Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Lantern Community Services, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Lantern Community Services, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Lantern Community Services, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Period Financial Statements

The financial statements of the Lantern Community Services, Inc. 401(k) Profit Sharing Plan and Trust for the year ended December 31, 2021, were audited by Marvin and Company, P.C., who merged with Mengel, Metzger, Barr & Co. LLP as of January 1, 2023, and whose report dated October 17, 2022, stated that:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lantern Community Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lantern Community Services, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lantern Community Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our 2022 audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of, and for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with

GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or was derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

General

The Lantern Community Services, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) was established on January 1, 2006. The Plan is sponsored by Lantern Community Services, Inc. (the Company). The following brief description of the Plan provides general information only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all eligible employees of the Company, who meet certain eligibility requirements defined in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants who have attained the age of twenty-one may contribute pretax and/or post-tax annual compensation, as defined in the plan document, up to the maximum allowed by the Internal Revenue Code. Participants who have reached age fifty before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective January 1, 2017, the Plan was amended to qualify as a Safe Harbor 401(k) Plan. The Company makes safe harbor matching contributions equal to 100% of an employee's elective deferrals up to 4% of their plan compensation.

Participant Accounts

The Plan allows each participant to select the investments in their individual account. Each participant's account is credited with the participant's contribution, the Company's contributions, and allocations of (a) investment earnings and losses and (b) administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan's provisions allow participants to make their own investment elections with the Plan's investment advisors. A participant may direct their contribution and the Company's contributions to any of the Plan's subaccounts under the group annuity contract.

Vesting

Participants have an immediate 100% non-forfeitable interest in the portion of their accounts attributable to both their own voluntary deferrals, employer safe harbor matching contributions, and prior to 2017, employer discretionary matching contributions and the accumulated earnings thereon.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

1. DESCRIPTION OF PLAN

Forfeited Accounts

At December 31, 2022 and 2021, there are no forfeited non-vested accounts since participants are 100% vested in their accounts attributable to their own voluntary deferrals and accumulated earnings and in the Company's matching, both safe harbor and prior to 2017, discretionary contributions and accumulated earnings thereon.

Notes Receivable from Participants

Participants are allowed to borrow from their accounts a minimum amount of at least \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Two notes may be outstanding at any given time. Notes are secured by the balance in the participant's account. Interest is charged at a fixed rate of prime plus 1% at the time the note is originated and is required to be repaid in level payments of principal and interest over a term ranging from one to five years. However, notes used to acquire a principal residence may be paid over a longer period to be determined by the plan sponsor.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. Normal retirement under the Plan is 65 years of age. There is no provision for early retirement. Hardship withdrawals from the vested portion of a participant's account are allowed as defined by the Plan. The Plan also permits in-service distributions after attaining age 59½ from the vested portion of a participant's account.

Termination of the Plan

Although it has not expressed intent to do so, the Company has the right under the plan document to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, each participant's account, not already fully vested, shall become fully vested and non-forfeitable, and the entire account shall be distributed in accordance with the plan document and ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

**LANTERN COMMUNITY SERVICES, INC. 401(k)
PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Investment income recognized by the Plan includes earnings from investments, net gains (losses) realized from sale of investments, and the net changes in the unrealized appreciation (depreciation) of investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recognized by the Plan in the period in which it is earned based on the outstanding principal balance multiplied by the stated interest rate at the date the note receivable originated. Delinquent participant notes receivable from participants are reclassified as distributions based upon terms of the plan document.

Benefits

Payments of benefits are recorded when paid.

3. ADMINISTRATIVE EXPENSES

The Company, at its discretion, may pay certain administrative expenses of the Plan. During the years ended December 31, 2022 and 2021, the Company paid \$12,585 and \$9,285, respectively, in administrative expenses on behalf of the Plan.

