Board of Directors
Beiersdorf North America 401(k) Plan
Stamford, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Beiersdorf North America 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Beiersdorf North America 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 3, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BEIERSDORF NORTH AMERICA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Beiersdorf North America 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering salaried and hourly nonunion employees of Beiersdorf Inc., La Prairie Inc., tesa tape Inc., and tesa Plant Sparta LLC A(the “Companies” and the “Employers”), aged 21 years or older. Effective January 1, 2003 and April 1, 2004, Beiersdorf Inc. Connecticut union employees and Beiersdorf Inc. Ohio union employees, respectively, aged 21 years or older also became eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) and the Internal Revenue Code (the “Code”) of 1986.

Effective April 1, 2021 the Plan was amended to provide 100% vesting to certain employees in connection with the Cleveland Bayer RSA Reduction plan. Any participant who terminates employment in connection with the Employer’s permanent closure of its facility located at 5232 East Provident Drive, West Chester, Ohio shall be 100% vested in all the participant’s accounts as of the participant’s date of termination. Any participant who was hired on or after September 1, 2019 to work in the Cleveland, TN facility and who terminates employment in connection with the Cleveland Bayer RSA Reduction plan, shall be 100% vested in all the participant’s accounts as of the participant’s date of termination.

In August 2010, Beiersdorf Inc. closed its Norwalk, Connecticut, manufacturing facility. Employees who participated in the Plan were separated from employment as a result of such cessation of operations. As a result of this separation, those employees’ total account balances were immediately 100% vested.

Beiersdorf AG, the parent company of Beiersdorf North America, Inc. (the “Plan Sponsor”), entered into an Asset Purchase Agreement with Bayer AG on August 31, 2019 in which certain employees of Bayer AG and its affiliates became employees (the “Transferred Employees”) of Beiersdorf, Inc. Effective August 31, 2019, the Plan was amended to permit the Transferred Employees to be eligible to participate in the Plan immediately, to be immediately 100% vested in all contributions made to such Transferred Employees’ accounts in the Plan, to be eligible for a 2% nonelective contribution, and to be eligible for a tiered “legacy” nonelective contribution, and to amend the Plan to provide for 3% automatic enrollment with respect to employees hired on or after November 1, 2019.

Contributions: Each year, employee pretax contributions are permitted by means of pay reduction in any whole dollar or percentage amount, up to 75% of the employee’s salary, subject to a maximum annual elective deferral limit plus catch up contributions as defined in the Plan document. The Companies will make a matching contribution equal to 50% of the participant’s salary deferral up to 6% of the participant’s annual salary, except for the Ohio Union employees. For Ohio Union employees, whose period of service is less than 15 years, the Company matches 100% of the first 3% (of before-tax contributions) and 50% of the next 2% (of before-tax contributions). For years of service of 15 years or more, the Company matches 100% of the first 3% (of before-tax contributions) and 50% of the next 3% (of before-tax contributions).

In addition, the Companies are allowed to make discretionary contributions based on participants’ proportionate share of salary to total salaries; such employer contributions together with the salary deferral contributions shall not exceed the maximum amount which the Companies are permitted to deduct for federal income tax purposes. Payments made for discretionary contributions were \$1,397,206 and \$1,363,377 for the Plan years 2021 and 2020, respectively, which represents tesa tape Inc.’s profit sharing contributions.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of the Companies' contributions, Plan earnings, and forfeitures of employer contributions, and is charged with his or her withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The participants have the option of investing their salary deferral contributions, any Company matching contributions, Companies' discretionary contribution, if any, and Plan earnings (losses) in separate funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting: Participants are immediately vested in their salary deferral contributions, plus actual earnings thereon, and are entitled to a distribution of such accounts upon termination of employment, retirement, total and permanent disability or death. Vesting in the Companies matching contribution account and discretionary contribution account occurs on a graduated scale over a three or five-year period in accordance with the Plan document, or upon a participant's death, disability or attainment of age 65.

