## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the  
Best Companies 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements Best Companies 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Best Companies 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report.

Alexander & Williams, LLC  
5050 Quorum Drive, Suite 700  
Dallas, Texas 75254

We are required to be independent of Best Companies 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Best Companies 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Best Companies 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Best Companies 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BEST COMPANIES 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**1. DESCRIPTION OF THE PLAN**

The following description of the Best Companies 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Best Companies (the “Company” or “Plan Sponsor”), as well as the controlled group consisting of Snowtree and Van Wies Point LLC (collectively, the “Employers”), except for non-resident aliens and residents of Puerto Rico. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Investment Committee is responsible for the oversight of the Plan, determining the appropriateness of the Plan’s investment offerings, and monitoring investment performance.

Contributions

The Plan is funded through pre-tax and Roth employee elective deferrals and employer contributions. A participant may elect to contribute up to 90% of his or her eligible compensation, subject to certain maximum limitations imposed by the Internal Revenue Code (IRC) (\$20,500 for 2022). Employees who are eligible to make elective deferrals under the Plan and who have attained the age of fifty before the close of the plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC (\$6,500 for 2022). Rollover contributions representing distributions from other qualified defined benefit or contribution plans are permitted and may be contributed prior to meeting the eligibility requirements for participation in the Plan. Effective February 1, 2023, the Plan’s provisions were amended to include an automatic deferral provision, whereby employees who become Plan participants subsequent to this date would be auto enrolled within the Plan at a contribution deferral rate of 1%.

The Plan provides for mandatory safe harbor matching contributions. The safe harbor matching contributions are equal to 100% of employee deferrals which do not exceed 3% of participants’ compensation, plus 50% of the amount of employee deferrals that exceed 3% but do not exceed 5% of participants’ compensation. During the year ended December 31, 2022, the employers made safe harbor contributions totaling \$57,647, of which \$1,089 has been accrued at December 31, 2022.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, employer contributions, and an allocation of Plan earnings or losses. Participants may modify investment elections, transfer existing account balances, and obtain information regarding the investments daily.

Vesting

Participants are immediately vested in both employee and employer contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The term of the loan should not exceed five years, except for loans associated with the purchase of a primary residence. The loans are secured by the balance in the participant’s account and bear interest at the Prime Rate plus 2%. A participant may not have more than two loans outstanding at any time. Loan repayments are made through payroll deductions, and each payment, which includes interest, is credited to the participant’s loan account.

**BEST COMPANIES 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**1. DESCRIPTION OF THE PLAN (continued)**

Distributions to Participants

Upon normal retirement age, death, disability, or termination of employment a participant's benefits are payable in a lump-sum, substantially equal installments, or partial withdrawals equal to 100% of the participant's vested account balance. Employees may also make hardship withdrawals on their entire account balance. Account balances of \$5,000 or less at the time of distributions will be "cashed" out as either an involuntary lump sum payment or by direct rollover into an individual retirement plan, based on certain criteria, as defined in the Plan document.

Forfeited Accounts

Forfeitures are used to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan, such as employer contributions. During the year ended December 31, 2022, no forfeitures were used to pay Plan expenditures or to reduce employer contributions. At both December 31, 2022 and 2021, forfeited non-vested accounts totaled \$10.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are presented on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment manager and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the gains and losses on the Plan's investments bought and sold as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022.

Payment of Benefits

Benefit payments to participants are recorded when paid.

**BEST COMPANIES 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the employers. Expenses that are paid by the employers are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

During the year ended December 31, 2022, the Plan incurred administrative expenses of \$7,526. These charges are reflected in the accompanying statement of changes in net assets available for benefits.

Recent Accounting Pronouncements

During the year ended December 31, 2022, and through March 19, 2024, there were several new accounting pronouncements issued by the Financial Accounting Standards Board (FASB). Each of these pronouncements, as applicable, has been or will be adopted by the Plan. Plan management does not believe the adoption of any of these accounting pronouncements has had or will have a material impact on the Plan's financial statements.

Date of Management Review

Subsequent events were evaluated through March 19, 2024, which is the date the financial statements were available to be issued.

**3. UNAUDITED INVESTMENT INFORMATION CERTIFIED BY TRUSTEE**

The Plan Administrator has elected the method of compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor Rules and Regulations and disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the trustee, Reliance Trust Company, and was not subjected to any auditing procedures performed by the independent public accountants.

- a. All investments shown in the accompanying statements of net assets available for benefits.
- b. Net investment income (loss) from the investments, as shown in the accompanying statement of changes in net assets available for benefits, including net realized and unrealized appreciation (depreciation) in the fair value of assets.
- c. Notes receivable from participants shown in the accompanying statements of net assets available for benefits, including related interest income as shown in the accompanying statement of changes in net assets available for benefits.

**4. FAIR VALUE MEASUREMENTS**

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC Topic 820 are described on the following page.

**BEST COMPANIES 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**4. FAIR VALUE MEASUREMENTS (continued)**

|                |                                                                                                                                                                                                              |
|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <u>Level 1</u> | Valuations based on unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;                                                |
| <u>Level 2</u> | Valuations based on quoted prices in markets that are not active, or financial instruments for which all significant inputs are observable; either directly or indirectly; and                               |
| <u>Level 3</u> | Valuations based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable; thus, reflecting assumptions about the market participants. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 or 2021.

*Mutual Funds:* Valued at the net asset value or quoted market prices of shares held by the Plan at year end.

*Common/Collective Trust Funds:* Valued at the net asset value of units held by the Plan at year end. The net asset value is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following tables set forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to their fair value measurement.

| Assets at Fair Value as of December 31, 2022 |              |         |         |              |

**4. FAIR VALUE MEASUREMENTS (continued)**

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying statements of net assets available for benefits.

The following table summarizes investments measured at fair value measured using the net asset value practical expedient as of December 31, 2022 and 2021. There are no participation redemption restrictions for these investments.

| <b>December 31, 2022</b>      | <b>Fair Value</b> | <b>Unfunded Commitments</b> | <b>Redemption Frequency</b> | <b>Redemption Notice Period</b> |
|-------------------------------|-------------------|-----------------------------|-----------------------------|---------------------------------|
| Common/Collective Trust Funds | \$ 73             | Not Applicable              | Daily                       | Not Applicable                  |
| <b>December 31, 2021</b>      | <b>Fair Value</b> | <b>Unfunded Commitments</b> | <b>Redemption Frequency</b> | <b>Redemption Notice Period</b> |
| Common/Collective Trust Funds | \$ 10             | Not Applicable              | Daily                       | Not Applicable                  |

**5. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

A related party is any party who can control or significantly influence Plan management or operating policies. Parties-in-interest are defined under DOL Regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employers whose employees are covered by the Plan, and certain significant owners of the employers and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (the TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During 2022, the Plan made direct payments of \$7,526 to certain parties-in-interest for administration and recordkeeping, as allowed by ERISA. The Plan Sponsor pays directly any other fees related to the operation of the Plan.

Fees incurred by the Plan for the investment management services are included in the net appreciation (depreciation) in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

**6. PLAN TERMINATION**

Although they have not expressed any intent to do so, the employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100% vested in all employer contributions.

**7. TAX STATUS**

The Plan is a Non-Standardized Pre-Approved Profit-Sharing/Money Purchase Plan with Cash or Deferred Arrangement. The IRS has determined and informed the Plan by a letter dated October 6, 2020, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. As such, no provision for income tax has been included in the Plan's financial statements.

**BEST COMPANIES 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**7. TAX STATUS (continued)**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

**8. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
