(the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Newport Trust Company, a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate. Management was unable to obtain a certification from Mutual of America Life Insurance Company for December 31, 2022 and for the year ended December 31, 2022.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of 403(b) Thrift Plan of Girl Scouts of Greater Atlanta, Inc. because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan was unable to obtain a valid certification from Mutual of America Life Insurance Company certifying that the investments held at December 31, 2022 were complete and accurate. The Plan did receive a certification showing conflicting information on the investments held by the Plan. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

403(b) THRIFT PLAN OF GIRL SCOUTS OF GREATER ATLANTA, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

A. DESCRIPTION OF PLAN

The following is a brief description of the 403(b) Thrift Plan of Girl Scouts of Greater Atlanta, Inc. (the "Plan"). Participants or other interested parties should refer to the Plan Document for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution Plan adopted by Girl Scouts of Greater Atlanta, Inc. (the "Organization"), effective July 1, 1996, to provide deferred tax benefits, savings and matching employer contributions to eligible employees. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

B. Eligibility

Employees are eligible to participate in the Plan immediately upon employment with the Organization. The entry date of the Plan is the first day of the calendar month coinciding with or following the date on which the employee began employment with the Organization.

C. Contributions

Participants may contribute up to the applicable limit pursuant to Code Section 403(b) of their pre-tax annual compensation, as defined by the Plan, subject to certain limitations for highly compensated individuals. Participants who attained age 50 before the end of the Plan year may make additional catch-up contributions.

The Organization makes a matching contribution equal to 50% of participant's contributions, up to a maximum of 3% of the employee's salary during the year. An employee must have completed one year of service and be at least 21 years of age to be eligible for the employer match.

D. Participant Accounts

Each participant's account is credited with the participant's contributions, the Organization's contributions and an allocation of the associated investment income (loss) and charged with an allocation of Plan expenses, if any. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Organization's matching contribution portion of their accounts plus

403(b) THRIFT PLAN OF GIRL SCOUTS OF GREATER ATLANTA, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

actual earnings thereon is based on years of service. A participant is 100% vested after three years of service, or attainment of 59½ years of age.

F. Notes Receivable

Participants may borrow from their fund accounts held at Newport Trust a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable, which are collateralized by the balance in the participant's account, bear interest ranging from 4.25% to 7.25%. Principal and interest are paid ratably through monthly payroll deductions.

Participants may borrow directly from Mutual of America using a portion of their Plan account as security for the loan. Such loans are subject to certain limitations. Applicants receiving such loans are required to pledge as collateral an account value equal to 120% of the loan amount for the period of time the loan is outstanding. There were no loans outstanding as of December 31, 2022 or 2021.

G. Payments of Benefits

Upon termination of service due to retirement, attainment of age 59½, attainment of normal retirement age before severance from employment, death or disability, a participant or representative may elect to receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, upon written request and approval, participants may withdraw some or all of the elective contributions in their employee contribution account if the withdrawal is necessary due to hardship.

H. Forfeited Accounts

Amounts forfeited by participants who are terminated from the Plan prior to being 100% vested are used to reduce employer contributions or administrative fees for the Plan. Employer contributions were reduced by \$4,429 and \$5,948 from forfeitures from non-vested accounts for the years ended December 31, 2022 and 2021, respectively. Total unused forfeited balances were \$16 and \$0 as of December 31, 2022 and 2021, respectively.

2. SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

403(b) THRIFT PLAN OF GIRL SCOUTS OF GREATER ATLANTA, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

B. Excluded Contracts and Accounts

The Plan was unable to obtain a valid certification of the investments held by Mutual of America Life Insurance Company ("MOA") at December 31, 2022. The Plan received conflicting information from MOA which suggested that certain annuity and custodial accounts, and related activity may have been excluded from the accompanying financial statements. The Plan was established in 1996 through a contract with MOA that allowed participants to establish individual annuity and custodial accounts. As of December 31, 2008, MOA started providing certified statements summarizing the Plan's activities and holdings. Because certain historical records were not maintained or are not available at a Plan level, it is possible, the Plan has excluded from investments certain annuity and custodial accounts, and related activity, issued to current and former employees prior to January 1, 2009. The Plan Administrator has elected to exclude certain contracts and accounts from Plan assets in accordance with Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans* (FAB 2009-2).

