Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the accompanying financial statements of Mounds Park Academy Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mounds Park Academy Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements referred to above of Mounds Park Academy Retirement Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As described in Note 4 to the financial statements, the Mounds Park Academy Retirement Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the financial statements referred to above.

Also, as described in Note 4, as a result of inadequacies in the Plan's prior year records, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of June 30, 2023 and 2022, or the propriety of the distributions to participants who terminated during the years then ended.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mounds Park Academy Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Mounds Park Academy Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Mounds Park Academy Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant as of and for the year ended June 30, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the Financial Statements section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules.

MOUNDS PARK ACADEMY RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

The following description of the Mounds Park Academy Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Mounds Park Academy (the Employer and Plan administrator). The Plan has been amended throughout the years to comply with tax legislation. The Plan is subject to ERISA, as amended.

Eligibility

Salary Deferrals

Eligible employees are allowed to participate in a salary reduction arrangement on the first day of their employment. The Plan excludes employees whose elective deferrals are less than \$200 per year, employees that normally work less than 20 hours, unless they work 756 hours during the year, and leased employees as well as students, as defined by the Plan.

Employer Contributions

Employees become eligible to participate in Employer contributions the first day of the month coinciding or immediately following attainment of age 21 and completion of one year of service. Employees must be employed on the last day of the Plan year and complete 756 hours of service in order to receive the Employer contribution. The Plan excludes collectively bargained employees, leased employees, and students, as defined by the Plan.

Contributions

Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax contributions to the Plan. Eligible participants are also allowed to contribute age 50 catch-up contributions and special code section 403(b) catch-up contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans or conduit IRAs. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

The Employer may contribute discretionary Employer contributions. There were discretionary Employer contributions for the years ended June 30, 2023 and 2022 in the amount of \$135,837 and \$129,172, respectively. In addition, the Employer funded a discretionary matching contribution of 2% of the first 100% a participant contributed for the years ended June 30, 2023 and 2022 in the amount of \$143,991 and \$113,968, respectively.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer contributions, and an allocation of Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account. The Plan currently offers various investment options for participants including mutual funds, a pooled separate account, and insurance company general accounts.

Vesting

Participants are immediately vested in all contributions plus actual earnings thereon.

Plan Loans

Prior to January 1, 2022, participants could borrow amounts from TIAA. The loan amount could not be less than \$1,000, or more than the excess of 90% of the TIAA traditional annuity accumulation over the outstanding loan balance for any other loans.

In no event could the amount of the loan, when added to the outstanding balance of all other loans from any of the Employer's plans, exceed the least of the following:

- (A) \$50,000 reduced by the excess (if any) of:
 - a. The highest outstanding balance of loans from any of the Employer's plans during the one-year period ending on the day before the date on which the loan is to be made; or
 - b. The outstanding balance of loans from any of the Employer's plans on the date on which the loan is to be made;
- (B) 50% of the present value of the vested accrued benefit under any of the Employer's plans;
- (C) 45% of the value of the accumulation under the Group Supplemental Retirement Annuity Certificate (GSRA) and any companion GSRA issued by TIAA.

The loans were secured by the balance in the participant's account and did bear interest at a rate which was the greater of (a) the published monthly average for the calendar month ending two months before the date on which the loan interest rate is determined; and (b) the interest rate to be credited before the annuity starting date or the participant's prior death, as stated in the applicable rate schedule, plus 1% per year. The published monthly average was the monthly average corporate yield shown in Moody's Corporate Bond Yield Averages published by Moody's Investor Services, Inc. or any successor thereto. The loan interest rate was adjustable and could be adjusted by TIAA not more than quarterly, nor less frequent than annually. Interest was paid directly to TIAA outside of the Plan.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Plan Loans (Continued)

Loan terms were up to five years, except for loans to fund the purchase of a principal residence, for which the loan could be repaid over a reasonable period that could not exceed 10 years. Upon establishment of the loan, the amount of the loan is transferred to the participant's traditional annuity account, if the amount in the traditional annuity account was not adequate to cover the collateral requirements of the loan. As principal was repaid, the collateral became available once again for participant use. The amount of outstanding Plan loans with TIAA at June 30, 2023 and 2022 totaled \$-0-.

Effective January 1, 2022, TIAA no longer offers plan loans to participants.

Notes Receivable from Participants

Effective, January 1, 2022, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest equal to the Federal Reserve Board Bank prime loan rate plus 1%. Principal and interest is paid ratably through either payroll deductions or an ACH agreement.

