REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Trustees of
D & L Appliance Parts 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2022 financial statements

We have performed an audit of the financial statements of D & L Appliance Parts 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of March 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2022 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2022 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2022 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2022 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2022 supplemental schedules required by ERISA

The supplemental schedules of schedule of delinquent participant contributions for the year ended March 31, 2022 and schedule of assets (held at end of year) as of March 31, 2022, are presented for the purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2022 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional

procedures in accordance with US GAAS. For information included in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2022 supplemental schedules, we evaluated whether the 2022 supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the 2022 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2021 financial statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 14, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

D & L Appliance Parts 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
March 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of the D & L Appliance Parts 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of D & L Appliance Parts Company, Inc. (the "Company" or "Plan sponsor"). To be eligible for the Plan, an employee must be at least 21 years old and have had completed one year of service (1,000 hours of service). Eligible employees can enter the Plan on April 1 or October 1 on the day, or after, the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Upon enrollment in the Plan, a participant may direct employee contributions to any combination of various investment options and may direct the Company contribution to other investment options after the Company contribution has been made to the participant's account.

Contributions

Participants may elect to make pre-tax contributions as a percentage of their annual compensation, subject to the limitations of the Internal Revenue Code (the Code) Section 402(g) by way of regular payroll deductions. Participants who have attained the age of 50 are eligible to make catch up contributions in accordance with, and subject to the limitations of, Section 414(v) of the Code. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

The Company may contribute to the Plan a matching contribution or an additional discretionary contribution. The Company matched 100% of employee contributions for the Plan year ended March 31, 2022 in the amount of \$519,928 with an additional discretionary contribution of \$nil. All contributions are participant directed and are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's salary reduction contributions, Company matching contribution, rollover contributions, an allocation of the Company's additional discretionary contributions (as applicable) and plan earnings (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary reduction and rollover contributions plus earnings thereon. Participants who leave the Plan due to death, normal retirement or disability retirement, as defined in the Plan document, are considered 100% vested.

D & L Appliance Parts 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

March 31, 2022 and 2021

Company matching contributions, additional discretionary contributions and earnings thereon vest in accordance with provisions of the Plan as follows:

<u>Vesting Years of Service</u>	<u>Percentage Vested</u>
1	0%
2	20
3	40
4	60
5	80
6	100

Forfeited Accounts

The Plan provides that the non-vested portion of all Company contributions shall be used to pay reasonable plan expenses, reduce the Company's matching and discretionary contributions, or allocated to participant accounts. If the participant returns to work for the Company before a consecutive five year break in service, the forfeited account balances will be restored to the participant's account as of the end of the Plan year in which the participant returned to work.

As of March 31, 2022 and 2021, forfeited non-vested accounts totaled \$693 and \$4,221, respectively. The Company used \$8,600 in forfeitures to reduce its contributions in 2022. Forfeitures of \$371 were allocated to participant accounts for the year ended March 31, 2022.

Benefit Payments

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined in the Plan document. The Plan provides for normal retirement at age 65. The total vested portion of a participant's account balance is distributed in the form of a lump sum payment. A participant experiencing financial hardship, as defined in the Plan document, may withdraw a portion of their account balance. Participants who have attained the age of 59½ may receive a distribution of all or any portion of their account balances.

Termination of Plan

Although it has not expressed an intention to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

Notes Receivable from Participants

Participants may borrow from their fund accounts, with certain restrictions as defined in the Plan document, a minimum of \$1,000 up to a maximum of \$50,000 or 100% of their vested account balance, whichever is less. These loans are secured by the balance in the participant's account. Loans bear an interest rate, which is commensurate with similar rates from commercial lending institutions at the time the loans were made. Principal and interest are paid ratably through payroll deductions. Terms on general-purpose loans are not to exceed five years and terms on primary residence loans commensurate with commercial home loan practices. A participant may not have more than five loans outstanding.

