Qualitative Aspects of Significant Accounting Policies & Practices

The following matters are detailed in the following pages and included in our assessment:

**Significant Accounting
Policies**

**Unusual Policies or
Methods**

**Alternative Accounting
Treatments**

**Management Judgments
& Accounting Estimates**

**Financial Statement
Disclosures**

**Our Judgment About the
Quality of the Plan's
Accounting Principles**

Significant Accounting Policies

Significant accounting policies are described in Note 1 of the audited financial statements.

With respect to new accounting standards adopted during the period and year, we call to your attention the following topics detailed in the following pages:

- No matters are reportable

Unusual Policies or Methods

With respect to significant unusual accounting policies or accounting methods used for significant unusual transactions (significant transactions outside the normal course of business or that otherwise appear to be unusual due to their timing, size, or nature), we noted the following:

- No matters are reportable

Alternative Accounting Treatments

We had discussions with management regarding alternative accounting treatments within GAAP for policies and practices for material items, including recognition, measurement, and disclosure considerations related to the accounting for specific transactions as well as general accounting policies, as follows:

- No matters are reportable

Management Judgments & Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. Significant areas of such estimates for which we are prepared to discuss management's estimation process and our procedures for testing the reasonableness of those estimates include:

- The fair value of investments reported or disclosed represent management's best estimate of fair value as of the measurement date. Management classified financial assets within the fair value hierarchy based on the lowest level of any input that is significant to the fair value measurement. Management uses valuation

techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. As we performed ERISA 103(a)(3)(C) audits, we did not perform any audit procedures surrounding the fair value of investments.

Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Plan merger (Note 1)

Our Judgment About the Quality of the Plan's Accounting Principles

During the course of the audits, we made the following observations regarding the Plan's application of accounting principles:

- No matters are reportable

Adjustments Identified by Audits

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments that, in its judgment, are required to prevent the financial statements from being materially misstated.

A misstatement is a difference between the amount, classification, presentation, or disclosure of a reported financial statement item and that which is required for the item to be presented fairly in accordance with the applicable financial reporting framework.

Proposed & Recorded Adjustments

Auditor-proposed and management-recorded entries include the following:

- No matters are reportable

Reportable Findings

During the course of the audit, we have identified the following reportable findings that are considered significant and relevant to those charged with governance over the Plan:

- Lack of meeting minutes
- Definition of compensation inconsistent with Plan document
- Lack of documentation of participant date of hire and termination
- Lack of election rate documentation
- Lack of documentation for eligibility for enrollment
- Lack of documentation for plan merger

See “Required Communications Regarding Internal Control” that follows for more information on these reportable findings.

Other Required Communications

Disagreements with Management

The following matters involved disagreements which if not satisfactorily resolved would have caused a modified auditor's opinion on the financial statements:

- No matters are reportable

Consultation with Individuals Outside of the Engagement Team

During our audits, we encountered the following matters, for which we consulted the views of individuals outside of the engagement team:

- No matters are reportable

Consultation with Other Accountants

During our audits, we became aware that management had consulted with other accountants about the following auditing or accounting matters:

Significant Related-Party Findings

We would like to communicate the following significant findings or issues that arose during our audits, related to the Plan's related-party activity:

- No matters are reportable

Other Material Communications

Listed below are other material communications between management and us related to the audits:

- Management representation letter (see Attachments)

We orally communicated to management other deficiencies in internal control identified during our audits that are not considered material weaknesses or significant deficiencies.

Required Communications Regarding Internal Control (AU-C 265)

Consideration of Internal Control Over Financial Reporting

In planning and performing our audits of the financial statements of GHC Hospice 401(k) Plan, in accordance with GAAS, we considered the Plan's internal control over financial reporting (internal control).

This consideration served as a basis for designing our audit procedures that are appropriate in the circumstance for the purpose of expressing our opinion on the financial statements.

However, this consideration was **not** for the purpose of expressing an opinion on the effectiveness of the Plan's internal control.

Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

This communication is intended solely for the information and use of the following and is not intended to be, and should not be, used by anyone other than these specified parties:

- The Plan Administrator, and Management

Categorizing Deficiencies by Severity

Deficiency

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

Significant Deficiency

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Material Weakness

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material misstatements of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

Identified Deficiencies

We identified certain deficiencies in internal control that we consider to be significant deficiencies for the year ended December 31, 2022.