This accounting policy election is permitted by the Department of Labor's FAB 2009-2; however, U.S. generally accepted accounting principles (U.S. GAAP) require that these accounts and the related income and distributions be included in the accompanying financial statements. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable.

C. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reported period. Actual results could differ from those estimates. The Plan trustee has provided estimates and assumptions in preparation of the financial statements and schedule of assets held.

D. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Audit Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

403(b) THRIFT PLAN OF GIRL SCOUTS OF GREATER ATLANTA, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

E. Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

F. Payment of Benefits

Benefit distributions are recorded when paid.

G. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of benefits paid to participants are charged directly to the participant account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

H. Subsequent Events

Subsequent events have been evaluated by management through March 29, 2024, the date these financial statements were issued.

3. FAIR VALUE MEASUREMENTS

U.S. generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

403(b) THRIFT PLAN OF GIRL SCOUTS OF GREATER ATLANTA, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

As of December 31, 2022 and 2021, the only assets that are measured at fair value on a recurring basis in periods subsequent to initial recognition are investments. There have been no changes in the methodologies used at December 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

Registered investment companies: Valued at the closing price reported on the active market on which the individual securities are traded.

Pooled separate accounts: Valued based on the net asset value ("NAV") of the underlying assets as determined by the custodian. The net asset value is not a publicly quoted price in an active market. Currently, all redemptions for the pooled separate accounts are at that day's computed net asset value. Net asset value as a practical expedient is used to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Description	Level 1	2022	Level 1	2021
Registered investment companies	<u>\$ 3,785,849</u>	<u>\$ 3,785,849</u>	<u>\$ 4,314,699</u>	<u>\$ 4,314,699</u>
Total assets in the fair value hierarchy	<u>\$ 3,785,849</u>	3,785,849	<u>\$ 4,314,699</u>	4,314,699
Investment measured at NAV		<u>295,140</u>		<u>467,137</u>

403(b) THRIFT PLAN OF GIRL SCOUTS OF GREATER ATLANTA, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

4. MUTUAL OF AMERICA INTEREST ACCUMULATION ACCOUNT

The Plan entered into a fully benefit-responsive investment contract with Mutual of America, which totaled \$110,304 and \$206,211 at December 31, 2022 and 2021, respectively. The general account portion of this contract, or the Interest Accumulation Account, represents a deposit administration contract, and the assets in this account are commingled with other assets of the insurance company. The account is reported at contract value and credited with interest at the rate specified in the contract, but may not be less than 1%, and is charged with the purchase price of annuities when the participants retire and with any incidental benefits (death, disability, and withdrawal) disbursed directly from the account. A 1% interest rate was credited to the contracts during 2022. There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events may limit the ability of the Plan to transact at contract value such as: (1) complete or partial plan termination or merger with another plan, (2) Plan sponsor events such as bankruptcy, spin-offs, divestitures, layoffs, or retirement incentive programs, (3) the liberalization of Plan withdrawal or transfer rules, or (4) the failure of the trust to qualify for exemption under ERISA. Upon occurrence of any of these events, a market value adjustment may apply. The Organization does not believe the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is probable.

5. INFORMATION PREPARED BY TRUSTEES

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Newport Trust Company:

	<u>2022</u>	<u>2021</u>

Notes receivable from participants	\$ 59,755	\$ 61,261

Interest on notes receivable from participants	\$ 2,649	

The Plan's independent accountants did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule.

403(b) THRIFT PLAN OF GIRL SCOUTS OF GREATER ATLANTA, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared but not certified by Mutual of America Life Insurance Company:

	<u>2022</u>	<u>2021</u>
Investments at fair value	\$ 295,140	\$ 467,137
Investment at contract value	\$ 110,304	\$ 206,211
Investment income	\$ (86,456)	

6. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Mutual of America Life Insurance Company and Newport Trust Company, who are the Trustees as defined by the Plan; therefore, these investments and investment transactions qualify as party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

8. TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the "Code"). The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service ("IRS") in Revenue Procedure 2007-71. The Organization intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan administrator believes that the Plan is currently designed and operating in accordance with the applicable requirements of Section 403(b) of the Code and, therefore, believes the Plan is qualified and the related custodial accounts and tax-deferred annuities are tax-exempt.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.