4. INCOME TAX STATUS

The Plan has adopted a volume submitter profit sharing plan sponsored by Intac Actuarial Services, Inc. The Internal Revenue Service has determined and informed the prototype sponsor by a letter dated November 30, 2020, that the prototype plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The submitted plan has been amended to comply with recent legislation. The Plan has not filed for its own determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of Section 401(a) of the IRC and, as such, would be exempt from federal income taxes.

**LANTERN COMMUNITY SERVICES, INC. 401(k)
PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

4. INCOME TAX STATUS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require the recording of a liability or disclosure in the financial statements.

5. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Mutual of America Life Insurance Company as the current custodian of the Plan, has certified to the completeness and accuracy of the investments and the notes receivable from participants reflected in the accompanying statements of net assets available for benefits and the supplemental schedule of assets (held at end of year) as of December 31, 2022, and the related investment and notes receivable from participants activity included in the accompanying statement of changes in net assets available for benefits for the year then ended and for the period October 1, 2021 through December 31, 2021.

John Hancock Life Insurance Company of New York, as prior custodian of the Plan, has certified to the completeness and accuracy of the investments and the notes receivable from participants activity reflected in the 2021 statement of changes in net assets available for benefits for the period January 1, 2021 through September 30, 2021.

6. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- * Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- * Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- * Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**LANTERN COMMUNITY SERVICES, INC. 401(k)
PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

6. FAIR VALUE MEASUREMENTS

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2022 and 2021.

Pooled Separate Accounts: The Plan has adopted the provisions of Accounting Standards Update (ASU) 2009 -12, *Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalents)*. ASU 2009 -12 allows for the estimation of fair value of investments in certain investment companies for which the investment does not have a readily determinable value by using net asset value (NAV) per share or its equivalent as a practical expedient. The pooled separate accounts are primarily valued at the closing NAV of the units held by the Plan at year-end based on information provided and certified to by the Plan's custodians.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2022 and 2021, all of the Plan's investments are measured at fair value using NAV as a practical expedient, and thus, are not reported in the fair value hierarchy.

Fair Value Estimated Using Net Asset Value Per Share

The following tables set forth a summary of the Plan's investments with a reported estimated fair value using net asset value per share as of:

<u>December 31, 2022:</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Period Notice</u>
Pooled Separate Accounts	<u>\$ 2,901,049</u>	None	Daily	Daily

7. GROUP ANNUITY CONTRACT - POOLED SEPARATE ACCOUNTS

The Plan entered into a group annuity contract with Mutual of America Life Insurance Company on October 1, 2021, which replaced the group annuity contract the Plan had through September 30, 2021, with John Hancock Life Insurance Company of New York (John Hancock). The underlying investments of both of the contracts are individual pooled separate accounts that invest in a single mutual fund. The contracts do not require a guaranteed rate of return, instead each separate account's return is based on the change in value of the underlying mutual fund adjusted for any management fee and fee credit, as applicable. The unit value of each separate account is calculated by multiplying the number of units held in the separate account by the applicable unit value.

8. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into an investment contract with Mutual of America Life Insurance Company (MOA) on October 1, 2021. MOA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. MOA considers the underlying investments of the general account to be cash equivalents, therefore the contract is included in the financial statements as a cash equivalent. The value of the account represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct withdrawals or transfer all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield was approximately 1.60% for the year ended December 31, 2022 and 1.0% for the three-month period ended December 31, 2021. The crediting interest rate is determined by Mutual of America and is credited daily.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. COVID-19

As a result of the COVID-19 pandemic, in March of 2020 the U.S. Congress signed into law The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). The CARES Act contained a number of optional provisions that Plan Sponsors could adopt from an operational standpoint without formally amending their plan document until December 31, 2022. These provisions included COVID-related distributions up to \$100,000, increased loan amounts of up to the lesser of \$100,000 or 100% of the participant's vested account balance, and the possibility of suspension of loan repayments for up to one year. While these provisions were available to participants of the Plan, none of the provisions were requested by the Plan's participants. Plan management will formally amend the plan document within the timeframe allowed for under the CARES Act.