Benefit Payments

Participants may receive the value of their accounts upon termination of service, death, or disability. Distributions may be in the form of a lump sum or the participant can use the accumulation to purchase an annuity contract which is maintained outside of the Plan. The Plan allows for hardship distributions on elective deferrals and in-service distributions for nonmatched elective deferrals upon attainment of age 59½, subject to Plan provisions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are valued at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the insurance companies. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

MOUNDS PARK ACADEMY RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2023 and 2022. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

The Employer pays certain administrative expenses on behalf of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through April 1, 2024, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

TIAA and CREF, the insurance companies of the Plan, and TIAA on behalf of itself and for TIAA, FSB, a custodian, have supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of June 30, 2023 and 2022, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of June 30, 2023.

MOUNDS PARK ACADEMY RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 4 HISTORICAL PLAN ADMINISTRATION

The Plan has excluded from investments in the statements of net assets available for benefits the investments held at various locations issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The Plan administrator is unable to determine the amount of contracts excluded from the net assets available for benefits as of June 30, 2023 and 2022. They are also unable to determine the amount of investment income and distributions that are being excluded in the statements of changes in net assets available for benefits for the years ended June 30, 2023 and 2022.

Prior to 2008 the Plan's third-party administrator, TIAA and CREF, tracked contributions, investment earnings, distributions, and other activity on a "contract" basis. Each participant was set up as having a separate "contract" and Plan level activity was not captured. This method of administration was utilized prior to July 1, 2008 as the regulations governing 403(b) Plans did not require plan level reporting. The Plan administrator believes a good faith effort was made to obtain all relevant information prior to July 1, 2008. However, as a result of the method of administration and lack of historical plan level financial reporting, the Plan administrator is unable to obtain plan level information prior to July 1, 2008.

NOTE 5 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

MOUNDS PARK ACADEMY RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 5 FAIR VALUE OF INVESTMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at June 30, 2023 and 2022.

Following is a description of the valuation methodologies used for assets measured at fair value.

The sub-accounts of variable annuities and certain mutual fund are valued at net asset value (NAV) of shares, which are valued by the insurance companies at accumulation unit value based on the estimated value of the underlying investments, held by the Plan at year-end.

Certain mutual funds are valued at the daily closing price as reported by the fund. Select mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. These mutual funds held by the Plan are deemed to be actively traded. The NAV is readily determinable and the basis for current transactions.

The pooled separate account is valued at NAV of units as determined by the insurance companies. NAV is a readily determinable fair value and is the basis for current transactions.

The investments valued at NAV are not using NAV as the practical expedient.

Investment in the nonbenefit-responsive fixed account is valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. Plan management has various processes and controls in place to ensure that fair value is reasonably estimated. Valuation approaches are reviewed on an ongoing basis and revised as necessary based on changing market conditions to ensure values represent a reasonable exit price.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30:

	2023

NOTE 6 INDIVIDUAL ANNUITY CONTRACTS WITH INSURANCE COMPANIES

Each participant maintains an individual annuity contract with TIAA and/or CREF. As part of the contracts, TIAA may maintain a portion of the contributions in a “guaranteed account,” which is called the TIAA Traditional Fixed Account. The account is credited with earnings on the underlying investments and charged for withdrawals and administrative expenses charged by TIAA.

Certain individual annuity contracts are considered to be nonbenefit-responsive. These contracts are included in the financial statements at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. These contracts are subject to a 10-year withdrawal period. Upon termination of the contracts, the amount of each transfer payout annuity payment will be determined as of the annuity starting date for the transfer payout annuity by the amount of the TIAA Traditional Fixed Account accumulation and the interest rates in the rate schedules under which any premiums, additional amounts, and internal transfers were applied to the account.

Certain individual annuity contracts are considered to be benefit-responsive. These contracts are included in the financial statements at contract value, which represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Upon termination of the investment contract, the lump sum liquidation value of the guaranteed account portion of the participant’s accumulation value shall be equal to the product of (a) the participant’s guaranteed account accumulation value on the liquidation date, reduced by the liquidation charge applicable on the liquidation date and (b) a market value adjustment percentage. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 PLAN TAX STATUS

The Plan was restated to a prototype plan document executed on January 17, 2020 with an effective date of January 1, 2010. The Plan is placing reliance on an opinion letter the prototype plan received from the Internal Revenue Service (IRS) dated August 7, 2017 which stated the Plan was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

MOUNDS PARK ACADEMY RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 8 PLAN TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan provides for investment in a variety of investment securities. In general, investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by TIAA and CREF. TIAA and CREF are the insurance companies as defined by the Plan and, therefore, the investment transactions qualify as exempt party-in-interest transactions.

NOTE 11 NONEXEMPT TRANSACTION

The Company failed to remit employee deferral contributions for certain payroll periods within the timeframe prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and the IRC. The Company is working to correct the prohibited transaction by depositing the lost earnings.
