also provides broker related services to the Plan for which commissions are charged to the Plan. The Plan was charged fees related to maintaining custody of the Plan's assets and various Plan management services which amounted to \$22,201 for the year ended December 31, 2022.

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

THRIVE GLOBAL HOLDINGS, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 5 - TAX STATUS

The Plan has received a favorable determination letter from the Internal Revenue Service dated June 30, 2020, stating the Plan, as then designed, was qualified under Section 401 of the Internal Revenue Code ("IRC").

Although the Plan has not been issued an individual determination letter and has been amended since receiving the opinion letter, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Authoritative accounting standards require the Plan to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next 12 months or that would not sustain an examination by applicable taxing authorities.

The Plan's policy is to recognize penalties and interest as incurred in its statement of changes in net assets available for benefits, which totaled \$0 for the year ended December 31, 2022.

NOTE 6 - ADMINISTRATIVE EXPENSES

Administrative expenses paid from the Plan represent fees relating to the Plan which amounted to \$22,201 for the year ended December 31, 2022.

NOTE 7 - FAIR VALUE MEASUREMENTS

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 compared to December 31, 2021. The Company's policy is to recognize transfers between levels at the end of each reporting period, if applicable. There were no transfers of financial instruments into or out of Level 3 during the year ended December 31, 2021.

Money market funds: Valued at the net asset value of shares held by the Plan at year-end.

Registered investment companies: Valued at the daily closing price as reported by the underlying fund, which is traded on a national exchange.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9 - NON-EXEMPT TRANSACTIONS

Defined contribution plans are required to remit contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions were withheld by the employer.

Participant contributions amounting to \$883 were not remitted timely to the Plan during the year ended December 31, 2021. Contributions were corrected during the year ended December 31, 2022.
