Board of Directors and Plan Administrator
AKAM Living Services, Inc. 401(k) Plan
New York, New York

Attention: Board of Directors and Plan Administrator

This letter is to inform the Board of Directors and Plan Administrator of AKAM Living Services, Inc. 401(k) Savings Plan (the Plan) about significant matters related to the conduct of our audit as of and for the year ended December 31, 2022, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibility under GAAS has been described to you in our engagement letter dated September 6, 2023. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated September 28, 2023 regarding the planned scope and timing of our audit and identified significant risks.

RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Visit rsmus.com/aboutus for more information regarding RSM US LLP and RSM International.

Significant Accounting Practices, Including Policies, Estimates and Disclosures

We have discussed our views about the qualitative aspects of the Plan's significant accounting practices, including significant accounting policies, significant unusual transactions, accounting estimates and financial statement disclosures. The following is a list of the matters that were discussed, including the significant estimates, which you may wish to monitor for your oversight responsibilities of the financial reporting process:

- **Estimates:** Investment valuation and income recognition
- **Investment valuation and income recognition**: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- Purchases and sales of investments are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of investments, which includes the Plan's gains and losses on investments bought and sold as well as held during the year.
- The following is a description of the valuation methodologies used for assets measured at fair value:
  - ***Mutual funds and money market fund*:** Mutual funds and money market fund are valued at quoted net asset value (NAV) of shares held by the Plan. These securities are categorized as Level 1 as they are actively traded and no valuation adjustments apply.

Audit Adjustments and Uncorrected Misstatements

There were no audit adjustments made to the original trial balance presented to us to begin our audit.

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.

ERISA-Required Supplemental Schedules

We subjected the information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedules, other than the certified investment information, are fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedules are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedules. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Reportable Findings

In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings.

A reportable finding is one or more of the following:

A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations.

A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process.

A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention.

We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to those charged with governance, in writing. We have included reportable findings that resulted in internal control deficiencies below. We have identified the following reportable finding:

We identified the lack of retention of hire documentation as a reportable item. Through participant and eligibility testing, we identified seven instances, in which, proper hire documentation was not retained by the Plan. The lack of retention of hire documentation does not impact the Financial Statements. We note the lack of retention of hire documentation is a deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention.

We identified a late remittance in the testing of the remittance schedule. We note there were deductions withheld from a participant's paycheck, which were not transmitted over to ADP RS from payroll. The matter was identified by AKAM Living Services, Inc. and relayed to ADP. The Company has not posted the participants lost earnings as a result of the late remittances and as such the Company has not fully rectified the matter.

We note the Company failed four of its annual compliance tests. The failed tests include Plan Match Limit, Actual Deferral Percentage Test, Associative Match for Actual Deferral Percentage Test, and Actual Contribution Percentage Test. The Plan took appropriate action to remediate the four failed tests noted above. We note the Plan's corrective actions were posted to ADP on March 3, 2023, and as such the Plan remediated the failed tests in a timely manner.

Consultation With Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Shared Responsibilities: AICPA Independence

The AICPA regularly emphasizes that auditor independence is a **joint responsibility** and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with American Institute of Certified Public Accountants (AICPA) independence rules. For RSM to fulfill its professional responsibility to maintain and monitor independence, management, the Board of Directors and Plan Administrator, and RSM each play an important role.

Our Responsibilities

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. RSM is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement.
- Maintain a system of quality management over compliance with independence rules and firm policies.

Your Responsibilities

- Timely inform RSM, before the effective date of transactions or other business changes, of the following:
  - New affiliates, directors or officers.
  - New beneficial owners of the Plan Sponsor's stock which have significant influence.
  - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.
- Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, engaging in business relationships with RSM.
- Not entering into relationships resulting in close family members of RSM covered persons temporarily or permanently acting as an officer, director or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.

Management Representations

Attached is a copy of the management representation letter.

Closing

We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to continue to be of service to the Plan.

This report is intended solely for the information and use of the Board of Directors and Plan Administrator and is not intended to be, and should not be, used by anyone other than this specified party.

We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.     c. Made you aware, to the best of our knowledge and belief, of any nonaudit services that the Plan or any of our affiliates has engaged RSM US LLP or any of its associated entities to perform.

22. 23. There are no matters that our lawyer has advised us should be considered when preparing the financial statements.

24. We have disclosed to you the identity of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.

25. We have informed you of all of deficiencies in internal control over financial reporting, including significant deficiencies or material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize and report financial data.

26. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.

27. The Plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances or security interests have been properly disclosed.

31. We are aware of the DOL Regulation 29 CFR Section 2510.3-102, which states that contributions withheld from participant wages should be contributed to the Plan as of the earliest date on which such contributions can be reasonably segregated from the employer's general assets, but in no event later than the 15th business day of the month following the month in which they are withheld. We believe the Plan and Plan Sponsor are and have been in compliance with the DOL provisions, including the timely remittance of participant contributions for the year ended December 31, 2022, except as noted on Schedule H, Line 4a. Notwithstanding this, we have modified our accounting system and procedures so that all participant contributions are consistently deposited to the Plan on a timely basis. We believe our procedures for segregating and depositing contributions withheld from participant wages were in compliance with this regulation during the period covered by your audit.
