The Board of Directors

401(k) Profit-Sharing Plan for Employees of Residential Management Services, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of 401(k) Profit-Sharing Plan for Employees of Residential Management Services, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 401(k) Profit-Sharing Plan for Employees of Residential Management Services, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of 401(k) Profit-Sharing Plan for Employees of Residential Management Services, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Profit-Sharing Plan for Employees of Residential Management Services, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 401(k) Profit-Sharing Plan for Employees of Residential Management Services, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Profit-Sharing Plan for Employees of Residential Management Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4(i) - Schedule of Assets (Held at End of Year) as of and for the year ended June 30, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 13, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

June 30, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of 401(k) Profit-Sharing Plan for Employees of Residential Management Services, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan. All employees who are age eighteen or older are eligible to participate in the Plan and may make salary deferral or rollover contributions. Nonresident aliens and leased employees are not eligible to join the Plan. Employees who are eighteen or older and have completed one year of service, including 1,000 hours, and are employed on the last day of the Plan year are eligible to receive employer-based contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

At the discretion of the Board of Directors, the Company can make a contribution to the Plan for all eligible participants. The contribution is allocated to the accounts of eligible participants on the basis of the ratio that each eligible participant's compensation bears to the total compensation of all participants for the Plan year. For the Plan year ended June 30, 2022 the Board approved a discretionary contribution of \$876,332.

Participants may contribute a portion of their wages to the Plan through salary deferrals provided that the annual contribution does not exceed the maximum permitted by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans at the discretion of the plan administrator. These contributions are placed in a separate account for the participant called a participant rollover account. All contributions are subject to certain limitations under the Internal Revenue Code.

Participant Accounts

Participants direct the investment of contributions to their accounts into various investment options offered by the Plan within Mutual of America Life Insurance Company (Mutual of America). Participants may elect to maintain their investment in Mutual of America's general account which provides a guaranteed rate of interest.

Each participant's account is credited with their own salary deferral contributions, employer discretionary contribution, rollover contribution and Plan earnings or loss, and charged with an allocation of administrative expenses. Forfeitures in participant accounts are first applied to administrative expenses of the respective terminated participants and next to past due administrative expenses of the Plan, if any. The remaining balance of forfeitures are then applied to reduce the employer's contribution to the Plan. At the discretion of the Board of Directors, the plan sponsor may increase the contribution to the Plan in an amount equal to the net forfeitures after the allocation of administrative expenses.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their salary deferral contributions and rollover contributions plus actual earnings thereon. Vesting in the Company's contribution portion, earnings and forfeitures is based on years of continuous service. A participant is 100% vested on a graduated basis after five years of credited service. Participants may also become immediately fully vested in their employer's contributions upon the happening of certain events, such as upon reaching age 65, termination of the Plan or death or disability of the participant.

Vesting, Continued

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2 years	0%
2 years	25%
3 years	50%
4 years	75%
5 years or more	100%

Notes Receivable from Participants

Participants of the Plan are allowed to receive loans of up to 50% of their vested account balances. Amounts may be borrowed between \$1,000 and \$50,000, utilizing the participant's remaining account balance as security for the loan. The interest rate for a loan is based on the prime rate plus 1% at the time of the loan. Loans must be repaid through payroll deductions within five years unless the loan is used for the purchase of the participant's primary residence, in which case the loan repayment period is 10 years from loan issuance. Participants who do not repay their loans under certain circumstances, as defined in the Plan, will be deemed to have received a distribution for federal income tax purposes under the Plan.

Hardship Withdrawals

In the event of financial hardship, as defined under the Plan and under current Internal Revenue Service regulations, participants are permitted to receive hardship withdrawals of a portion of their elective deferral account balance.

Payment of Benefits

Benefits are payable to employees under normal retirement and other circumstances including separation, disability and death. The Plan allows various benefit payment options depending on the circumstances of withdrawal as described above. Various terminated participant account balances are included in the Plan as of the end of each Plan year and may be distributed in accordance with the Plan's procedures.

Participants are allowed to receive distributions of their rollover contributions upon request.

Forfeited Accounts

Forfeited non-vested account balances were used to reduce employer contributions during 2022, see Note 2 Forfeitures.

Investment Options

Participants direct the investment of all contributions into various investment options offered by the Plan. Based upon the participants' investment selections, the Plan purchases units accordingly which are held in Mutual of America's pooled separate account and general account.

