CERTIFIED PUBLIC ACCOUNTANT

Employee Benefit Plan Consulting, Administration, and Auditing

INDEPENDENT AUDITOR'S REPORT

To North Central Texas Community Health Care Center, Inc., the Plan Administrator of the
North Central Texas Community Health Care Center, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of North Central Texas Community Health Care Center, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of North Central Texas Community Health Care Center, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, are complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of North Central Texas Community Health Care Center, Inc. 401(k) Savings Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

I draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. My opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about North Central Texas Community Health Care Center, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of North Central Texas Community Health Care Center, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about North Central Texas Community Health Care Center, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule (modified cash basis) of Schedule H, line 4i—Schedule of Assets (Held at End of Year) (Modified Cash Basis) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule (modified cash basis), I evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- the form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule (modified cash basis) related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of the **North Central Texas Community Health Care Center, Inc. 401(k) Savings Plan** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of North Central Texas Community Health Care Center, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute up to 100% of compensation (as defined by the Plan and subject to other deductions from their pay) up to the maximum permitted by the Internal Revenue Code. Roth deferrals are permitted under the Plan. Participants who have attained age 50 during the Plan year are eligible to make catch-up contributions. Employees may also make rollover contributions representing distributions from certain other eligible retirement plans.

The Company will make a non-elective safe harbor employer contribution in the amount of 3% of Plan compensation. The Company may make a discretionary profit sharing contribution in an amount to be determined each Plan year. The Company may contribute a discretionary matching contribution that is limited to salary deferrals that do not exceed 6% of Plan compensation. The total matching contribution will not exceed 4% of Plan compensation. In determining Plan compensation for purposes of the safe harbor employer contributions, discretionary profit sharing plan contributions, and discretionary matching contributions, only Plan compensation earned while the individual is a Participant under the Plan will be taken into account. Contributions are subject to certain limitations. Forfeitures of participant's accounts may be used to reduce the Company's contribution.

For the year ended June 30, 2023, the Company made a 3% non-elective safe harbor employer contribution to eligible Participants. In addition, the Company also made a 3% discretionary profit sharing plan employer contribution to eligible Participants.

Participant Accounts

Upon enrollment in the Plan, participants direct the investment of all contributions and earnings into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. As applicable, each participant's account is credited with the participant's elective and rollover contributions and allocations of (a) the Company's discretionary matching contribution, (b) the Company's discretionary profit sharing contribution, (c) the Company's non-elective safe harbor employer contribution, and (d) Plan income, as well as charged with withdrawals and an allocation of the Plan's losses and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

Note 1 - DESCRIPTION OF THE PLAN (CONT'D.)

Vesting

Participants are immediately vested in their elective deferral contributions and rollover contributions, plus actual earnings thereon. Participants are also immediately vested in their non-elective safe harbor employer contributions, plus actual earnings thereon. The Company's discretionary matching contributions, discretionary profit sharing contributions, and related earnings, are subject to the following vesting schedule: 0% at 0-1 years, 20% at 2 years, 40% at 3 years, 60% at 4 years, 80% at 5 years and 100% at 6 or more years of service. Participants become immediately and fully vested upon death or disability or at the later of (1) attainment of age 59 ½ or (2) the 1st anniversary of the date the employee commenced participation in the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. These transactions are treated as transfers from the investment funds to the Loan fund. The loans are secured by the balance in the participant's account and bear interest at a rate of 5.25% to 10.25%, which is based on 2% above the prime interest rate. Principal and interest are paid ratably through bi-weekly payroll deductions, and the maximum number of loans a participant may have outstanding at one time is four.

Payment of Benefits

Participants may receive a distribution of their vested account balance upon termination of service, death, disability or retirement. Upon attainment of age 59 ½, participants may withdraw all or any portion of the value of their vested account balance in the Plan if the participant is 100% vested in the amounts being withdrawn. Hardship distributions may be made from the Plan while the participant is still employed based on specific Plan provisions. Single sum payments and partial distributions of less than the entire vested account balance may be available to participants as permitted by the Plan document.

Forfeited Accounts

At June 30, 2023 and 2022, forfeited non-vested accounts totaled \$0 and \$0 respectively. Balances in this account will be used to reduce the Company's contributions. For the year ended June 30, 2023, the Company's contributions were reduced by \$19,117 from forfeited non-vested accounts.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis of accounting. Employer and participant contributions and investment income are recognized when received, and disbursements are recognized when made. Purchases and sales of securities are recorded on a settlement-date basis. Additionally, investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in accordance with accounting principles generally accepted in the United States of America.

401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies. See Note 3 for discussion of fair value measurements. Investment income is recognized when received by the Plan. Capital gain distributions are included in dividend income. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are recorded in the notes receivable from participants and are paid out of the participant's account when they are incurred. As of June 30, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and to the payment of benefits from participants' accounts are charged directly to the participant's account. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments.

Plan Amendments

On August 19, 2022, the Plan's Adoption Agreement was restated effective July 1, 2022, to update the Plan for current legislation.

The Plan has implemented provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act). Any required written amendment to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Subsequent Events

The Plan has evaluated subsequent events through March 14, 2024, the date the financial statements were available to be issued.

Note 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is a quoted price in an active market.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value as of June 30, 2023 and 2022:

Fair Value Measurements at Reporting Date Using:

	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
As of June 30, 2023:				
Mutual Funds	\$ 8,017,594	\$ 8,017,594	\$ -	\$ -
As of June 30, 2022:				
Mutual Funds	\$ 6,374,727	\$ 6,374,727	\$ -	\$ -

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

Note 6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Matrix Trust Company is the custodian of the Plan; therefore, transactions with the custodian qualify as party-in-interest transactions. Additionally, certain officers of the Company are trustees of the Plan; therefore, transactions with the trustees qualify as party-in-interest transactions.

Notes receivable from participants and participant contributions are also considered to be party-in-interest transactions. Plan Sponsor contributions are considered to be both party-in-interest and related party transactions. Fees related to the administration of notes receivable from participants and fees related to the payment of benefits from participants' accounts that are paid to CPI Qualified Plan Consultants, Inc. (CPI) also qualify as party-in-interest transactions. Fees paid by the Plan to CPI amounted to \$5,950 for the year ended June 30, 2023.

These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

Note 7 - TAX STATUS

On March 24, 2016, the Company adopted the CUNA Mutual Insurance Society volume submitter profit sharing plan with CODA plan document, effective July 1, 2015. CUNA received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which stated that the volume submitter profit sharing plan with CODA plan document is acceptable under Internal Revenue Code (IRC) Section 401. On August 19, 2022, the Company adopted the CMFG Life Insurance Company non-standardized pre-approved profit sharing plan/CODA plan document, effective July 1, 2022. CUNA received an opinion letter from the IRS dated June 30, 2020, which stated that the plan document is acceptable under IRC Section 401. The Company believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods currently in progress.

Note 8 - RISKS AND UNCERTAINTIES

The Plan invests in various mutual funds. These investments are exposed to various risks such as market and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits (modified cash basis).
