American Councils 403(b) Retirement Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of American Councils 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended June 30, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of American Councils 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the Financial Statements

We do not express an opinion on the financial statements referred to above of American Councils 403(b) Retirement Plan. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the Financial Statements* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the Financial Statements

American Councils 403(b) Retirement Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements referred to above may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Councils 403(b) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct the audits of American Councils 403(b) Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the *Basis for Disclaimer of Opinion on the Financial Statements* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of American Councils 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion on the Financial Statements* section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

AMERICAN COUNCILS 403(B) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

The following description of the American Councils (the Employer) 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective June 1, 1990. The Plan has been amended and restated throughout the years to comply with tax legislation and most recently amended effective January 1, 2022. The Plan is subject to ERISA.

Eligibility

Employees are eligible to participate in the salary reduction arrangement in the Plan immediately upon hire and are eligible to receive the Employer contribution after completion of two years of service and attainment of age 21, except for nonresident aliens, employees who normally work less than 20 hours per week, interns, consultants, employees with the title Country Director II, and temporary employees. However, if a temporary employee or employees who normally works less than 20 hours per week complete one year of service, the employee will enter the Plan for purposes of the qualified nonelective contribution on the next entry date. Employees become participants immediately after the date the employee has met the participation requirements for employee deferrals and the 1st day of the month following attainment of eligibility for employer contributions.

Effective January 1, 2022, the Plan elected predecessor employer service crediting for employees of Graduate School USA who became employees of American Councils for International Education on January 1, 2022.

Contributions

The Plan includes a salary deferral arrangement allowed under Section 403(b) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage or fixed dollar amount, limited by Plan provisions, of their compensation contributed as pre-tax 403(b) and/or Roth contributions to the Plan. In addition, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

The Employer may, at its discretion, elect to make a qualified nonelective contribution to the Plan. For the period July 1, 2022 through December 31, 2022 and the year ended June 30, 2022, the Employer approved and contributed 7% of a participant's eligible compensation to the Plan. For the period January 1, 2023 through June 30, 2023, the Employer approved and contributed 7.5% of a participant's eligible compensation to the Plan.

AMERICAN COUNCILS 403(B) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's discretionary qualified nonelective contribution, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are immediately vested in all contributions plus actual earnings thereon.

Plan Loans

Participants in the Plan may borrow up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. These loans are direct loans between the participant and TIAA, the insurance company. Loan repayment terms are generally for a period of up to five years, with exceptions permitted for the purchase of a principal residence.

The interest rate applied to plan loans is based on the monthly average yield reported by Moody's Corporate Bond Yield Averages as published by Moody's Investors Service, Inc. for the calendar month ending two months before the loan is issued. The interest rate is subject to change once each year on the first day of the month in which the loan was made. The related loan repayments, including both principal and interest are the responsibility of the participant, and are payable to TIAA on a monthly or quarterly basis, as stated in the individual loan agreements.

Loans are collateralized at 110% of the original loan value which is transferred from the participant's accumulation account into a distinct TIAA Traditional Annuities Account. The collateralized funds remain in Plan assets throughout the term of the loan, earning interest over the loan term, and are included in the balance for TIAA Traditional Annuities, which are investments that are reported in the statements of net assets available for benefits. As loan repayments are made to TIAA, an amount equal to the principal portion of the repayments is transferred from the TIAA Traditional Annuities Account to the participant's accumulation account. All interest earned on the loan is maintained by TIAA. The Plan loan balances included in TIAA Traditional Annuities were \$4,188 and \$9,678 as of June 30, 2023 and 2022, respectively, and were collateralized by approximately \$4,607 and \$10,645 of investments included in the statements of net assets available for benefits as of June 30, 2023 and 2022, respectively. As of June 30, 2023 and 2022, there were no loans in default.

Effective January 1, 2022, TIAA has stopped issuing collateralized plan loans.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may also borrow from their accounts with One America (agent for American United Life Insurance Company (AUL), the insurance company) a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest, which are commensurate with local prevailing rates as determined by the Plan administrator. Loans are to be repaid within a period of five years, unless used for the purchase of a principal residence, in which repayment is up to 30 years. Principal and interest is paid ratably through regular payroll deductions.

Benefit Payments

Upon termination of service, death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump-sum distribution or installments. In-service withdrawals are permitted for financial hardships and for participants who have reached the age of 59½ subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce future Employer contributions. As of June 30, 2023 and 2022, there was no balance in forfeited nonvested accounts. There were \$-0- and \$3,870 of forfeitures used to reduce Employer contributions for the years ended June 30, 2023 and 2022, respectively. There were no forfeitures used to pay administrative expenses for the years ended June 30, 2023 and 2022, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2023 or 2022. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

The Plan's expenses are paid by either the Plan or the Employer, as provided by the Plan document. Expenses paid directly by the Employer are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) of fair value of investment presented in the accompanying statements of changes in net assets available for benefits. The Plan has a revenue sharing agreement in place with their service provider, American United Life Insurance Company (AUL). The plan used \$34,119 and \$42,170 to reduce administrative expenses, during the years ended June 30, 2023 and 2022, respectively.

