## Independent Auditor's Report

To the Board of Directors and Plan Administrator  
NSA Industries 401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the NSA Industries 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audits). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of its knowledge and belief.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

**Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal-control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Note 1. Description of Plan

The following brief description of the NSA Industries 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

**General:** The Plan is a defined contribution plan formed on January 1, 1993, restated on October 1, 2019 and most recently amended on April 1, 2022, covering all employees of NSA Industries, LLC, KC Precision Machining, LLC, Metal Tronics, LLC, and Vitex Extrusion, LLC (the Company) who are at least 18 years of age and have completed at least three months of service, except union employees and nonresident aliens. Effective January 1, 2022, the assets of the Vitex Extrusion, LLC 401(k) Plan, which included employees of Vitex Extrusion, LLC, were merged into the Plan. The former participants of the Vitex Extrusion, LLC 401(k) Plan retained their previous years of service for eligibility and vesting purposes. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions:** Participants may make contributions to the Plan of up to 90% of eligible compensation, as defined by the Plan. Participants who have reached age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make discretionary matching and profit sharing contributions. To receive discretionary matching contributions, a participant must have completed more than 1,000 hours or one year of service. To receive discretionary profit sharing contributions, a participant must be actively employed at the end of the Plan year and have completed more than 1,000 hours or one year of service. Contributions are subject to certain limitations under the Internal Revenue Code (IRC).

The Company makes a discretionary matching contribution equal to 50% of employee deferrals up to 4% of compensation.

The Company may elect to contribute a discretionary profit sharing contribution at the discretion of the Board of Directors. The Company did not make profit sharing contributions during 2022.

**Participant accounts:** Each participant's account includes the participant's contributions, the Company's discretionary matching contributions, and allocations of the Company's discretionary profit sharing contributions, Plan earnings or losses, and administrative fees paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. A participant is 20% vested after one year of service, increasing 20% per year, with 100% vesting after five years of credited service. Participants automatically become fully vested upon death, disability, or early retirement (age 59½) while under the employment of the Company.

#### Note 1. Description of the Plan (continued)

**Notes receivable from participants:** Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants are permitted only one outstanding loan. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest, as defined by the Plan. Interest rates ranged from 3.25% to 9.25% as of December 31, 2022. All loans must be repaid within five years or within 30 years for the purchase of a primary residence. Principal and interest are generally paid ratably through payroll deductions.

**Payment of benefits:** Benefits are distributed under the Plan based on the normal retirement date (age 65), early retirement (age 59½), disability, death, qualified reservist status, or the termination of the participant's employment. In-service withdrawals (age 59½) and hardship distributions of at least \$500 are allowed by the Plan. A participant may elect to receive partial or installment distributions or a lump-sum distribution equal to the value of the vested portion of his or her account. Participants may withdraw from their rollover accounts at any time.

**Forfeitures:** As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$24,419 and \$17,548, respectively. These amounts will be used to reduce future employer contributions and pay Plan expenses. During 2022, forfeitures of \$931 were used to pay Plan expenses.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The Plan's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) using the accrual basis of accounting.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**Payment of benefits:** Benefits are recorded when paid.

**Expenses of the Plan:** Certain contract administration, investment advisor, and record-keeping fees are paid by the Plan. Certain other administrative expenses of the Plan are paid by the Company.

#### Note 2. Summary of Significant Accounting Policies (continued)

**Use of estimates:** The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Risks and uncertainties:** The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Subsequent events:** Plan management has evaluated subsequent events through February 26, 2024, the date the financial statements were available to be issued.

#### Note 3. Information Certified by Reliance Trust Company

The following is a summary of the Plan's information as of December 31, 2022 and 2021 and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, that was prepared by, or derived from information certified by, the qualified institution and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the qualified institution that information provided to the Plan Administrator by the qualified institution related to the following information is complete and accurate to the best of its knowledge and belief. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

### **Notes to Financial Statements**

---

#### **Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

**Level 1:** Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

**Level 2:** Observable market-based inputs or observable inputs that are corroborated by market data.

**Level 3:** Unobservable inputs for the assets or liabilities that are not corroborated by market data.

Following is the description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 or 2021.

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and, therefore, are considered Level 1 investments.

#### **Note 5. Tax Status**

The Plan has adopted a nonstandardized form of a pre-approved plan. The pre-approved plan provider, ADP, LLC, has received an opinion letter from the Internal Revenue Service (IRS) as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by the Plan. The Plan Administrator believes that the Plan is designed and being operated in compliance with the applicable provisions of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time or terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts.

## **NSA Industries 401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

#### **Note 7. Related-Party Transactions**

ERISA defines a party in interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Accordingly, loans to participants and the management of investments held by the qualified institution are considered party-in-interest transactions. Additionally, the Company pays certain administrative fees for the Plan, as described in Note 2.

#### **Note 8. Subsequent Events**

The Plan was amended, effective January 1, 2023, to change the Company's name from NSA Industries, LLC to Momentum Manufacturing Group and change the Plan name from NSA Industries 401(k) Profit Sharing Plan to Momentum Manufacturing Group 401(k) Plan.

Effective September 1, 2023, the Plan merged the assets of another affiliated 401(k) plan, H&M Metals, LLC 401(k) Plan, into the Plan, at which point participants of the merged plan were immediately 100% vested.
