INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Management of
the AR Medicom, Inc. 401k Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AR Medicom, Inc. 401k Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AR Medicom, Inc. 401k Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Relationships Are Our Assets.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AR Medicom, Inc. 401k Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AR Medicom, Inc. 401k Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AR Medicom, Inc. 401k Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AR Medicom, Inc. 401k Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year and reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sincerely,

Profit Sharing Plan and Trust
Notes to Financial Statements
December 31, 2022 and 2021**

Note 1 - Description of the Plan

The following description of the AR Medicom Inc. 401k Profit Sharing Plan and Trust (the "Plan") sponsored by United Medical Enterprise, Inc. (the "Company") provides only general information. For a more complete description of the Plan's provisions, refer to the agreement governing the Plan (the "Plan Agreement").

General - The Plan is a defined contribution plan covering substantially all full-time employees of the organization who have reached the age of twenty-one (21) years old. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 "ERISA".

Contributions - Each year, participants may defer a portion of their pre-tax compensation into the Plan, not to exceed certain limitations set forth by the Internal Revenue Code. Limits are adjusted annually for cost-of-living increases as determined by the Internal Revenue Service. Participants who have attained the age of fifty (50) before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans upon meeting the eligibility requirements of the Plan. The Company contributes twenty-five percent (25%) of the first four percent (4%) of base compensation a participant contributes to the Plan.

Investment Elections - Each participant may direct contributions to be invested in one or more of the twenty-three (23) investment funds. Investment allocations may be changed by the participant.

Participant Accounts - Each participant's account is credited with the participant's pre tax and rollover contributions and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with losses, withdrawals and allocation of administrative expenses. Earnings, expenses, and gains and losses on investments are allocated to participant accounts based on participant earnings or account balances, as defined in the Plan agreement.

Vesting - All participants contributions and amounts rolled into the plan are always vested one hundred percent. Matching contributions from the Company vest according to the following schedule.

<u>Years of Service</u>	<u>Vested %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

AR Medicom Inc. 401k
Profit Sharing Plan and Trust
Notes to Financial Statements
December 31, 2022 and 2021

Note 1 - Description of the Plan (continued)

Participant Loans - The Plan allows for participants to receive loans of up to fifty percent (50%) of their vested balance with a minimum loan amount of \$500 and a maximum of \$50,000. Loans must be fully repaid through payroll deductions within 5 years unless the loan is used for the purchase of a primary residence which can be repaid over 30 years. The interest rate for each loan is prime plus 2% as of the date the loan is effective. Participants are limited to one outstanding loan at a time. Prepayment of loan balances is allowed by certified check at any time.

Distribution of Benefits - Upon termination of services due to death, disability or retirement, a participant may elect to receive a distribution of their vested interest in their account in a single lump sum distribution or direct rollover. Partial or installment distributions are only permitted for participants and beneficiaries who must receive required minimum distributions according to the Internal Revenue Code. If upon termination of employment or retirement, the account balance is \$5,000 or greater, election to defer payment can be made directly after the severance of employment. For accounts with vested balances less than \$5,000, the Plan will rollover the participant's balance into an IRA if no election to receive or roll over is made upon severance. Accounts with balances less than \$1,000 will be distributed to the participant as a cash lump-sum distribution.

Hardship Distributions - The plan does allow participants to request distributions in the event of a financial hardship up to the total amount of elective deferrals plus any vested matching or nonelective contributions. The participant must be suffering an immediate and heavy financial hardship and exhausted all other source options.

Note 2 - Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared under the accrual basis of accounting with the exception of benefits paid to participants, which are recorded when paid, in accordance with accounting principles generally accepted in the United States of America "GAAP".

Investments - Investments are recorded at fair value. The Plan has adopted Accounting Standards Codification "ASC" 820 - Fair Value Measurements and Disclosures guidance which establishes a framework for measuring fair value under GAAP. Investments in pooled separate accounts are recorded at fair value as provided by the "Trustee".

Benefits - Benefits are recorded when paid.

Expenses - The Plan's administrative expenses are paid by either the Plan or the Company as provided by the Plan document.

Estimates - The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of the net assets available for benefits and the changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Profit Sharing Plan and Trust
Notes to Financial Statements
December 31, 2022 and 2021

Note 2 - Significant Accounting Policies (continued)

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities, in general, are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Income Recognition - Net appreciation in the fair value of investments represents the change in fair value during the year, including unrealized gains and losses. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Note 3 - Information Certified by the Plan's Trustee, (unaudited)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company as of December 31, 2022 and 2021, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule of assets held at year end.

	<u>2022</u>	<u>2021</u>
Statement of net assets available for benefits:		
Registered investment company	\$ <u>2,222,830</u>	\$ <u>2,332,806</u>
Net appreciation (depreciation) of investments	\$ <u>(323,726)</u>	\$ <u>290,682</u>

Note 4 - Fair Value Measurements

ASC 820, Fair Value Measurements and Disclosures, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quote prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 Measurements). The three levels of the fair value hierarchy are described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Note 4 - Fair Value Measurements (continued)

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other valuation methodologies.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2022 and 2021.

Registered Investment Company: Investments are valued daily using active quoted market prices based on the NAV of underlying mutual funds or securities that are publicly available.

The methods described above may produce a fair value calculation that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following information sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	<u>2022</u>	<u>2021</u>
Level 1		
Registered investment company	\$ 2,222,830	\$ 2,332,806
Level 2		
None invested	0	0
Level 3		
None invested	0	0
	<u>\$ 2,222,830</u>	<u>\$ 2,332,806</u>

Note 5 - Party-in-Interest Transactions

ADP performs recordkeeping services to the plan and therefore qualifies as a party in interest. Fees paid by the Plan for these services amounted to \$19,037 and \$19,144 for the years ended December 31, 2022 and 2021.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 6 - Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants remain one hundred percent (100%) vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts based on participant earnings and distributed in such a manner as defined by the Plan.

Note 7 - Tax Status

The Internal Revenue Service has determined and informed the Company, effective January 1, 1999, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, is therefore, is tax-exempt.

Note 8 - Subsequent Events

The Company has evaluated its December 31, 2022 and 2021 financial statements for subsequent events through October 3, 2023, the date which the financial statements were available to be issued. As of this date, there were no material subsequent events requiring adjustment to the financial statements for the year ended December 31, 2022.
