INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Lincotek US 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lincotek US 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of January 5, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period January 1 to January 5, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Lincotek US 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from Voya Institutional Trust Company as of January 5, 2022 and December 31, 2021, and for the period January 1 to January 5, 2022, stating that the certified investment information, as described in the Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lincotek US 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

(Cont.)

Responsibilities of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lincotek US 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Cont.)

Auditor's Responsibility for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lincotek US 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lincotek US 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

LINCOTEK US 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

JANUARY 5, 2022 AND DECEMBER 31, 2021

A. DESCRIPTION OF THE PLAN

The following description of the Lincotek US ("the Company") 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

On November 22, 2021, the sole manager of Lincotek Medical LLC approved the merger of the Plan into the Turbocoating Corp. 401(k) Plan, effective December 31, 2021. As a result, all assets were transferred from the Plan into the Turbocoating Corp. 401(k) Plan on January 4, 2022. The Turbocoating Corp. 401(k) Plan assumed the name Lincotek US 401(k) Plan for the 2022 plan year.

1. General

The Plan is a defined contribution plan covering all employees of the Company who have completed thirty days of service and have reached the age of 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The benefits under this plan are not insured by the Pension Benefit Guaranty Corporation.

The Plan investments are administered and held in trust by the Plan's trustee, Voya Institutional Trust Company. Voya Retirement Insurance and Annuity Company is the recordkeeper of the Plan.

2. Contributions

a. Each participant may contribute through payroll deferral not less than 1% of earnings and not more than 80% of pre-tax annual earnings subject to the Internal Revenue Code ("IRC") Rules and Regulations. Unless a participant makes an affirmative election, the employer will withhold an automatic deferral amount of 3% of compensation for each payroll period. The Plan includes an auto-increase provision whereby all participants with a deferral rate below 6% will have their deferral rate increased by 1% annually on the first day of each Plan Year.

b. The Company has elected to make a safe harbor matching contribution to the Plan in an amount equal to 100% on the first 6% (may not be less than 3%) of the participant's compensation during the Plan year.

c. A participant or an employee, who has not satisfied the age or service eligibility requirements, may transfer funds in from other qualified plans. The transferred amount shall be invested and administered as a part of the trust fund and this transfer is 100% vested as defined in the Plan document. The Plan may accept such "rollovers" provided the "rollover" will not jeopardize the tax-exempt status of the Plan or create adverse tax consequences for the Company.

LINCOTEK US 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

JANUARY 5, 2022 AND DECEMBER 31, 2021

A. DESCRIPTION OF THE PLAN (CONT.)

2. Contributions (cont.)

d. A participant who is projected to reach age fifty (50) before the close of a taxable year will be permitted to make a catch-up contribution at any time during that Plan year. Catch-up contributions are contributions that exceed either the statutory limit as defined by the IRC Rules and Regulations, or the limit as defined by the Plan or any restrictions on contributions for certain highly paid employees. The limit on catch-up contributions for the year 2022 was \$6,500 per individual.

3. Participant accounts

Each participant's account is credited with his/her contributions and the Plan earnings (losses), and charged with an allocation of administrative expenses during the Plan year. Each participant will have full responsibility for the investment results of his/her investment choices as offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All significant costs of plan administration are being absorbed by the employer.

Investment options consist of mutual funds and common/collective trusts.

4. Vesting

A participant is immediately 100% vested in his or her own deferral and rollover contributions as well as in his or her nonelective profit sharing contributions and all employer matching contributions.

5. Payment of benefits

A participant may elect to receive the full amount of his or her vested account balance in the event of normal retirement at age 65, termination of service, death or disability. In-service withdrawals are permitted at the request of a participant after the age of 59-1/2. All distributions of benefits under this plan shall be made by the company holding the investments in accordance with the terms and conditions set forth in the group contract. Hardship withdrawals are also permitted, as defined in the Plan document.

Benefits will be distributed by a single lump-sum payment, or any other optional form of distribution available under the Plan. Distributions shall be made as soon as reasonably practicable following a distribution request. Participant consent is required only for distributions over \$5,000, the cash-out limit.

LINCOTEK US 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

JANUARY 5, 2022 AND DECEMBER 31, 2021

A. DESCRIPTION OF THE PLAN (CONT.)

6. Loans and withdrawals

A participant may elect to receive a loan in an amount that may not exceed the lesser of \$50,000 or one-half of the participant's vested account. All loans bear a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rate charged by persons in the business of lending money. Each loan amount (principal and interest) must be completely paid within five (5) years with the exception of loans used for the purchase of a principal residence. Loan repayments and interest are deducted ratably from the participant's compensation in each payroll period.

