INDEPENDENT AUDITOR'S REPORT

To the Administrators of the
Dippin' Dots, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Dippin' Dots, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 1, 2023 (liquidated) and December 31, 2022, and the related statement of changes in net assets available for benefits for the period ended June 1, 2023 (liquidated), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Ascensus Trust Company as of June 1, 2023 and December 31, 2022, and for the period ended June 1, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination

As further discussed in Note 5 to the financial statements, the Plan was approved for termination on December 31, 2022 and management proceeded with liquidation effective June 1, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – PLAN DESCRIPTION

The following brief description of the Dippin' Dots, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan adopted under the provision of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of Dippin' Dots, LLC (the Company). The Plan was established effective November 15, 1996, and covers substantially all employees of the Company who have completed three months and 250 hours of service and have attained twenty-one years of age. If the employee does not meet this eligibility criteria the employee will be considered eligible after one year and 1,000 hours of service. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Salary deferral contributions may be made by participating employees up to 100% of the participant's eligible compensation as defined by the Plan limited by maximum elective deferrals under Section 402(g) of the IRC and total annual additions under Section 415 of the IRC. The Company match is discretionary and for the plan year ended December 31, 2022, it was a maximum of 5%. If the participant's contribution is less than the maximum contributed Company match, the Company match shall equate to that lesser percentage. The Plan froze on December 31, 2022 and no contributions were allowed for the period ended June 1, 2023 (See Note 5).

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Through the year ended December 31, 2022, vesting in the employer matching contributions and earnings thereon was based on years of continuous service. A participant vested according to the following schedule:

Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six years	100%

On December 31, 2022, the Company amended the Plan in correlation with the Plan termination to allow 100% vesting in employer matching contributions and earnings immediately.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of plan earnings. All allocations are based on participant account balances or current contributions as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTE 1 – PLAN DESCRIPTION (Continued)

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or fifty percent of their vested account balance, whichever is less. Participants were not allowed to have more than one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at prime plus one percentage point. Principal and interest are paid ratably through bi-weekly payroll deductions or directly paid by the participant.

Payment of Benefits

Through June 1, 2023, upon retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may request a lump-sum distribution equal to the participant's vested account balance. The plan administrator would distribute vested account balances of amounts less than \$5,000. Amounts greater than \$1,000 were subject to automatic rollover unless a lump sum distribution was requested by the participant.

In-service distributions to participants after age 59½ were allowed, as well as hardship distributions, provided that certain criteria are met.

Forfeited Accounts

Forfeitures may be used to pay plan expenses. Forfeitures in the amount of \$0 and \$3,332 were applied to plan expenses in 2023 and 2022, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using accounting principles generally accepted in the United States of America (GAAP).

Cash and Cash Equivalents

Cash and cash equivalents include cash and short-term investments with original maturities of three months or less when purchased. Carrying value approximates fair value due to the short-term maturity of the investments.

Concentration of Credit Risk

The Plan maintained cash in a money market account. Each individual participant account was insured by the Federal Deposit Insurance Corporation up to \$250,000.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and changes therein, and disclosure of contingent assets. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Recognition

The market value of the investment assets was furnished to the plan administrator by the trustee of the Plan. Market values are based on the quoted market price of the investment. Shares of mutual funds and common/collective trusts are valued at the net asset value of shares held by the Plan at year end. Participant loans are valued at amortized cost, which represents fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded on the date on which they are received.

Net Appreciation (Depreciation) in Fair Value of Investments

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying Statement of Changes in Net Assets Available for Benefits.

Payment of Benefits

Benefits were recorded when paid.

Date of Management's Review

Subsequent events have been evaluated through February 16, 2024, the date the financial statements were available to be issued.

New Accounting Pronouncements

From time to time, new accounting pronouncements are issued by the Financial Accounting Standards Board (FASB) or other standards setting bodies that the Company adopts as of the specified effective date. Unless otherwise discussed, management believes the impact of any other recently issued standards that are not yet effective are either not applicable at this time or will not have a material impact on the financial statements upon adoption.

NOTE 3 – FAIR VALUE MEASUREMENTS

Fair Value Measurement establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB Codification guidance are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include: quoted prices in active and inactive markets, observable inputs other than quoted prices and other inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 1, 2023.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.

Common/collective trusts: Valued at the respective net asset values as reported by such trusts/funds, which are reported at fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 1, 2023 and December 31, 2022, respectively, for financial assets measured at fair value on a recurring basis:

	Fair Value Measurements:			Total
	Level 1	Level 2	Level 3

Mutual funds	\$ -	\$ -	\$ -	\$ -
Common/collective trusts	-	-	-	-

Common/collective trusts	-	4,787,306	-	4,787,306
Total	<u>\$ 4,803,192</u>	<u>\$ 4,787,306</u>	<u>\$ -</u>	<u>\$ 9,590,498</u>

NOTE 4 – TAX STATUS

The Plan was adopted under a Prototype Non-standardized Profit Sharing Plan that obtained an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. The opinion letter states that the form of the Plan is acceptable under section 401 of the IRC. No separate determination letter has been obtained by the Plan as it is no longer required by the IRS for plans that adopt under Prototype Non-standardized plans.

Although the Plan has been amended, the plan administrator and the Plan's tax counsel believe that the Plan was designed, and was operated, in compliance with the applicable requirements of the IRC, therefore, believe that the Plan was qualified, and the related trust was tax-exempt.

June 1, 2023 and December 31, 2022

NOTE 5 – PLAN TERMINATION

The Company had the right under the Plan to terminate the Plan subject to the provisions of ERISA. On June 21, 2022, Dippin' Dots, LLC was sold to J&J Snack Foods Corp. Acquired employees of Dippin' Dots, LLC in the transaction and new hires employed by Dippin' Dots, LLC were eligible to participate in the J&J Snack Foods Corp. 401(k) Profit Sharing Plan (J&J Plan) effective January 1, 2023. The Plan froze on December 31, 2022 and eligible employees were allowed to participate in the J&J Plan. The Plan terminated June 1, 2023, the date the plan assets transferred to the J&J Plan.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 7 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Plan management has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.
