## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator, Participants and Beneficiaries  
Periscope Intermediate Corp. 401(k) Plan  
Austin, Texas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Periscope Intermediate Corp. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets in liquidation available for benefits as of March 31, 2022 and December 31, 2021, and the related statements of changes in net assets in liquidation available for benefits for the three-month period ended March 31, 2022, and the year ended December 31, 2021 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Periscope Intermediate Corp. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Reliance Trust Company, the Custodian, as of and for the three-month period ended March 31, 2022 and the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Emphasis of Matter – Basis of Accounting**

As discussed in Note B to the financial statements, the governing body of Periscope Intermediate Corp. 401(k) Plan approved a plan of liquidation on December 3, 2021, as management determined liquidation is imminent. As a result, the Plan's basis of accounting used in presenting the 2022 and 2021 financial statements is the liquidation basis of accounting. Our opinion is not modified with respect to that matter.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

**Auditor's Responsibilities for the Audit of the Financial Statements – continued**

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

*Basis of Presentation:* The financial statements of Periscope Intermediate Corp. 401(k) Plan (the "Plan") are prepared on the accrual method of accounting in accordance with U.S. generally accepted accounting principles.

The Plan Sponsor adopted a resolution to terminate the Plan on December 3, 2021 and net Plan assets of \$6,966,544 were distributed from the Plan on March 31, 2022 and transferred to the MDF Commerce benefit plan. As a result, the Plan's financial statements as of and for the three-month period ended March 31, 2022 and the year ended December 31, 2021 have been prepared on the liquidation basis. See Note B.

*Investment Valuation and Income Recognition:* Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by investment advisers and the custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Notes Receivable from Participants:* Participants' notes receivables are stated at their unpaid principal balance plus accrued interest. An allowance was not considered necessary at year end. Interest on participants' notes receivable are recorded on the accrual basis. If a participant ceases to make a loan payment and the Plan Administrator deems the participant note to be in default, the loan balance is reduced and a benefit payment to the participant is recorded.

*Benefit Payments:* Benefits are recorded when paid.

*Plan Expenses:* Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

*Subsequent Events:* Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

*Use of Estimates:* The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

**NOTE B – PLAN TERMINATION AND LIQUIDATION BASIS OF ACCOUNTING**

Following the sale of the Plan Sponsor, Periscope Intermediate Corp., to MDF Commerce in August 2021, Plan management adopted a resolution on December 3, 2021 to terminate the Plan effective March 31, 2022. Accordingly, the Plan's financial statements as of the three-month period ended March 31, 2022 and the year ended December 31, 2021 have been prepared on the liquidation basis.

The liquidation basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable, and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement amounts. The Plan had no assets as of March 31, 2022 as liquidation had taken place. The estimated net realizable value for investments as of December 31, 2021 is fair value.

**NOTE C – DESCRIPTION OF PLAN**

The following description of Periscope Intermediate Corp. 401(k) Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

*General:* The Plan was a defined contribution plan formed on January 1, 2016. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and covered substantially all full-time employees of Periscope Intermediate Corp., the Plan Sponsor, who were age twenty-one or older and were not a member of an excluded class. The Plan was for the exclusive benefit of its participants and their beneficiaries.

*Contributions:* Participants were able to contribute to the Plan as allowed by the Internal Revenue Code and the Plan. Participants could also contribute amounts representing distributions from other qualified plans. The Plan Sponsor made matching contributions on an annual basis. The contributions were made in an amount equal to 100% of participant deferrals on the first 3% of eligible compensation and 50% of participant deferrals on the next 2% of eligible compensation (as defined by the Plan). The Plan Sponsor could also contribute discretionary profit-sharing contributions. No discretionary profit-sharing contributions were approved or made for 2022 or 2021.