A participant may elect to withdraw from his or her account by demonstrating an immediate and heavy financial hardship and that the money can not be obtained from any other source. Immediate and heavy financial hardships are: post-secondary tuition payments for the education of the participant and immediate family members; the purchase of a principal residence; non-elective medical expenses; funeral or burial expenses; repair expense to a principal residence that would qualify as a casualty loss deduction, and payments to prevent the eviction of the participant from a principal residence.

A participant may elect to receive a loan in a minimum amount of \$1,000 and may only have two loans outstanding at any time.

7. Forfeiture accounts

The portion of a participant's account balance that is not vested upon termination of employment will be forfeited. Any forfeitures will be applied first to reduce employer's contributions at the end of the plan year. Any remaining balance of forfeitures will be applied to pay Plan expenses.

At January 5, 2022 and December 31, 2021, forfeited non-vested accounts totaled \$0 and \$1, respectively, and were included in the investments at fair market value and reflected in the statement of net assets available for benefits. If forfeited credits were excluded from the investments, the total net assets available for benefits would be \$0 and \$25,838,494 at January 5, 2022 and December 31, 2021, respectively.

LINCOTEK US 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

JANUARY 5, 2022 AND DECEMBER 31, 2021

B. SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of January 5, 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

LINCOTEK US 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

JANUARY 5, 2022 AND DECEMBER 31, 2021

B. SUMMARY OF ACCOUNTING POLICIES

Payment of benefits

Benefits are recorded when paid.

Date of management's review

Subsequent events were evaluated through March 15, 2024, which is the date the financial statements were available to be issued.

C. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement hierarchy established under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 prioritizes the inputs to valuation techniques. This hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority,
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the assets and liabilities; and inputs that are derived principally from or corroborated by observable market data by correlation or other means, and
- Level 3 inputs are unobservable and have the lowest priority.

LINCOTEK US 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

JANUARY 5, 2022 AND DECEMBER 31, 2021

C. FAIR VALUE MEASUREMENTS (CONT.)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 and 2 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at January 5, 2022 and December 31, 2021.

Level 1 Fair Value Measurements

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 Fair Value Measurements

Common/Collective Trust - The common/collective investment trusts are valued using a comparative performance benchmark index and a universe of investment funds which primarily invest in the same investment category according to independent mutual fund database providers.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of January 5, 2022 and December 31, 2021:

	<u>Fair value</u>	<u>Fair value measurements using:</u>	
		<u>Quoted prices in active markets for identical assets (Level 1)</u>	<u>Other observable inputs (Level 2)</u>

D. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee as of and for the years ended January 5, 2022 and December 31, 2021:

	<u>2022</u>	<u>2021</u>
Total investments at fair value and participant notes	\$ <u> </u>	\$ <u>25,838,495</u>
<u>Investment income for the year:</u>

Total investment (loss) income	\$ <u>(46,974)</u>	\$ <u>3,372,888</u>

E. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

F. TAX STATUS

The Internal Revenue Service has informed the Company by a letter dated September 1, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

LINCOTEK US 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

JANUARY 5, 2022 AND DECEMBER 31, 2021

G. PARTY-IN-INTEREST TRANSACTIONS

The Plan engages Voya Institutional Trust Company as the Plan's trustee and accordingly invests in funds managed by them. Transactions in such investments qualify as party-in-interest transactions, however, they are exempt from the prohibited transaction rules under ERISA.

The Plan engages Voya Retirement Insurance and Annuity Company as the Plan's recordkeeper.

The Plan issues loans to participants that are secured by participants' account balances. These transactions qualify as party-in-interest transactions, however, they are exempt from the prohibited transaction rules under ERISA.

The Company pays for most of the expenses incurred in the administration of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the IRC and ERISA rules on prohibited transactions.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

I. PLAN MERGER

On January 4, 2022, the Lincotek US 401(k) Plan was merged into the Turbocoating Corp. 401(k) Plan. Prior to the merger, the plan covered eligible employees at Lincotek Medical LLC. The transferred net assets have been recognized in the accounts of the Plan as of January 5, 2022, at their balances previously carried in the accounts of the the merged plan. The changes in net assets of the combined plan were included in the accompanying statement of net assets available for benefits as of January 5, 2022. A summary of the assets transferred are as follows:

Investments, at fair value	\$	26,359,579
Notes receivable from participants		<u>568,058</u>
Assets transferred	\$	<u><u>25,791,521</u></u>
