INDEPENDENT AUDITORS' REPORT

Investment Committee
Career Path Services 403(b) Plan
Spokane, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Career Path Services 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we —

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Career Path Services 403(b) Plan

Notes to Financial Statements

Note 1 – Description of the Plan

The following description of Career Path Services 403(b) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for more complete information.

- a. **General** – The Plan is a defined contribution plan covering substantially all employees of Career Path Services (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An employee automatically becomes a participant in the elective deferral portion of the Plan on their first day of employment with the Company.
- b. **Contributions** – Participants make voluntary contributions to the Plan through payroll deductions of up to the Internal Revenue Service (IRS) maximum allowable contribution. Each plan year, employees of the Company who have reached 18 years of age and completed one year (1,000 hours) of continuous service are eligible to participate in the employer contribution portion of the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company may elect to contribute an amount determined annually. Participants may direct contributions to any of the available options offered by the Plan. Participant contributions may be either on a pre-tax (traditional) or post-tax (Roth) basis. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).
- c. **Participant accounts** – Each participant's account is credited with the participant's contributions and allocations of 1) the Company's contribution and 2) plan earnings and losses and is charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d. **Vesting** – Participants are 100% vested in participant deferrals. For employer contributions, vesting occurs as follows:

Participants hired prior to 7/1/2020:

• Less than one year of vesting service	0%
• One year but less than two years of vesting service	0%
• Two years but less than three years of vesting service	20%
• Three years or more of vesting service	100%

Participants hired after 7/1/2020:

• One year of vesting service	20%
• Two years of vesting service	40%
• Three years of vesting service	60%
• Four years of vesting service	20%
• Five years or more of vesting service	100%

Career Path Services 403(b) Plan

Notes to Financial Statements

Note 1 – Description of the Plan (Continued)

- e. **Payment of benefits** – For in-service distributions (distributions while still employed with the Company), participants are allowed to 1) take distributions from their vested account balance once they reach age 59.5; 2) distribute any of their rollover contribution account balances; and 3) take distributions due to qualified hardships, provided that certain requirements specified in the plan document are met. For after-termination distributions, participants may take a distribution of their account balance immediately after their employment is terminated. Participants' nonforfeitable account balances less than \$1,000 shall be distributed in a lump-sum payment. Balances \$1,000 or greater, but less than \$5,000, shall be converted to an IRA. Benefits are distributed according to provisions set forth in the plan document.
- f. **Administration of the Plan** – The Plan is administered by the Company in the form of an investment committee. Plan assets are invested in accordance with the employee's instructions. Records of participant account activity are processed and maintained by Randall & Hurley, Inc., and Great-West Life and Annuity Insurance Company (dba Empower Retirement). Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.
- g. **Forfeited accounts** – Forfeitures are used first to pay reasonable administrative expenses and then to reduce nonelective employer contributions. Forfeitures of \$21,872 and \$16,878 were used to pay Plan expenses during the years ended June 30, 2023 and 2022, respectively. Amounts held in forfeiture available to be used to pay administrative expenses and then to reduce nonelective employer contributions at June 30, 2023 and 2022, were \$105,509 and \$102,912, respectively.
- h. **Notes receivable from participants** – Notes receivable from participants are not available under the Plan.

Note 2 – Summary of Significant Accounting Policies

- a. **Basis of accounting** – The accounting records of the Plan are maintained on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.
- b. **Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- c. **Investment valuation and income recognition** – Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of shares are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Career Path Services 403(b) Plan

Notes to Financial Statements

Note 2 – Summary of Significant Accounting Policies (Continued)

- d. **Payment of benefits** – Benefits are recorded when paid.
- e. **Administrative expenses** – Administrative expenses are paid by either the Plan or the Plan's sponsor as provided by the plan document. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.
- f. **Subsequent events** – Subsequent events have been evaluated through March 26, 2024, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Career Path Services 403(b) Plan

Notes to Financial Statements

Note 3 – Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Level 1 – Mutual funds are valued at the net asset value of shares held by the Plan at year end.

Level 2 – Fixed annuities are insurance contracts that are valued daily by the annuity provider by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

Level 3 – The Plan had no investments that are classified as Level 3 for the years ended June 30, 2023 or 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Investments at Fair Value as of June 30, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,650,632	\$ -	\$ -	\$ 5,650,632
Fixed annuities	-	178,799	-	178,799
	<u>\$ 5,650,632</u>	<u>\$ 178,799</u>	<u>\$ -</u>	<u>\$ 5,829,431</u>
Investments at Fair Value as of June 30, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,986,012	\$ -	\$ -	\$ 4,986,012
Fixed annuities	-	209,584	-	209,584
	<u>\$ 4,986,012</u>	<u>\$ 209,584</u>	<u>\$ -</u>	<u>\$ 5,195,596</u>

Note 4 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Career Path Services 403(b) Plan

Notes to Financial Statements

Note 5 – Tax Status

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC) and, accordingly, the Trust's net investment income is exempt from income taxes. The Plan has obtained a favorable determination letter from the IRS. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified, and the related Trust is tax-exempt as of the financial statement dates. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, and the Plan could be subject to income tax if certain issues were found by the IRS that could result in the disqualification of the Plan's tax-exempt status; however, there are currently no audits for any tax periods in progress.

Note 6 – Related-party and Party-in-interest Transactions

The plan administrator is an employee of the plan sponsor. There are no transactions between the parties other than contributions to the Plan. Certain plan investments are shares of mutual funds managed by Empower Retirement, which performed record keeping and administrative services for the Plan. Randall & Hurley, Inc., is the Plan's third-party administrator. Pedey Investment Management Group (a service of DA Davidson & Co.) is the Plan's investment advisor. Anastasi, Moore and Martin, PLLC, is the Plan's auditor. Therefore, these transactions qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 7 – Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market, political, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Notes to Financial Statements

Note 8 – Information Certified by the Plan Custodian

As permitted by Section 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected that information certified by Empower Retirement not be subject to any auditing procedures except for comparing such information to the related information contained in the accompanying financial statements and supplemental schedule.

The following information has been certified by Empower Retirement as complete and accurate:

- (a) Investments as indicated on the statements of net assets available for benefits;
- (b) Net appreciation (depreciation) in fair value of investments as indicated on the statements of changes in net assets available for benefits; and
- (c) Supplemental schedule – assets held for investment.

Note 9 – Benefits Payable

There were no benefits payable to persons who have withdrawn from participation in the earnings and operations of the Plan at June 30, 2023 and 2022.
