Notes to Financial Statements

December 31, 2018 and 2017

1. Summary of Significant Plan Provisions

The following description of the Center Fresh Group 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- a. **General** – The Plan is a defined contribution plan for the benefit of employees of Center Fresh Egg Farm, LLP and affiliated companies (the “Employer”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.
- b. **Eligibility** – Each employee, who is not a member of a collective bargaining unit or nonresident alien, shall be eligible to participate in the Plan provided that the employee has completed a year of service during which 1,000 hours are accrued and the employee has attained age 21. Plan entry dates are January 1, April 1, July 1 and October 1.
- c. **Contributions** – Participants may contribute through payroll deductions and eligible rollover contributions. Contributions made through payroll deductions can be made in an amount up to the maximum amount allowed by the Internal Revenue Code (“IRC”). The Employer will make a safe harbor matching contribution equal to 100% of a participant’s contribution up to 3% of the participant’s compensation, plus 50% of a participant’s contribution that exceeds 3% of the participant’s eligible compensation up to 5% of the participant’s eligible compensation. The Employer may also make additional discretionary contributions to the Plan. No such discretionary contributions were made during the year ended December 31, 2018.
- d. **Participant accounts** – Each participant’s account is credited with the participant’s contributions and allocations of (a) any Employer contributions and (b) Plan earnings/losses and is reduced by any withdrawals. Allocations are based on participant earnings, contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- e. **Vesting** – Participants are, at all times, fully vested with respect to their own contributions and the Employer safe harbor matching contributions, plus earnings/loss thereon. All benefits attributable to a participant shall be fully vested if they reach normal retirement age, become totally disabled, or upon death. If a participant terminates employment for any reason other than those previously mentioned, they are entitled to a vested percentage of discretionary Employer contributions and earnings/losses thereon.

Notes to Financial Statements

December 31, 2018 and 2017

1. Summary of Significant Plan Provisions (cont.)

This vested percentage is determined as follows:

<u>Years of Service</u>	<u>Percentage of Account Vested</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or greater	100%

- f. **Investment options** – Upon enrollment in the Plan, a participant may direct contributions into any of the investments offered by the Plan. Participants may change their investment selections at any time.
- g. **Forfeitures** – The portion of a participant's account to which they are not entitled upon termination of participation is deemed a forfeiture. Forfeitures are used to pay plan expenses or to reduce Employer contributions for the Plan year in which the forfeiture occurs and are allocated in the same manner as the contributions they reduce. Approximately \$15,100 in forfeitures were used to pay administrative expenses during the year ended December 31, 2018. Forfeitures available for future use amounted to approximately \$19,100 and \$7,100 as of December 31, 2018 and 2017, respectively.
- h. **Notes receivables from participants** – Participant loans are not offered by the Plan. However, participants of the Trillium Farm Holdings, LLC 401(k) Plan could borrow from their vested account balances. The outstanding notes receivable balances were transferred to the Plan during the merger. The notes are secured by the participants' account balances and bear interest at rates commensurate with local prevailing borrowing rates, as determined by the Plan administrator. Principal and interest are paid through payroll deductions.
- i. **Payment of benefits** – Upon separation of service due to death, disability, retirement or termination, the vested portion of the participant's account will be paid in a lump sum as soon as administratively feasible following the date on which a distribution is requested or is otherwise payable. Participants, upon termination of employment, may also elect to defer payment on their account balance if it exceeds \$5,000. If a terminated participant's account balance is equal to or less than \$5,000, the account will be automatically distributed. In-service withdrawals are available to participants who attain age 59½ or who meet certain hardship requirements.
- j. **Termination of the Plan** – Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Notes to Financial Statements

December 31, 2018 and 2017

2. Summary of Significant Accounting Policies

- a. **Basis of accounting** – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.
- b. **Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.
- c. **Investment valuation and income recognition** – Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value as disclosed in Note 3. See Note 5 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Net change in value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

- d. **Payment of benefits** – Benefits are recorded when paid.
- e. **Administrative expenses** – Administrative expenses are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Distribution fees are charged directly to the participant's account.

3. Fully Benefit-Responsive Investment Contracts

The Plan has entered into a fully benefit-responsive guaranteed investment contract ("GIC") with United of Omaha Life Insurance Company ("United of Omaha"). United of Omaha maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. United of Omaha is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by United of Omaha, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion of, their investment at contract value.