Administrative Expenses

Certain administrative costs of the Plan are paid by the Company. All other administrative expenses are paid by the Plan and expensed as incurred.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Net appreciation in fair value of investments included in the accompanying statement of changes in assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in the fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the period. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the period or the cost of the investment if purchased during the year.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are valued at their outstanding balances of unpaid principal and accrued interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of March 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

March 31, 2022 and 2021

NOTE C - CERTIFIED INFORMATION

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company and Principal Life Insurance Company have certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments, at fair value as shown in the statements of net assets available for benefits as of March 31, 2022 and 2021.
- Total investment income as shown in the statement of changes in net assets available for benefits for the year ended March 31, 2022.
- Schedule H, line 4i - schedule of assets (held at end of year) as of March 31, 2022.

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include the following:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

D & L Appliance Parts 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

March 31, 2022 and 2021

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of March 31, 2022 and 2021.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trusts: The fair value of the Plan's interest in the Principal Stable Value Z Fund is valued based on the NAV of shares held by the Plan at year-end as a practical expedient. Participant transactions (purchases and sales) may occur daily and the fund has no unfunded commitments. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Pooled separate accounts: The fair value of the Plan's interest in the Real Estate Secs Sep Account is valued at the NAV of the units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund. There are currently no unfunded commitments or redemption restrictions on these investments.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2022 and 2021:

2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,556,681	\$ -	\$ -	\$ 6,556,681

NOTES TO FINANCIAL STATEMENTS - CONTINUED

March 31, 2022 and 2021

* Investments measured using NAV are not classified in the fair value hierarchy in accordance with Accounting Standards Update 2015-07.

NOTE E - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan assets are in investments issued or managed by Principal Life Insurance Company, Principal Trust Company, or their affiliates. These transactions qualify as party-in-interest transactions as defined under ERISA. Notes receivable from participants held by the Plan also represent party-in-interest transactions.

NOTE F - TAX STATUS

The Plan adopted a prototype plan sponsored by Principal Life Insurance Company. Principal Life Insurance Company obtained its latest opinion letter dated March 31, 2014, in which the Internal Revenue Service ("IRS") stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Code; therefore, the Plan administrator believes that the Plan is qualified and that the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of March 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for tax periods in progress.

NOTE G - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at March 31, 2022 and 2021 to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits, financial statements	\$ 9,845,643	\$ 10,411,396

Net assets available for benefits, Form 5500	<u>\$ 9,325,715</u>	<u>\$ 9,918,677</u>

The following is a reconciliation of changes in net assets per the financial statements for the year ended March 31, 2022 to Form 5500:

Net decrease	\$ (565,753)
Change in employer contribution receivable	<u>(27,209)</u>
Net loss, Form 5500	<u>\$ (592,962)</u>

NOTES TO FINANCIAL STATEMENTS - CONTINUED

March 31, 2022 and 2021

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are subject to various risks, including credit, interest rate and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I - DELINQUENT EMPLOYEE DEFERRAL REMITTANCES

During the year ended March 31, 2022 and 2021, the Company failed to timely remit certain employee deferrals to the plan for a total amount of \$60,110 and \$6,500, respectively, resulting in a prohibited, non-exempt transaction. In addition, during the year ended March 31, 2022, \$9,533 of these later remittances as well as \$7,826 of late remittances from the year ended December 31, 2019 were corrected. Plan management is working to correct the remaining untimely remittances. The accompanying Schedule of Delinquent Participant Contributions discloses these transactions in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The Company is in the process of fully correcting the late remittances through the Department of Labor's Voluntary Fiduciary Corrections Program, which will include providing participants the foregone earnings had the remittances been made on a timely basis. Such amounts are not material to the Plan's financial statements.

NOTE J - SUBSEQUENT EVENTS

Plan management has evaluated the Plan's financial statements for subsequent events through March 22, 2024 the date the financial statements were available to be issued.

Effective January 1, 2023, the Plan was restated using the Principal Financial Group Pre-Approved Document for Savings Plans. The pre-approved Plan document utilized by the Plan obtained an opinion letter dated June 30, 2020, in which the IRS stated that the form of the plan is acceptable for use by employers for the benefit of their employees under Internal Revenue Code Section 401. The number of loans a participant may have has been reduced to four loans outstanding.