Subsequent Events

The Plan has evaluated subsequent events through March 6, 2024, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

AUL and TIAA and CREF, the qualified institutions of the Plan, have supplied the Plan administrator with certifications as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of June 30, 2023 and 2022, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of June 30, 2023.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at June 30, 2023 and 2022.

Pooled Separate Accounts (PSA): Valued at the net asset value (NAV) of the shares held by the Plan. The unit value of the fund is based on the market value of the underlying investments and is calculated daily and available to Plan administrators and client investors on TIAA's or American United Life Insurance Company's website. The PSA's NAV is not a publicly quoted price in an active market.

Subaccounts of Variable Annuities: Valued at NAV of shares, which are valued by TIAA and CREF at accumulation unit value based on the estimated value of the underlying investments, held by the Plan at year-end. The unit value of the fund is calculated daily and available to Plan administrators and client investors on TIAA and CREF's website. In an effort to reduce market timing and excessive trading, shareholders will be locked out of a fund for 90 days if a purchase, sale, and repurchase with that fund is made within a 60-day period.

Nonbenefit Responsive Fixed Account: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30:

2023

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

Each participant maintains individual annuity contracts with TIAA. As part of the contracts, TIAA may maintain a portion of the contributions in a “guaranteed account,” which is called the Traditional Fixed Account. This account is credited with earnings on the underlying investments and charged for withdrawals and administrative expenses. The guaranteed minimum rate of interest is based on a formula established by TIAA and is between 1% and 3%. Any additional interest is not guaranteed. The Traditional Fixed Account does not permit TIAA to terminate the agreement prior to the scheduled maturity date.

Certain Traditional Fixed Account individual annuity contracts are considered to be nonbenefit responsive. These contracts are included in the financial statements at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. These contracts are subject to a 10-year withdrawal period. Upon termination of the contracts, the amount of each transfer payout annuity payment will be determined as of the annuity starting date for the transfer payout annuity by the amount of the Traditional Fixed Account accumulation and the interest rates in the rate schedules under which any premiums, additional amounts, and internal transfers were applied to the account.

Certain Traditional Fixed Account individual annuity contracts meet the fully benefit-responsive criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Upon termination of the investment contract, the lump-sum liquidation value of the guaranteed account portion of the participant’s accumulation value shall be equal to the product of (a) the participant’s guaranteed account accumulation value on the liquidation date, reduced by the liquidation charge applicable on the liquidation date and (b) a market value adjustment percentage. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

AMERICAN COUNCILS 403(B) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The Plan also has an investment contract with American United Life Insurance Company (AUL), the contract issuer, during the years ended June 30, 2023 and 2022. The contract issuer maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to assure that the contract crediting rate will not be adjusted to less than zero.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include, but are not limited to the following; complete or partial plan termination, the establishment, or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does permit the insurance companies to terminate the agreement prior to the scheduled maturity date.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter from the IRS on the prototype plan indicating that the Plan is designed in accordance with the applicable section of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE 8 PLAN TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by TIAA and CREF and AUL, the qualified institutions of the Plan; therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of June 30:

	<u>2023</u>	<u>2022</u>
Net Assets Available for Benefits per Financial Statements	\$ 36,210,358	\$ 30,356,515
Miscellaneous Adjustment	(55)	(50)
Net Assets Available for Benefits per Form 5500	<u>\$ 36,210,303</u>	<u>\$ 30,356,465</u>

The following is a reconciliation of net increase (decrease) per the financial statements to Form 5500 for the years ended June 30:

	<u>2023</u>	<u>2022</u>
Net Increase (Decrease) in Net Assets Available for Benefits per Financial Statements	\$ 5,853,843	\$ (3,761,092)
Miscellaneous Adjustment	(5)	8
Net Increase (Decrease) in Net Assets Available for Benefits per Form 5500	<u>\$ 5,853,838</u>	<u>\$ (3,761,084)</u>

Certain AUL investments are pooled separate accounts and TIAA and CREF investments are subaccount variable annuities, as classified in the financial statements included herein. The pooled separate accounts and subaccount variable annuities did not file a Form 5500 for the direct filing entity; therefore, the underlying assets have been reported on the Form 5500, Schedule H.

NOTE 11 HISTORICAL PLAN ADMINISTRATION

Prior to 2009, the Plan's third-party administrators tracked contributions, investment earnings, distributions and other activity on a "contract" basis. Each participant was setup as having a separate "contract" and Plan level activity was not captured. This method of administration was utilized prior to January 1, 2009 as the regulations governing 403(b) plans did not require Plan level reporting. The Plan administrator believes a good faith effort was made to obtain all relevant information prior to January 1, 2009. However, as a result of the method of administration and lack of historical Plan level financial reporting, the Plan administrator is unable to obtain Plan level information prior to January 1, 2009.
