INDEPENDENT AUDITORS' REPORT

(WITH SUPPLEMENTAL INFORMATION)

INDEPENDENT AUDITORS' REPORT

To the Plan Trustees of
the South Texas Auto Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of South Texas Auto Group Employees' 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of South Texas Auto Group Employees' 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of South Texas Auto Group Employees' 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about South Texas Auto Group Employees' 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of South Texas Auto Group Employees' 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about South Texas Auto Group Employees' 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

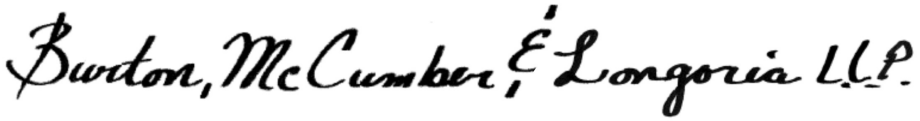

Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, the Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SOUTH TEXAS AUTO GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the South Texas Auto Group Employees' 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement and Plan amendments for a more comprehensive description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of South Texas Auto Group ("Company"), who have completed at least one year of service and are 21 years old. Eligible employees may enter the Plan on the first day of the first and seventh month of the Plan year. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Participants may contribute up to the maximum allowed by law ($20,500 in 2022), as defined by the Plan. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the "Code") as defined in the Plan Documents. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained the age of 50 before the close of the year may make catch-up contributions in the amount of $6,500 in accordance with, and subject to, the limitations imposed by the Code.

The Company makes a discretionary contribution for each of its employees on a weekly basis without annual true up provisions at the end of the year. Contributions are subject to certain limitations. The total employer discretionary matching contributions for the year ended December 31, 2022 totaled $187,135.

3. Participant Accounts

Each participant's account is credited with (a) the participant's contributions and an allocation of (b) the employer's discretionary and (c) Plan earnings (losses) and charged with distributions and an allocation of administrative expenses, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Forfeitures are used to reduce employer contributions.

4. Notes Receivable from Participants

Notes receivable from participants are recorded at amortized cost. Participants are permitted to borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. A maximum of 2 loans per participant are permitted at any given time. The notes receivable are secured by the balance of the participant's account and bear interest at reasonable rates defined as Wall Street Journal Prime rate. The principal and interest is paid ratably over 5 years, or longer for the purchase of a primary residence, through regularly scheduled payroll deductions.

NOTE A - DESCRIPTION OF PLAN – Continued

5. Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals into any of the Plan's investment options.

6. Vesting

Participants are immediately vested in their voluntary deferral contributions plus actual earnings thereon. Vesting in the Company's employer contribution portion of accounts, plus actual earnings thereon are as follows:

Years of Service	Vested Percentage Employer Match
1 yr	0%
2 yrs	20%
3 yrs	40%
4 yrs	60%
5 yrs	80%
6 yrs	100%

7. Payment of Benefits and Distributions

Normal retirement age is when a participant attains their 65th birthday. An early retirement age is not applicable under the plan.

Distributions upon death of the participant prior to receiving any benefits shall be made pursuant to the election of the participant or beneficiary. Distributions upon termination of employment may be made immediately at the participant's election. Distributions may be made in cash or property in the form of lump sums or installments.

Hardship distributions are available in the case of immediate and heavy financial needs from any participant deferral accounts which are 100% vested.

8. Administrative Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with the Plan's provisions, the Plan pays costs relating to asset charges, recordkeeping and audit. Participants pay certain investment administrative expenses through their account balances. Expenses paid directly by participants totaled $25,113 for the year ended December 31, 2022. Administrative expenses paid directly by the Company totaled $4,525 for the year ended December 31, 2022.

NOTE A - DESCRIPTION OF PLAN – Continued

9. Forfeitures

For any plan year, forfeitures can be used to reduce the Company's discretionary match contributions for the plan year in which such forfeitures occur. The table below sets forth the summary of changes in the unallocated forfeiture balances as of December 31, 2022:

Balance, beginning of year	$	2,361
Transfers		6,991
Administrative expenses	(	7,465)
Investment earnings allocation	(	335)
Balance, end of year	$	1,552

10. Top-heavy Status

A "top-heavy" plan benefits "key-employees" such as certain owners or officers. A plan will reach "top-heavy" status when 60% of the contributions or benefits have been allocated to these key-employees. In the event that the Plan becomes "top-heavy", the employer will be required to contribute a minimum allocation to each "non-key participant" to provide them with at least "top-heavy minimum benefits". The Plan was not "top-heavy" at December 31, 2022.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

1. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

2. Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value and are subject to market or credit risks customarily associated with equity investments.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

3. Payments of Benefits

Benefits are recorded when paid except when corrective distributions are accrued as payable.

NOTE B - SUMMARY OF ACCOUNTING POLICIES – Continued

4. Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires the Plan administrators to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

5. Contributions

Contributions from the Corporation and participants are accrued as they become obligations of the Corporation, as determined by the Plan's administrator, and in the period in which they are deducted from payroll, in accordance with salary deferral arrangements. Included in 2022 contributions are 2021 employer contributions of $2,551 and 2021 participant deferrals of $5,842 due to the fact that the Plan's 2021 Form 5500 is presented on a cash basis and accrual basis for 2022. The conversion from cash to accrual basis financial reporting resulted in this one-time adjustment to contributions in the current year.

6. Fair Value Measurements

The Plan follows FASB ASC Topic No. 820, *Fair Value Measurements and Disclosures*, for financial assets and financial liabilities. ASC Topic No. 820 defined fair value, establishes a framework for measuring fair value in generally accepted accounting principles, and expands disclosure about fair value measurements. ASC Topic 820 applies to all financial instruments that are being measured and reported on a fair value basis. ASC Topic No. 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

ASC Topic 820 also establishes a fair value hierarchy that prioritizes the inputs used in the valuation methodologies into the following three levels:

• Level 1 Inputs – Unadjusted quoted prices in active markets for identical assets or liabilities.

• Level 2 Inputs – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

• Level 3 Inputs – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or other valuation techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

NOTE B - SUMMARY OF ACCOUNTING POLICIES – Continued

Investments at fair value and net asset value are as follows:

	Fair Value Measurements at December 31, 2022			
	Assets/Liabilities Measured at Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)

NOTE C - PLAN TERMINATION

The Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. The Corporation does not intend to terminate the Plan.

NOTE D – INVESTMENTS CERTIFIED BY TRUSTEE

The Plan's investment assets are primarily invested in mutual funds held in trust by Ascensus Trust Company. The following information has been prepared and certified to as complete and accurate by Ascensus Trust Company at December 31, 2022:

NOTE E - TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification.

The Corporation believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The Plan's management evaluates tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax position taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any period in progress.

NOTE F - TERMINATED PARTICIPANTS

The vested amount due to terminated participants totaled $119,771 at December 31, 2022.

NOTE G – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The United States and global markets experienced significant fluctuation in value resulting from uncertainty caused by the world-wide COVID-19 pandemic and now the effects of the turmoil with Russia and Ukraine. The ultimate impact of these events on the Corporation's operations, if any, cannot be reasonably determined.

NOTE H - SUBSEQUENT EVENTS

All subsequent events requiring recognition as of January 12, 2024 have been incorporated into these financial statements herein.