Significant Deficiencies

- **Compensation Definition:** We noted that mileage and cell phone reimbursements were not excluded from eligible wages, in accordance with the Plan Document. We recommend the Plan Sponsor update the Plan Document if it is their intent to include mileage and cell phone reimbursements in eligible wages and to implement procedures to ensure mileage and cell phone reimbursements are treated in accordance with the Plan Document for deferral purposes.
- **Lack of election rate documentation:** We noted two instances in which a participant's election rate was not properly documented on the third-party administrator's website. We recommend documentation for participants election rates be formally documented.
- **Lack of documentation for date of hire and date of termination:** We noted several instances in which the plan sponsor could not provide documentation to verify participants' personal information. We recommend documentation be properly retained.
- **Lack of meeting minutes:** We noted that the Plan does not maintain minutes on a consistent basis. Since the Plan's trustees have the fiduciary responsibility to act in a prudent manner, we recommend plan management meet and maintain minutes at least once annually. In addition to documenting the adoption of plan amendments, these minutes should evidence that the trustees are reviewing and monitoring investment performance, fees, participation, proper enrollment and other such Plan activity on a periodic basis and document actions performed as a result. Maintaining proper documentation can safeguard the Plan and the Plan Sponsor. Transactions construed as a breach of fiduciary duty could result in penalties against the Plan Sponsor and/or be classified as prohibited transactions.

- 
- Lack of documentation for eligibility for enrollment: We noted employees who met qualifications for eligibility that were not enrolled in the plan; however, documentation was not maintained by the Plan Sponsor that such employees were provided the opportunity to enroll in the Plan. We recommend that the Plan's management establish procedures such that upon initial eligibility for participation, those employees that elect not to enroll in the Plan should complete a negative enrollment form.
 - Lack of plan merger documentation: The Plan Sponsor did not prepare a board resolution or related documentation approving the plan merger (Note 1). We recommend documentation be prepared and retained to support the authorization of the Plan merger.

The undersigned ("We") are providing this letter in connection with FORVIS' audits of the financial statements of GHC Hospice 401(k) Plan (the "Plan") as of March 31, 2023 and December 31, 2022 and period from January 1, 2023 through March 31, 2023 and year ended December 31, 2022 and supplemental schedule as of December 31, 2022.

We also understand FORVIS compiled the financial statements of the Plan as of December 31, 2021.

Our representations are current and effective as of the date of FORVIS' report: February 20, 2024.

Our engagement with FORVIS is based on our contract for services dated: December 18, 2023.

Our Responsibility & Consideration of Material Matters

We confirm that we are responsible for the fair presentation of the financial statements subject to FORVIS' report in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's (DOL) Rules and Regulations under the *Employee Retirement Income Security Act of 1974* (ERISA).

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agree to, are derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a

reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

Confirmation of Matters Specific to the Subject Matter of FORVIS' Report

We confirm, to the best of our knowledge and belief, the following:

Broad Matters

1. We have fulfilled our responsibilities, as set out in the terms of our contract, for the preparation and fair presentation of the financial statements and note disclosures in accordance with generally accepted in the United States of America (GAAP) .
2. We acknowledge our responsibility for the design, implementation, and maintenance of:

 - b. Internal control to prevent and detect fraud.

 - g. All significant contracts.
4. We acknowledge the Plan does not meet the definition of a "public entity" under generally accepted accounting principles.
5. We have responded fully and truthfully to all your inquiries.

Plan Design & Operations

6. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

9. The Plan obtained its latest determination letter on October 6, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, we believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.
10. The Plan has complied with the fidelity bonding requirements of ERISA.
11. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
12. We have complied with the DOL's regulations concerning the timely remittance of participant contributions and loan repayments.

We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the Plan Sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.

Misappropriation, Misstatements, & Fraud

15. We have informed you of all current risks of a material amount that are not adequately prevented or detected by our procedures with respect to:
 - a. Misappropriation of assets.
 - b. Misrepresented or misstated assets or liabilities.
16. We have no knowledge of fraud or suspected fraud affecting the Plan involving:
 - a. Management or employees who have significant roles in internal control over financial reporting, or
 - b. Others when the fraud could have a material effect on the financial statements.
17. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers or others.
18. We have assessed the risk that the financial statements may be materially misstated as a result of fraud and disclosed to you any such risk identified.

Related Parties & Parties-in-Interest

19. We have disclosed to you the identity of all of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships of which we are aware.

In addition, we have disclosed to you all related-party transactions and amounts receivable from

or payable to related parties of which we are aware, including any modifications during the year that were made to related-party transaction agreements which existed prior to the beginning of the period and year under audit, as well as new related-party transaction agreements that were executed during the period and year under audit.

Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America.

20. We understand that the term related-party refers to:

- Affiliates
- Entities for which investments are accounted for by the equity method
- Trusts for the benefits of employees, such as pension and profit-sharing trusts that are managed by or under the trusteeship of management
- Principal owners and members of their immediate families
- Management and members of their immediate families
- Any other party with which the entity may deal if one party can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interests.

Another party is also a related party if it can significantly influence the management or operating policies of the transacting parties or if it has an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own separate interests.

The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with, the entity.

Litigation, Laws, Rulings & Regulations

21. Neither the Plan nor the Plan Sponsor are aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the Plan Sponsor have sought or received attorney's services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.
22. We have no knowledge of communications, other than those specifically disclosed, from regulatory agencies, governmental representatives, employees, or others concerning investigations or allegations of noncompliance with laws and regulations, deficiencies in financial reporting practices, or other matters that could have a material adverse effect on the financial statements.
23. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the Plan.

Nonattest Services

24. You have provided nonattest services, including the following, during the period of this engagement:
 - Preparing a draft of the financial statements and related notes and supplementary

information

25. With respect to these services:

- a. We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.
- b. We have established and monitored the performance of the nonattest services to ensure they meet our objectives.
- c. We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.
- d. We have evaluated the adequacy of the services performed and any findings that resulted.
- e. Established and maintained internal controls, including monitoring ongoing activities.
- f. When we receive final deliverables from you we will store those deliverables in information systems controlled by us. We have taken responsibility for maintaining internal control over these deliverables.

Financial Statements & Reports

26. We have reviewed and approved a draft of the financial statements and related notes referred to above, which you prepared in connection with your audits of our financial statements. We acknowledge that we are responsible for the fair presentation of the financial statements and related notes.

27. With regard to supplementary information:

- a. We acknowledge our responsibility for the fair presentation of the supplementary information, including its form and content in conformity with relevant regulatory requirements or other applicable criteria.
- b. We believe the supplementary information is fairly presented, both in form and content, in accordance with relevant regulatory requirements or other applicable criteria, in material respects.
- c. The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplementary information.
- d. We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.
- e. The supplemental information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Transactions, Records, & Adjustments

28. All transactions have been recorded in the accounting records and are reflected in the financial statements.

29. We have everything we need to keep our books and records.

30. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms, and business purpose of those transactions.

31. We are in agreement with the adjusting journal entries you have proposed, if any, and they have

been posted to the entity's accounts.

32. There are no uncorrected misstatements or omitted disclosures.

Accounting & Disclosure

33. We are not aware of any side agreements or other arrangements (either written or oral) that are in place ..

34. Except as reflected in the financial statements, there are no:

- a. Plans or intentions that may materially affect carrying values of assets and liabilities.
- b. Material transactions omitted or improperly recorded in the financial records.

- e. Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.

35. Except as disclosed in the financial statements, the Plan has:

- a. Satisfactory title to all recorded assets, and those assets are not subject to any liens, pledges, or other encumbrances.
- b. Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.

Receivables

36. Adequate allowances have been accrued for any material losses from uncollectible receivables.

Estimates

37. We have identified all accounting estimates that could be material to the financial statements, and we confirm the appropriateness of the methods and the consistency in their application, the accuracy and completeness of data, and the reasonableness of significant assumptions used by the Plan in making the accounting estimates, including those measured at fair value reported in the financial statements.

38. Significant estimates that may be subject to a material change in the near term have been properly disclosed in the financial statements. We understand that "near term" means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations, which refer to volumes of loans, investments, or deposits, existing at the date of the financial statements that would make the Plan vulnerable to the risk of severe impact in the near term that have not been properly disclosed in the financial statements.

Fair Value

39. With respect to the fair value measurements of financial assets and liabilities, recognized in the financial statements or disclosed in the notes thereto:
- a. The underlying assumptions are reasonable and they appropriately reflect management's intent and ability to carry out its stated course of action.

 - c. The significant assumptions appropriately reflect market participant assumptions.
 - d. The disclosures related to fair values are complete, adequate, and in conformity with accounting principles generally accepted in the United States of America.
 - e. There are no subsequent events that require adjustments to the fair value measurements and disclosures included in the financial statements.

Investments

40. Investments are properly measured at fair value and include investments without a readily determinable fair value that are valued using the net asset value (NAV) practical expedient.
