INDEPENDENT AUDITOR'S REPORT

Ground Transport, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Ground Transport, Inc. 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Supplemental Schedule Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GROUND TRANSPORT, INC. 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended June 30, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN

The Ground Transport, Inc. 401(k) Profit Sharing Plan (Plan) was established in July 2006 to enable employees of Ground Transport, Inc. (Company) to save for retirement. The following is a description of the Plan that provides only general information. Participants should refer to the plan documents for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of the Company who have one year of qualifying service with at least 800 hours of service and have attained the age of 21. The plan administrator is responsible for the general administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Participants may make employee salary deferral contributions to the Plan up to \$22,500 and \$20,500, respectively, in 2023 and 2022, adjusted annually for the cost of living, plus an additional \$7,500 and \$6,500, respectively, in 2023 and 2022 for employees age 50 and over. The Company may also elect on a year-to-year basis to make discretionary matching and profit sharing contributions. To be eligible for the employer discretionary matching and profit sharing contributions, the participant must be an employee on the last day of the plan year and work 800 hours in that plan year. Total contributions to each employee's account may not exceed the lesser of \$66,000 (\$73,500 with the catch-up contribution) and \$61,000 (\$67,500 with the catch-up contribution) in 2023 and 2022, respectively, or 100% of annual compensation, as defined. Excess contributions are refunded in accordance with provisions of the Internal Revenue Code (IRC). The Company made \$154,174 and \$161,097 in discretionary matching contributions and \$45,826 and \$38,903 in profit sharing contributions during the years ended June 30, 2023 and 2022, respectively.

Participant Accounts

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. The Company's contributions are invested in the same manner as that of the participants' elective contributions. Each participant's account is credited with the participant's contributions and an allocation of the Company's discretionary matching and profit sharing contributions; plus, an allocation based on participant earnings (losses) or account balances of the Plan's net earnings (losses) and forfeitures of terminated participants' nonvested benefits; less an allocation of Plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contributions are based on years of continuous service. A participant is 20% vested in the Company's matching and profit sharing contributions after two years of credited service, and an additional 20% per year for each year thereafter until 100% vested after six years of credited service.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended June 30, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability, retirement, or other termination of employment, a participant may receive the value of the vested interest in his or her account. Participants may elect to receive the entire value of their accounts in a lump sum payment, installment payments, or a direct rollover to an eligible retirement plan. Mandatory lump sum distributions will be paid to participants whose vested balance is less than \$5,000.

Withdrawals

In-service withdrawals are available to all participants on their portion of the balance of rollover contribution accounts, at any time, or the entire value of the vested interest in their account if the participant has attained age 65 and has five years of participation in the Plan. Participants are eligible to make hardship withdrawals to satisfy an immediate and heavy financial need, as defined by the Plan, subject to approval of the plan administrator. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS), and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal. Effective January 1, 2020, participants are eligible to make hardship withdrawals on all accounts, including earnings on elective deferrals.

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the nonvested portion of the participant's account balance. Plan forfeitures may be used to reduce administrative expenses incurred by the Plan, to reduce current employer matching and profit sharing contributions, or are reallocated among remaining participants' accounts. During the years ended June 30, 2023 and 2022, forfeitures used to reduce administrative expenses and current employer contributions amounted to \$0. At June 30, 2023 and 2022, forfeiture account balances were \$40,665 and \$33,628, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change in the near term, and such differences could be material to the financial statements.

GROUND TRANSPORT, INC. 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended June 30, 2023 and 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, except that guaranteed insurance contracts are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees. The fair value of the investments and the related net appreciation (depreciation) in the fair value of investments are determined by the qualified institution of the Plan, Empower Annuity Insurance Company of America (EAIC). See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded when it is earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer and Participant Contributions Receivable

Contributions receivable are recognized for amounts due from the employer and participants at year-end, but remitted to the insurance company after year-end.

Payment of Benefits

Benefit payments are recorded when paid.

Expenses

Expenses are recognized when the related liability is incurred. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of the fair value of investments, as the fees are paid through revenue sharing rather than a direct payment.

NOTE C – CERTIFICATION FROM QUALIFIED INSTITUTION

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments at June 30, 2023 and 2022, net appreciation (depreciation) in fair value of investments, and interest for the years ended June 30, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by EAIC, the qualified institution of the Plan as of and for the years ended June 30, 2023 and 2022. The contract value of the guaranteed insurance contracts as of June 30, 2023 and 2022 was also certified by EAIC.

GROUND TRANSPORT, INC. 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended June 30, 2023 and 2022

NOTE D – GUARANTEED INSURANCE CONTRACT

The Plan has an annuity contract with a fixed income option with EAIC as of June 30, 2023 and 2022 that maintains the contributions for this contract in fixed accounts. The annuity contract is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan and respective participants. The specified interest rate was 2.15% and 1.65% at June 30, 2023 and 2022, respectively.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include amendments to the plan documents including complete or partial plan termination or merger with another plan, bankruptcy of the plan sponsor, the failure of the trust to qualify for exemption from federal income taxes, or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, and a material amendment to the agreement without the consent of the issuer.

NOTE E – FAIR VALUE MEASUREMENTS

U.S. GAAP provides a hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement.

The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan holds investments in pooled separate accounts are valued at the net asset value (NAV) of unit shares held by the Plan at year-end. The NAV, as provided by EAIC, is used as a practical expedient, which is based on the underlying assets of the pooled separate accounts, including money market funds, mutual funds, common and preferred stocks, corporate notes and bonds, and government issued notes and bonds. In accordance with Accounting Standards Codification 820, *Fair Value Measurements*, the pooled separate accounts are not categorized in the fair value hierarchy. At June 30, 2023 and 2022, there are no investments valued using Level 1, 2, or 3 inputs.

GROUND TRANSPORT, INC. 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended June 30, 2023 and 2022

NOTE E – FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, the use of different methodologies to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE F – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are administered by and in the custody of EAIC as of and for the years ended June 30, 2023 and 2022. Certain administrative functions are performed by officers or employees of the Company, who receive no compensation from the Plan. The Plan's administrative and third-party administrator expenses are paid by either the Plan or the Company, as provided by the plan document. All other administrative expenses are the responsibility of the Plan. However, the Company may pay such expenses at its discretion.

NOTE G – TAX STATUS

In a letter dated June 30, 2020, the IRS granted the Plan its most recent "favorable determination letter" because the Plan met the qualification requirements established by the IRC. The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain positions that more likely than not would not be sustained upon examination by the IRS. The plan administrator has evaluated the Plan's tax positions as of June 30, 2023 and 2022, and for the years then ended, and determined that the Plan had no uncertain tax positions required to be reported in accordance with U.S. GAAP. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods in progress.

NOTE H – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets are administered by and in the custody of EAIC as of and for the years ended June 30, 2023 and 2022, the qualified institution of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

NOTE I – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants become 100% vested in their accounts.

GROUND TRANSPORT, INC. 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended June 30, 2023 and 2022

NOTE J – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, including investments in shares of pooled separate accounts and guaranteed insurance contracts. In general, investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The Plan and the Company operate in the State of Hawaii. Local, national, and international events can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan were to account for future losses or asset impairments, as the effects on the financial statements of the Plan from such changes in economic conditions are not presently determinable.

NOTE K – SUBSEQUENT EVENTS

Management has evaluated subsequent events through March 13, 2024, which is the date the financial statements were available to be issued, and determined that the Plan did not have any subsequent events requiring adjustment to the financial statements or disclosure in the notes to the financial statements.
