Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of National Food NW, LLC Group Vision Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of January 1, 2023 and December 31, 2022 and of benefit obligations (modified cash basis) as of January 1, 2023 and December 31, 2022 and the related statements of changes in net assets available for benefits (modified cash basis) for the period ended January 1, 2023 and the year ended December 31, 2022 and of changes in benefit obligations (modified cash basis) for the period ended January 1, 2023 and the year ended December 31, 2022 and the related notes to the financial statements (2023 and 2022).

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (modified cash basis) as of January 1, 2023 and December 31, 2022 and the benefit obligations (modified cash basis) of National Food NW, LLC Group Vision Benefit Plan as of January 1, 2023 and December 31, 2022, and the changes in its net assets available for benefits (modified cash basis) for the period ended January 1, 2023 and the year ended December 31, 2022 and the changes in benefit obligations (modified cash basis) for the period ended January 1, 2023 and for the year ended December 31, 2022, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of National Food NW, LLC Group Vision Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statement, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of National Food NW, LLC Group Vision Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about National Food NW, LLC Group Vision Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Administrative Committee
National Food NW, LLC Group Vision Benefit Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

NATIONAL FOOD NW, LLC GROUP VISION BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
JANUARY 1, 2023, AND DECEMBER 31, 2022

NOTE 1 DESCRIPTION OF PLAN

The following description of National Food NW, LLC (the Company) Group Vision Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of the Plan's provisions.

General

The Plan was established in January of 2022 to provide self-funded vision benefits to eligible employees of the Company and their families. Full-time employees who work 30 or more hours per week, are eligible to participate in the Plan after 60 days of continuous service. An eligible employee's coverage is effective, subject to timely enrollment, upon the first of the month following completion of a waiting period of 60 days of continuous active employment in an eligible status. The Plan also provides vision benefits to eligible dependents of each participant. As required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), the Plan includes a continuation of coverage option to certain terminated, retired, and totally disabled participants and their covered dependents for a period not to exceed 18 months. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2023, the Company executed a Wrap Plan Document, which added the vision benefits provided under this Plan to the existing National Food NW, LLC Group Health Benefit Plan. All remaining Plan assets were transferred to National Food NW, LLC Group Health Benefit Plan on January 1, 2023.

Benefits

The Plan provides vision benefits to full-time employees of the Company and to their covered dependents. Claims for these benefits are subject to various deductible and co-payment amounts. The Plan provides these benefits on a self-funded basis.

Contributions

The Plan is a self-funded health and welfare plan. The Company makes weekly contributions to the Plan for claims and administrative fees. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

In addition to deductibles and copayments, active participants contribute monthly amounts, determined periodically by the Company's management, to extend coverage to themselves and to their eligible dependents. These contributions are deducted bi-weekly from the employees' wages.

Terminated, retired, and totally disabled participants electing continued coverage contribute monthly amounts as provided by the Plan.

Plan Administrator

A Plan administrator is engaged under a fee-based contract, which is based on the number of participants in the Plan. The contract may be cancelled with thirty days notice by either the Plan administrator or the Plan trustees.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. That basis differs from generally accepted accounting principles in that contributions and expenses are recorded when received or paid rather than when earned or incurred.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the trustees to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein and disclosures in the financial statements. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan's cash balance is held at one financial institution. Accounts at this institution are insured by a government agency up to \$250,000. At times the balance in this account may exceed the insured limit.

Payment of Benefits

Claims paid by the Plan are recorded as claim payments in the accompanying statements of changes in net assets available for benefits (modified cash basis). Benefits are recorded when paid. No refunds of amounts accrued from the third-party administrator for adjustments, denied claims, and other disallowable claims included in payments for vision claims for the period ended January 1, 2023 and year ended December 31, 2022.

Administrative Expenses

All administrative expenses are paid out of the Plan unless paid by the Company. During the period ended January 1, 2023, and year ended December 31, 2022, the Plan paid for substantially all administrative expenses, which consisted of administrative fees paid to third-party administrators.

Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from Washington or federal income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan administrator believes the Plan does not have any net taxable income for period ended January 1, 2023, and year ended December 31, 2022.

Subsequent Events

The Plan has evaluated subsequent events through March 15, 2024, the date the financial statements were available to be issued.

NOTE 3 FUTURE BENEFIT OBLIGATIONS

The Plan administrator estimated that future benefit obligations for active participants' existing health conditions covered by the Plan amounted to \$0 and \$57 for the period ended January 1, 2023 and year ended December 31, 2022. This amount was estimated by the Plan's third-party administrator using claims trends and actual lag patterns of the Plan. These amounts are paid by the Plan only if claims are submitted and approved for payment. There have been no changes in the methodology used during the period ended January 1, 2023, and year ended December 31, 2022.

NOTE 4 TAX STATUS

The Plan administrator believes that the Plan is operating in conformity with the Internal Revenue Code and ERISA. The Trust is a taxable trust, subject to federal income taxes. For the period ended January 1, 2023, and year ended December 31, 2022, there was no federal income tax expense.

In accordance with the modified cash basis of accounting, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS).

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of January 1, 2023 and December 31, 2022, there is no uncertain tax position taken or expected to be taken that would require recognition of a liability (asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, they are currently no audits for any tax periods in progress.

NOTE 5 PLAN TERMINATION

The Company has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants. See Note 2.