Notes Receivable from Participants: Participants are allowed loans for any purpose, in a minimum amount of \$1,000, not to exceed the lesser of 50% of the participant's vested balance or \$50,000 reduced by the highest outstanding loan balance during the preceding 12 months. The loan interest rate is the prime rate. Interest rates ranged from 3.25% to 5.50% on outstanding loans as of December 31, 2021 and 2020. Loans are secured by the participant's account balance. Loan terms vary but may not exceed five years unless the proceeds are used for the acquisition of a principal residence of the participant in which case the loan may not exceed ten years. The minimum term for a loan shall be one year. A participant may have up to two short-term loans (not to exceed a term of five years) and one long-term loan (not to exceed a term of ten years) outstanding at any one time. Effective March 27, 2020, any loan repayments due between March 27, 2020 and December 31, 2020 may be suspended for up to one year for qualified individuals under the CARES Act.

Payment of Benefits: Upon separation of service, death, disability, or retirement, a participant may elect to receive either a lump-sum distribution, annuities, or installment payments under various options. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. Participants can also make in-service withdrawals upon attainment of age 59 and a half. Effective in 2020, qualified participants may take a coronavirus-related distribution through December 31, 2020 not to exceed \$100,000 under the CARES Act.

Forfeiture of Unvested Balances: Upon termination of a participant's employment for any reason other than retirement, death, or disability, the non-vested portion of the Companies matching contribution account and discretionary contribution account will be forfeited and is used by the Companies to reduce future employer contributions to the Plan. Forfeitures for 2021 and 2020 were \$10,499 and \$119,477, respectively, all of which were used to reduce employer contributions.

Administrative and Investment Management Expenses: Loan origination fees associated with notes receivable from participants are paid by the participants, along with the Plan's record keeping and trustee fees and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and are included in the investment income (loss) reported by the Plan. All other expenses of the Plan are paid by the Companies.

December 31, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Purchases and sales of investments are recorded on a trade-date basis. The realized gain or loss resulting from these transactions is the difference between the proceeds received and the average historical cost of the assets sold. The change in the difference between the fair value and the cost of investments held, plus net appreciation (depreciation), is reflected in the statements of changes in net assets available for benefits as net appreciation (depreciation) in the fair value of investments. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefit Payments: Benefits are recorded when paid.

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 3 – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by T. Rowe Price Trust Company (the trustee of the Plan).

NOTE 4 – INCOME TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated December 7, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

(Continued)

NOTE 4 – INCOME TAX STATUS (Continued)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 5 – PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, liquidity, market, credit risks, and global events. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

(Continued)

BEIERSDORF NORTH AMERICA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 7 – FAIR VALUE MEASUREMENTS (Continued)

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trust Fund: The fair value of participation units in the T. Rowe Price Stable Value Fund, a collective trust fund, (the "Stable Value Fund") are based upon the net asset value ("NAV") of such fund, after adjustments to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts, as reported in the audited financial statements of the fund. The fund provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis are summarized below:

	Fair Value Measurements at December 31, 2021 Using			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 167,509,739	\$ -	\$ -	\$ 167,509,739
Collective trust *	-	-	-	11,392,452

NOTE 7 – FAIR VALUE MEASUREMENTS (Continued)

	Fair Value Measurements at December 31, 2020 Using			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 146,351,068	\$ -	\$ -	\$ 146,351,068

Total	<u>\$ 146,351,068</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 154,769,203</u>

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employers, and certain others. Certain administrative functions are performed by officers or employees of the Companies. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Companies. The Plan holds mutual funds and a collective trust fund managed by T. Rowe Price Trust Company, the trustee of the Plan, or an affiliate of the trustee. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Direct and indirect fees paid by the Plan represent party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

NOTE 9 – SUBSEQUENT EVENTS

Subsequent events have been evaluated for recognition and disclosure through March 15, 2024, which is the date the financial statements were available to be issued.

The Plan has adopted a new pre-approved proto-type Plan document effective February 2, 2022. The adoption of the new Plan document incorporated recent amendments to the previous Plan document and did not result in any significant changes to the provisions of the Plan.

Effective July 3, 2023, the Chantecaille Beaute, Inc. 401k Profit Sharing Plan was merged into the Plan and participants of that plan became Plan participants. Approximately \$3,200,000 assets (unaudited) were transferred into the Plan as a result of this merger.
