## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the  
The Local 10 of the Philadelphia Joint Board,  
Workers United and the Textile  
Maintenance Industry of Philadelphia & Vicinity  
Welfare & Security Fund

### Opinion

We have audited the financial statements of The Local 10 of the Philadelphia Joint Board, Workers United and the Textile Maintenance Industry of Philadelphia & Vicinity Welfare & Security Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of The Local 10 of the Philadelphia Joint Board, Workers United and the Textile Maintenance Industry of Philadelphia & Vicinity Welfare & Security Fund as of June 30, 2023 and 2022, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Local 10 of the Philadelphia Joint Board, Workers United and the Textile Maintenance Industry of Philadelphia & Vicinity Welfare & Security Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Local 10 of the Philadelphia Joint Board, Workers United and the Textile Maintenance Industry of Philadelphia & Vicinity Welfare & Security Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Local 10 of the Philadelphia Joint Board, Workers United and the Textile Maintenance Industry of Philadelphia & Vicinity Welfare & Security Fund's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Local 10 of the Philadelphia Joint Board, Workers United and the Textile Maintenance Industry of Philadelphia & Vicinity Welfare & Security Fund’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Reportable Transactions and Schedules of Administrative Expenses, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Reportable Transactions represents supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS**

JUNE 30, 2023 AND 2022

**NOTE 1. DESCRIPTION OF THE PLAN**

The following brief description of The Local 10 of the Philadelphia Joint Board, Workers United and the Textile Maintenance Industry of Philadelphia & Vicinity Welfare & Security Fund (the Plan) is provided for general informational purposes only. Participants should refer to the summary plan description for more complete information.

The Plan provides health and other benefits to eligible members of the former UNITE Local 10 Union which represented laundry workers in southeastern Pennsylvania and southern New Jersey and merged with Philadelphia Joint Board Workers United.

The Plan is a multiemployer welfare benefit plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The administrator of the Plan is its Board of Trustees. The Plan was established pursuant to various collective bargaining agreements.

The Plan provides accident, hospital, medical, surgical, vision and prescription benefits through a contract with an insurance company and hospital out-patient, doctor visits, dental and accidental death and dismemberment benefits through self-funding. Participants become eligible for major medical benefits the month following final payment of their union initiation fee and become eligible for self-insured benefits after becoming eligible and being enrolled in the major medical plan for six consecutive months. Reference should be made to the summary plan description for specific details as to benefits and eligibility.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Method of Accounting** - The accompanying financial statements are prepared using the accrual basis of accounting.

**Investments** - Investments in United States Government and Government Agency obligations and the money market mutual fund are carried at fair value which generally represents quoted market values or net asset value of the mutual fund as of the last business day of the year. The common trust fund is carried at net asset value of the trust fund as provided by the trust.

**Contributions Receivable** - Contributions due and not paid prior to year end are recorded as contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided.

## NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

**Furniture and Equipment** - Furniture and equipment are recorded at cost. Major additions are capitalized while replacements, maintenance and repairs which do not improve or extend the lives of the respective assets are expensed currently. Depreciation is computed over the estimated useful lives (five years) of the related assets by the straight-line method. Depreciation expense was \$3,002 and \$3,671 for the years ended June 30, 2023 and 2022, respectively.

**Benefit Obligations** - Insured claims reported but not paid and claims incurred but not reported at year end will be paid by the insurance company and, accordingly, are not included in the accompanying financial statements. Self-insured claims reported but not paid and claims incurred but not reported at year end are estimated by the Plan's management based on claims experience.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

**Stop Loss** - Premiums for stop loss insurance are included in cost of benefits in the accompanying statement of changes in net assets available for benefits. There were no stop loss reimbursements for the years ended June 30, 2023 and 2022.

**Refunds** - Refunds due from the Plan's Pharmacy Benefit Manager (PBM) are recorded when earned. Rebates are generally received within 150 days of the last day of the previous quarter. Refunds due as of the financial statement date have been reported as a receivable, to the extent this information is available, with the offset being netted against prescription claims. Pharmacy rebates totaling \$59,125 and \$102,932 have been netted with prescription claims in the accompanying statements of changes in net assets available for benefits for the years ended June 30, 2023 and 2022, respectively.

## NOTE 3. TERMINATION OF PLAN AND PLAN MERGER

The Plan merged into the Local 274 Health and Welfare Fund effective June 30, 2023, and therefore, terminated on that date.

Net assets available for benefits and benefit obligations transferred to the Local 274 Health and Welfare Fund consisted of the following:

Net Assets Available for Benefits	
Investments - at fair value	\$ 2,398,362
Receivables	183,157
Deposit with Insurance Administrators	135,100
Cash	139,507
Prepaid expenses	40,083
Furniture and equipment - net	4,208
Accrued administrative expenses	<u>(137,507)</u>
Net Assets Available for Benefits transferred	<u>\$ 2,762,910</u>

**NOTE 3. TERMINATION OF PLAN AND PLAN MERGER (continued)**

Benefit Obligations	
Claims payable and claims incurred but not reported	<u>\$ 79,456</u>
Benefit Obligations transferred	<u><u>\$ 79,456</u></u>

**NOTE 4. TAX STATUS**

The Plan received its latest determination letter on April 20, 1961 in which the Internal Revenue Service stated that the Plan, as then designed, qualified under Section 501(c)(9) of the Internal Revenue Code and was, therefore, exempt from Federal income taxes. The Plan has been amended since receiving the determination letter. The Plan administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

**NOTE 5. FUNDING POLICY**

The participating employers contribute such amounts as specified in the collective bargaining agreements and are accounted for as exchange transactions. The weekly contribution rates ranged from \$111 to \$135 for the year ended June 30, 2023 and \$111 to \$135 for the year ended June 30, 2022.

**NOTE 6. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**NOTE 6. FAIR VALUE MEASUREMENTS (continued)**

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.