There are no reserves against the contract value for credit risk of United of Omaha or otherwise. The contract guarantees a periodic minimum rate of interest declared monthly. The interest rate is guaranteed to be not less than zero.

Notes to Financial Statements

December 31, 2018 and 2017

3. **Fully Benefit-Responsive Investment Contracts (cont.)**

Certain events limit the ability of the Plan to transact at contract with the issuer. Such events include termination of the contract or termination of the Plan. The Plan's management does not believe the occurrence of any such event, which could limit the Plan's ability to transact at contract value with participants, is probable.

The following represents the contract value of the GIC held by the Plan at December 31, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Traditional investment contracts	\$ <u>173,784</u>	\$ <u>77,691</u>

4. **Investments**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by United of Omaha, the custodian of the Plan, and was not subjected to any audit procedures, except for comparing the information with the related information included in the financial statements and supplemental schedules:

- a. Total investments as shown in the accompanying statement of net assets available for benefits of \$6,304,993 and \$5,952,225 as of December 31, 2018 and 2017, respectively.
- b. Interest as shown in the accompanying statement of changes in net assets available for benefits of \$889 (excluding \$205 in interest from notes receivable from participants) for the year ended December 31, 2018.
- c. Net change in value of investments as shown in the accompanying statement of changes in net assets available for benefits of \$(475,944) for the year ended December 31, 2018.
- d. All investment transactions that occurred during the Plan year ended December 31, 2018.
- e. All of the information included in the supplemental schedules, excluding participant loans.

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risk. Further, due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Notes to Financial Statements**December 31, 2018 and 2017****5. Fair Value Measurements**

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2018 or 2017.

Pooled separate accounts: These investments are valued based on the net asset value (“NAV”) of the pooled separate account multiplied by the number of shares held by the Plan at year-end. The NAV is determined based on the fair value of the underlying investments, adjusted for expenses. The NAV is used as a practical expedient to estimate fair value.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is based on the NAV practical expedient:

	<u>Fair Value as of December 31,</u>		<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>
	<u>2018</u>	<u>2017</u>			
			<u>Commitments</u>	<u>Frequency</u>	<u>Notice Period</u>
Pooled separate accounts	\$ 6,131,209	\$ 5,874,534	N/A	Daily	None

6. Tax Status

The Internal Revenue Service (“IRS”) has determined and informed the Employer by a letter dated March 31, 2014 that the volume submitter plan document (the “Plan document”) is designed in accordance with applicable sections of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter issued on the Plan document for its own qualification. The Plan document has been amended since receiving the opinion letter; however, the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements**December 31, 2018 and 2017****7. Parties-in-Interest Transactions**

As of December 31, 2018 and 2017, the Plan had \$6,304,993 and \$5,952,225, respectively, invested in United of Omaha pooled separate accounts and a guaranteed investment contract. During the year ended December 31, 2018, the Plan paid United of Omaha \$15,055 for their services. Inasmuch as United of Omaha serves as custodian of the Plan, they are by definition a party-in-interest. As a result, these investments and all the transactions related to these investments were with a party-in-interest. Pension Administrators, L.L.C. ("Pension Administrators") serves as third party administrator of the Plan. Fees paid by the Plan to Pension Administrators for their services totaled \$2,025 for the year ended December 31, 2018. Inasmuch as Pension Administrators serves as third party administrator of the Plan, they are by definition a party-in-interest. The Plan also held notes receivable from participants. As a result, these notes receivable and all related transactions were with parties-in-interest. All of these transactions are exempt from being prohibited transactions under ERISA.

8. Subsequent Events

Effective January 1, 2019, the Plan changed names to Versova Management Company, LLC 401(k) Plan.

Effective January 1, 2019, each employee, who is not a member of a collective bargaining unit or nonresident alien, shall be eligible to participate in the Plan provided that the employee has completed three months of service and the employee has attained age 21. Entry dates are the first day of each month.

Effective January 28, 2019, the Plan changed custodians to Voya Retirement Insurance and Annuity Company.

Management of the Plan evaluated the events and transactions subsequent to its December 31, 2018 financial statement date and determined there were no additional subsequent events, other than noted above, necessary for disclosure through October 14, 2019, which is the financial statement issuance date.