NOTE 2 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES
OF RESIDENTIAL MANAGEMENT SERVICES, INC.**

Notes to Financial Statements

June 30, 2022 and 2021

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 6 for discussion of fair value measurements and Note 7 for discussion of the fair value of the contract with the insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The general account consists of the interest accumulation account and includes all interest allocated to the account during the period. The separate accounts are valued based on the net asset values of the various underlying investment funds at the close of business on the New York Stock Exchange less administrative and other charges. All underlying investments of the contract are 100% participant directed.

Forfeitures

The Plan instrument provides that the plan administrator may apply forfeited non-vested accounts of terminated participants against the amount of the employer contribution that is payable to the Plan. The plan administrator may first, at his discretion, utilize the forfeitures to pay Plan expenses or to restore the non-vested accounts of prior terminated participants who return to the Company in certain circumstances as defined in the Plan.

At the discretion of the Company's Board of Directors, the Company may increase the employer contribution to the Plan in an amount equal to the net forfeitures of the Plan.

The Company has added forfeited non-vested accounts of \$108,453 to the Company's contribution for the year ended June 30, 2022. At June 30, 2022 and 2021, forfeited non-vested accounts totaled \$111,318 and \$81,023, respectively.

Administrative Expenses

All administrative costs of the Plan are paid by the employer except for custodial and investment fees and certain administrative fees for participant loans and forfeitures which are deducted against the participants' self-directed accounts.

Evaluation of Subsequent Events

Subsequent events have been evaluated through the audit report date, the date the financial statements were available to be issued.

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES
OF RESIDENTIAL MANAGEMENT SERVICES, INC.**

Notes to Financial Statements

June 30, 2022 and 2021

NOTE 3 – TAX STATUS

The Plan received a favorable determination letter from the Internal Revenue Service dated November 30, 2020 indicating its qualified status under the Internal Revenue Code.

The Plan has been amended and restated since the effective date of the determination letter to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. The plan administrator and the third-party administrator believe the Plan is currently designed and being operated with applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 – RISKS AND UNCERTAINTIES

The Plan participants invest in various investment options offered by the Plan. Investment options offered in the Plan are subject to various risks, such as interest rate, market value and credit risks. Market risks include global events which could impact the value of investments securities, such as pandemics, international conflicts or financial institution collapses. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Mutual of America Life Insurance Company, an insurance company holding and administering Plan investments.

NOTE 6 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

OF RESIDENTIAL MANAGEMENT SERVICES, INC.**

Notes to Financial Statements

Fair Value Measurements, Continued

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2022 or 2021.

Pooled Separate Accounts: The values of the pooled separate accounts are based on the fair values of the underlying investments. Net asset value is used as a practical expedient to estimate fair value.

Insurance Company General Account: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021.

Assets at fair value as of June 30, 2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 7 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

Investments of the Plan are held under an unallocated group annuity contract with Mutual of America.

Mutual of America invests the contributions in the group annuity contract in the general account, which is the fixed income portion and pooled separate accounts, which is the variable portion in which participants may direct their contributions within various funds. The contract is included in the financial statements at fair value. The contract is included in the financial statements at fair value because management believes that it is not fully benefit-responsive. Guarantees are supported by the general account of Mutual of America. The minimum guaranteed credit rate is determined in accordance with the National Association of Insurance Commissioners (NAIC). The minimum guaranteed credited interest rate will not be less than 1.00% or more than 3.00%. At the beginning of each calendar year, Mutual of America determines the crediting interest rate by using NAIC's minimum rate formula. As of June 30, 2022 and 2021, the effective annual interest rate of the general account was guaranteed under contract at a minimum credited interest rate of 0.15% and 1.00%, respectively.

NOTE 8 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Mutual of America Life Insurance Company, as the third party administrator and an advisor to the Plan and as the provider of the unallocated group annuity contract holding the investments under the Plan, is a party-in-interest as defined under ERISA. All fees for their services are paid by the employer and participants as discussed in Note 1.

Notes receivable from participants totaled \$283,711 and \$178,331 at June 30, 2022 and 2021, respectively, and interest income on notes receivable from participants totaled \$8,474 for the year ended June 30, 2022.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The plan administrator reports the Plan's financial information on Schedule H of Form 5500 on the cash basis of accounting which is consistent with the Plan's third-party administrator's method of accounting and reporting for Form 5500 preparation.

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