*Participant Accounts:* Each participant's account was credited with his or her contributions as well as allocations of (a) the Plan Sponsor's contributions and (b) Plan earnings, and (c) charged with an allocation of administrative expenses. The Plan Sponsor generally paid all administrative expenses directly or from participant forfeitures. Allocations were based on participant contributions or account balances, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

*Vesting:* Participants were immediately vested in all contributions plus earnings thereon. Vesting in the Company's discretionary contribution was based on years of service. A participant is 33% vested after one year of service, 67% for after two years, and is fully vested after three years.

*Forfeitures:* Forfeitures were retained to pay for administrative expenses, allocated to the remaining participants or considered as employer contributions. There were no forfeited non-vested accounts at either period end.

*Participants' Notes Receivable:* Participants were allowed borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants could only have one loan at a time. Loan terms ranged from 1 to 5 years, unless for purchase of a primary residence, in which case loan terms could extend to 30 years. The loans were secured by the balance in the participant's account and bore interest at the prime rate plus 1%. Principal and interest were paid ratably through payroll deductions.

**NOTE C – DESCRIPTION OF PLAN – continued**

*Payment of Benefits:* Upon death, disability, termination, or retirement of a participant, vested benefits were paid to the participant or the designated beneficiary. Upon termination of service any vested balance that exceeded \$5,000 could not be distributed before normal retirement without the participant's consent, and any vested balance that did not exceed \$5,000 was paid directly to the participant in the form of a cash, lump-sum distribution. Benefits were payable via various options as described more fully in the Plan agreement. Hardship withdrawals were available subject to certain limitations.

*Plan Termination:* The Plan Sponsor held the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. See Note B.

**NOTE D – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)**

As permitted by Department of Labor CFR 2520.103-8, investments and participants' notes receivable at March 31, 2022 and December 31, 2021 and the related investment earnings and interest on participants' notes for the three-month period and year then ended were certified and held by Reliance Trust Company, the Plan Custodian, and were not audited by the independent auditor.

**NOTE E – FAIR VALUE MEASUREMENTS**

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
  - quoted prices for identical or similar assets or liabilities in inactive markets
  - inputs other than quoted prices that are observable for the asset or liability
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means
  - if the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NOTE E – FAIR VALUE MEASUREMENTS – continued**

As of March 31, 2022, the Plan had no investments as it terminated and liquidated on that date. The following table sets forth by level, within the fair value hierarchy, the Plan’s investments measured at fair value as of December 31, 2021:

	<b>Fair Value Measurements Using</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Mutual funds	\$ 7,210,231	\$ -	\$ -	\$ 7,210,231
Investments measured at fair value	<u>\$ 7,210,231</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,210,231</u>

There have been no changes in methodologies used to determine fair value, nor transfers between levels. Following is a description of the valuation methodologies used for investments measured at fair value:

*Mutual funds:* Valued at quoted prices in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE F – INCOME TAX STATUS**

The Plan operates under a prototype plan document sponsored by ADP, LLC. ADP, LLC received an opinion letter which stated that the prototype plan document is designed in accordance with the applicable sections of the Internal Revenue Code. The Plan has been amended since the date of the opinion letter. However, the Plan administrator and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal income tax returns for the last four years remain subject to examination.

**NOTE G – TRANSACTIONS WITH PARTIES-IN-INTEREST**

The Plan’s administrative expenses are paid either by the Plan or the Plan Sponsor as allowed by the Plan document. Expenses paid directly by the Plan sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets in liquidation available for benefits. In addition, certain investment-related expenses are included in net (depreciation) appreciation of fair value of investments.

Net change per Form 5500	<u><u>\$ (625,301)</u></u>	<u><u>\$ 1,047,672</u></u>

The transfer of net assets per the statement of changes in net assets in liquidation available for benefits amounts to \$6,966,544. The transfer of net assets per the Form 5500 amounts to \$6,632,612. This difference is due to an employer contribution receivable that was outstanding at December 31, 2021 that had not been paid as of the plan termination on March 31, 2022.
