INDEPENDENT AUDITORS' REPORT

Administrative Committee of
the Employee Benefit Plan of Valle Del Sol, Incorporated
3807 N. 7th St.
Phoenix, AZ 85014

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Employee Benefit Plan of Valle Del Sol, Incorporated (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Employee Benefit Plan of Valle Del Sol, Incorporated’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Employee Benefit Plan of Valle Del Sol, Incorporated and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of Valle Del Sol, Incorporated's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Employee Benefit Plan of Valle Del Sol, Incorporated's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of Valle Del Sol, Incorporated's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules as defined in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Employee Benefit Plan of Valle Del Sol, Incorporated (“the Plan”) provides only general information. The Plan was restated effective July 25, 2022 in order to bring the Plan into compliance with the requirements of the 2017 Cumulative List (Notice 2017-37) and change certain provisions of the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Valle Del Sol, Inc. (the “Organization”). Participants who have reached the age of 18 years old and six months of service are eligible for deferrals. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation (as defined in the Plan) and may elect to contribute on an after-tax basis, up to the limits defined by Internal Revenue Code (IRC). Participants direct the investment of their contributions into the investment options offered by the Plan. The Plan currently offers selected mutual funds as investment options for participants. The Organization will contribute an amount equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 100% of the next 1% of based compensation that a participant contributes to the Plan. For the years ended December 31, 2022 and 2021, the Organization made matching contributions totaling \$172,871 and \$120,605, respectively. Additional profit sharing contributions may be contributed at the discretion of the Organization’s board of directors. No such additional discretionary profit sharing contributions were made for the years ended December 31, 2022 and 2021. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in an age-weighted fund until changed by the participant.

Participant Accounts

Each participant’s account is credited with the participant’s elected compensation deferral and an allocation of (a) the employer’s contribution, (b) plan earnings, and (c) forfeitures of terminated participants’ non-vested accounts. In addition, the participant’s account is charged with an allocation of the Plan’s administrative expenses. These allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options

Upon election of compensation deferral, the participant directs the deferred amount to be invested based on percentages into investments options sponsored by Mutual of America. These funds offer a range of cash and equity funds. The participants can change their allocations and transfer between funds by telephone, the Internet or by written request at any time.

NOTE 1 – DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their elective deferrals, any rollover contributions to the Plan, and actual earnings thereon. Vesting in the Employers' matching and profit sharing contribution portion of the participant accounts plus earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service and vesting increases 20 percent after the second year of credited service. Upon the death or disability of any participant prior to retirement, the participant's account balance shall become fully vested.

Participant Loans

Loans are not permitted under the provisions of the Plan.

Payment of Benefits

On termination of service for any reason, a participant will receive an amount equal to the value of the participant's vested interest in the participant's account in a lump-sum payment or partial withdrawal. A terminated employee with a balance of less than \$1,000 may be automatically paid out by the Plan. Hardship withdrawals are also available to participants with certain types of immediate and heavy financial need, which fall under the stated guidelines of the Plan.

Forfeitures

Forfeitures occur when participants leave the Plan when they are less than fully vested. These amounts may be used to pay the administrative costs of the Plan, reduce future employer contributions, or may be allocated proportionately among the participants. For the year ended December 31, 2022, employer contributions were reduced by \$27,149 from the accumulated balance of the forfeited non-vested accounts. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$7,144, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("U.S. GAAP") requires the trustees to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair values of mutual funds and interest accumulation accounts are based on quoted net asset values of the shares held by the Plan at year-end.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation technique maximizes the use of relevant observable inputs and minimize the use of unobservable inputs.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Expenses

Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Reclassifications

Certain accounts in the prior-year statements may have been reclassified for comparative purposes to conform to the presentation in the current-year financial statements.

Subsequent Events

Subsequent events have been evaluated through January 9, 2024, the date the financial statements were available to be issued.

NOTE 3 – INVESTMENTS - INFORMATION CERTIFIED BY CUSTODIAN

Investments, income and net appreciation in fair value of investments included in the accompanying financial statements and supplemental schedule have been certified by Mutual of America Life Insurance Company, the investment custodian, to the Plan administrator as being complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 – TERMINATION OF PLAN AND RELATED TRUST

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate or partially terminate the Plan and related trust, subject to the provisions of ERISA. In the event of Plan termination, or partial termination, or upon complete discontinuance of contributions to the related trust, the amount of each participant's or beneficiary's account as of the date of such termination would become 100% vested and non-forfeitable in the employer matching and discretionary profit-sharing contributions, plus actual earnings thereon.

NOTE 5 – ADMINISTRATIVE EXPENSES

The Plan's expenses are paid either by the Plan or the Organization, as provided by the Plan document. Expenses that are paid directly by the Organization are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits. Administrative expenses to the Plan were \$3,801 and \$5,482 for the year ended December 31, 2022 and 2021, respectively.

NOTE 6 – RELATED PARTIES AND PARTIES-IN-INTEREST TRANSACTIONS

The Plan investments include investments managed by Mutual of America Life Insurance Company, the custodian, as defined by the Plan, and those transactions are considered as party-in-interest transactions.

Notes to Financial Statements

NOTE 7 – INCOME TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated November 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is exempt. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 8 – INVESTMENT FAIR VALUE MEASUREMENT

The following is a description of the valuation methods used for assets measured at fair value.

Pooled separate accounts: The net asset value ("NAV") is used as a practical expedient to estimate fair value. The NAV equals the number of shares of the respective underlying fund, multiplied by the closing NAV per share quoted by that fund. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

NOTE 8 – INVESTMENT FAIR VALUE MEASUREMENT (continued)

In accordance with Subtopic 820-10, the Plan's interest in the pooled separate accounts is measured at fair value using the NAV per share (or its equivalent) practical expedient and has not been classified in the fair value hierarchy. The NAV is determined by Mutual of America and is based on the fair value of the underlying assets held by the funds. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investment Type	2022 Fair Value	2021 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice for Period
Pooled separate accounts	\$ 5,241,715	\$ 6,084,691	None	Daily	Daily

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan is currently delinquent in completing the DOL audit requirement for the 2022, 2021, 2020, 2019 and 2018 Plan years. Missed earnings for 2018 through 2021 have been calculated and have been contributed and allocated to participant accounts and management is taking the remaining steps to bring the Plan back into compliance under the DOL's Delinquent Filer Voluntary Correction Program (DFVCP). The extent of any applicable fines or penalties owed under the DFVCP are not currently determinable and have not been included in the Plan's financial statements.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is the reconciliation of the change in net assets available for benefits between the financial statements and Form 5500 for the year ended December 31, 2022:

Changes in net assets as reported on Form 5500	\$ (822,095)
Employee contributions for 2021, received in 2022	(16,228)
Employer contributions for 2021, received in 2022	(6,968)

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 11 - PARTICIPANT CONTRIBUTIONS TRANSFERRED LATE TO THE PLAN

The Plan sponsor has identified late contribution transactions in the amount of \$475,781 for the year ended December 31, 2022. For the prior year's December 31, 2021, 2020, 2019 and 2018 there are amounts of \$364,319, \$104,353, \$38,458, and \$63, which are also in the process of being corrected. However, they were outside of the maximum time frame to segregate employee funds under 29 CFR 32510.3-102.
