RE: 5500-SF for RLG International Retirement Plan, 001, ER 76-0524961
Permission delegated to electronically sign forms
Plan year ending 12/31/2023

Dear Bob:

As you are aware the annual process of electronically signing the above form via the Department of Labor website has become increasingly difficult. Although I am sure that the DOL has carefully considered all of the issues involved in preserving the integrity of the forms, their preparation and execution via electronics, the simple truth remains that a relatively simple process of signing and mailing a form that took all of a few seconds now requires a great deal of time.

Simply the task of locating my "Super Secret Code", my assigned Employer identification number, and the password that I used the prior year is an annual challenge. I use my computer in my business on a daily basis and my various on-line accounts have passwords that I must remember and/or locate daily. My computer does not automatically declare my password no longer valid, and my accounts do not "lock me out" and force me to totally re-apply for entry.

Therefore, please prepare the above form and electronically sign it on my behalf. I warrant to you that I have disclosed taxable distributions and contributions made to the funds during the calendar year. I further warrant that Ralph Garcia has executed the 2023 Form 5500-SF and furnished same to you for your inclusion in this process.

My sincere thanks to you. I am

Ralph Garcia
