INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
Employee Benefit Plan of Tri-County Community Action, Inc..
Center, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Employee Benefit Plan of Tri-County Community Action, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Employee Benefit Plan of Tri-County Community Action, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Employee Benefit Plan of Tri-County Community Action, Inc.. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Tri-County Community Action, Inc.'s Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually or in the aggregate they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standard, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Employee Benefit Plan of Tri-County Community Action, Inc.'s 401(k) Plan internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Tri-County Community Action, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 Schedule H, Line 4i – Schedule of Assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 1023(a)(3)(C)/

NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2022

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Employee Benefit Plan (the "Plan") of Tri-County Community Action, Inc. (the "Company") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – Effective September 1, 2001, the Company elected to begin the above-mentioned Plan. The Plan is a defined contribution plan covering all of the Company's employees age 21 and older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Participants may elect to contribute a percentage of their compensation, as defined in the Plan, or a specific dollar amount. Participants may also contribute amounts representing distributions from other types of retirement plans (rollovers) subject to special rules. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company matches 100% of the Participant's compensation deferral contributions, up to a maximum of 4% of compensation, as defined, for participants who complete one year of service, as defined in the Plan's provisions. Contributions are subject to certain limitations.

Participant Accounts – Each participant's account is credited with the participant's contribution, the Company's contribution, plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of participation in the Plan. Vesting provisions in the plan are summarized as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six years or more	100%

Investment Options – Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts as well as the general account of Mutual of America Life Insurance Company (the "Custodian") as investment options for participants. Participants may transfer some or all of the balances out of any account into one or any combination of the other accounts. Participants may change their election options at any time during the year.

Participant Notes Receivable – Participants may borrow a minimum of \$1,000 up to a maximum equal to 50 percent of their nonforfeitable account balance from their fund accounts up to \$50,000. Loan terms extend to a maximum of 10 years. The loans are secured by the vested balance in the participant's account and bear interest at the then commercial rate for loans of a similar type. Principal and interest is paid ratably through biweekly payroll deductions.

NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2022

NOTE 1: DESCRIPTION OF THE PLAN - CONTINUED

Payment of Benefits – On termination of service due to death, disability or retirement, a participant will receive an amount equal to the value of the participant's vested interest in his or her account. Distributions will be either in a lump sum or in the form of an annuity.

Forfeited Accounts – If a participant terminates service prior to becoming fully vested, the unvested portion of employer contributions and earnings is forfeited. The forfeited amount will be utilized by the Plan to offer employer contributions. There were \$434 forfeitures incurred and \$434 applied in 2022. Forfeiture balance is \$0 at December 31, 2022.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual method of accounting in all material respects.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the custodians. See Note 3 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation/depreciation in the fair value of the investments indicates the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the accrual basis; however, accrued but unpaid interest is not considered significant for accrual. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 3: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels as follows:

Level 1 – Quoted prices in active markets for identical assets.

Level 2 – Other significant observable inputs either directly or indirectly (including quoted prices for similar securities, interest rates, yield curves, credit risk, etc.).

Level 3 – Significant unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- Pooled Separate Account Funds – Investments consist solely of investments in mutual funds registered with the Securities and Exchange Commission and are carried at the net asset value at which the mutual fund shares are actively traded.

The following table represents the Plan's investments reported at fair value in the accompanying statement of net assets available for benefits at December 31, 2022 and 2021.

<u>Fair Value Measurement at December 31, 2022</u>				
<u>Description of Asset</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2022

NOTE 4: FULLY BENEFIT – RESPONSIVE INVESTMENT CONTRACT

The investment in the Mutual of America Interest Accumulation Fund meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Custodian, represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. This contract is considered a traditional investment contract in which the Plan owns the contract and not the underlying assets. Contract value of this investment was \$216,622 and \$181,776 at December 31, 2022 and 2021 respectively.

The investment contract held by the Plan is a deposit administration account. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and, as promulgated by the National Association of Insurance Commissioner (NAIC), may not fall below 1%. The crediting rate is reviewed on a monthly basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the issuer's ability to meet its financial obligations which may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

- a) The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
- b) Premature termination of the contracts.
- c) Plan termination or merger.
- d) Changes to the Plan's prohibition on competing investment options.
- e) Bankruptcy of the Plan sponsor or other Plan sponsor events that significantly affect the Plan's normal operations.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Example of such events include the following:

- a) An uncured violation of the Plan's investment guidelines.
- b) A breach of material obligation under the contract.
- c) A material misrepresentation.
- d) A material amendment to the agreements without the consent of the issuer.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

For the Year Ended December 31, 2022

NOTE 5: PLAN ADMINISTRATION

Certain administrative costs are paid for by the Plan sponsor and not reimbursed by the Plan. These include employee and other overhead expenses.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7: INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

As of December 31, 2022 and 2021, Mutual of America Life Insurance Company was the custodian of the Plan's assets. Financial information relating to the Plan's assets is included in the accompanying financial statements based on information provided by the Custodian. Total investment assets as well as all related income (net appreciation in fair value of investments and interest and dividends) of the Plan were certified as complete and accurate by the Custodian.

The following information included in the accompanying financial statements and Supplemental Schedule H, Part IV, Line 4i is certified by the Custodian as complete and accurate.

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Investments	<u>\$ 1,685,164</u>	<u>\$ 1,813,692</u>
	<u>For the Year Ended</u>	
	<u>December 31, 2022</u>	
Net depreciation in fair value of investments	<u>\$ 495,988</u>	
Interest and dividends	<u>\$ 489</u>	

NOTE 8: TAX STATUS

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirement of the Internal Revenue Code of 1986, as amended (the "Code"). The plan has not requested a new determination letter since March 2008. The Plan has been amended since the receipt of the determination letter. However, the Plan Administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Code. Therefore, the Plan Administrator believes the Plan was qualified and the related trust was tax-exempt as of December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2022

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10: PARTY-IN-INTEREST

The Plan invests in the general and a separate account managed by Mutual of America. Mutual of America is the insurer of the Plan's investment assets. As such, transactions related to these investments qualify as party-in-interest transactions.

The Plan also allows for loans to participants, as described in Note 1, which qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 11: SUBSEQUENT EVENTS

Subsequent events have been evaluated through January 26, 2024, which is the date the financial statements were available to be issued. Management has concluded that no additional material subsequent events have occurred through this date that requires recognition or disclosure in the financial statements.
