Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Citizens Bank & Trust Retirement Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 (liquidation basis) and December 31, 2022 (ongoing basis), and the related statement of changes in net assets available for benefits for the period ended June 30, 2023 (liquidation basis), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Citizens Bank & Trust Retirement Benefits Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and December 31, 2022, and for the period ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter

As discussed in Note 6 to the financial statements, the Board of Directors of Citizens Bank & Trust, the Plan's Sponsor, approved a plan of liquidation on January 17, 2023, and management determined liquidation is imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Citizens Bank & Trust Retirement Benefits Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Trustee and Retirement Plan Administrative Committee
Citizens Bank & Trust Retirement Benefits Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Citizens Bank & Trust Retirement Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Citizens Bank & Trust Retirement Benefits Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND DECEMBER 31, 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the Citizens Bank & Trust (Company) Retirement Benefits Plan (Plan) is provided for general information purposes only. Citizens Bank & Trust (employer) is a subsidiary of Citizens Bancshares Company. Participants should refer to the Plan agreement for more complete information.

General

The Plan was terminated effective January 19, 2023.

The Plan is a defined contribution plan covering all employees of the Company and its wholly owned subsidiaries. Citizens Bank & Trust is currently the only employer within the holding company. Eligibility to enter the plan is age 18 and 500 hours of service within the eligibility computation period. The newly eligible employee enters the plan as a participant on the first day of the calendar quarter following completion of the stated entry requirements. It is a qualified plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Contributions ceased January 19, 2023. Prior to this, the Company made matching safe harbor 401(k) contributions of 4% of compensation for all employees meeting 401(k) eligibility requirements. The Company can also make discretionary profit sharing contributions, not to exceed the maximum contribution requirements but has not done so in 2023 or 2022.

Employee salary deferrals are allowed up to the lesser of 100% of compensation or \$22,500 for the calendar year 2023 and \$20,500 for the calendar year 2022. In addition, employees over the age of 50 may contribute up to \$7,500 and \$6,500 as catch-up contributions for 2023 and 2022, respectively. Newly eligible employees are automatically enrolled to make regular elective deferrals of 4% of eligible compensation unless the employee affirmatively changes the election.

Participant Accounts

Each eligible participant has the investment authority over their accounts, within a standard list of mutual fund options. Each payroll period, the participant's salary deferral contribution amounts and the Company's 401(k) safe harbor contributions are credited to the trust and then invested according to the investment elections made by each participant. If no elections are made by the participant, the contributions are invested in funds included in a default investment model. All income earned on each investment option is allocated to its respective account in accordance with the balance held by each participant.

NOTE 1: DESCRIPTION OF PLAN (continued)

Allocation Provisions

The Company's contribution to the profit sharing portion of the Plan is allocated among eligible participants who have 1,000 hours of service in the plan year and are employees on the last day of the Plan year. The contribution is allocated based on a ratio of the eligible participant's salary to all salaries of eligible participants.

The Company's safe harbor matching contribution to the 401(k) plan is allocated to all eligible contributing 401(k) participants.

Forfeitures

Any forfeitures resulting from the termination of a participant's service can be used to reduce reasonable plan expenses or reduce the employer's contribution. Forfeitures at June 30, 2023 and December 31, 2022 were \$-0- and \$3, respectively. There were no forfeitures used to reduce employer contributions for the period ended June 30, 2023.

Vesting

Due to plan termination, all vesting was accelerated to 100% immediate as of January 19, 2023.

Prior to plan termination, participants were 100% vested in the 401(k) deferral contributions and the Company's safe harbor contribution. Vesting in the previous pension plan account was 100% vested at 3 years of service. The vesting schedule for the Company's profit sharing contribution was as follows:

Years of Service	Vested Percentage
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

NOTE 1: DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts up to 50% of their vested Profit Sharing account balance and/or 50% of their Employee 401(k), Employer Safe Harbor and Employee Rollover accounts, subject to a minimum of \$1,000 up to a maximum of \$50,000. The maximum total unpaid loan balance cannot exceed \$50,000 reduced by the participant's highest loan balance over the last twelve month period as of the date of the loan. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant loan account. Loan terms range from two to five years for normal loans and up to 30 years for primary residence loans. They are issued at an interest rate commensurate with prevailing rates and are payable bi-weekly. The loans are secured by a pledge of the vested account balance equal to the amount borrowed.

Payment of Benefits

All participants were eligible to take a distribution upon the plan termination date of January 19, 2023.

Prior to plan termination, terminated employees and active participants age 60 years or older could elect to receive a lump sum amount equal to the value of the participant's account or installment payments over a fixed period of time not to exceed 10 years or life expectancy. If the participant dies, the trustee will distribute his/her account to his/her beneficiary. Upon termination of employment, individual account balances under \$1,000 will be distributed.

The Plan also allowed for in-service distributions from vested employer profit sharing and 401(k) contribution accounts for all active participants over the age of 59½. Participants under age 59½ were allowed in-service distributions of employer profit sharing accounts which had been held at least twenty-four months. The Plan processes payments on a daily basis.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The 2023 financial statements of the Plan are prepared on the liquidation basis of accounting and the ongoing basis for 2022.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable are reclassified as distributions on the basis of the terms of the plan document.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Benefit Payments

Benefits are recorded when paid.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through January 12, 2024, the date the financial statements were available to be issued.

NOTE 3: CERTIFICATION OF INVESTMENT INFORMATION

Matrix Trust Company, custodian, has supplied the Plan Administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of June 30, 2023 and December 31, 2022 and the statement of changes in net assets available for benefits for the period ended June 30, 2023.

NOTE 4: INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies used at June 30, 2023 or December 31, 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund: Valued at the NAV of units, as determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

Interest Bearing Cash Equivalents: Valued at cost, which approximates fair value.

Total Investments at Fair Value	\$28,354,263	\$ 2,751,918	\$ -	\$31,106,181

NOTE 5: TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 6: PLAN TERMINATION

During September 2022, Southern Missouri Bancorp, Inc. the parent corporation of Southern Bank, and Citizens Bancshares Co., the parent company of Citizens Bank and Trust Company, signed a definitive merger agreement whereby Southern Missouri will acquire Citizens. Due to this merger, the Plan was terminated effective January 19, 2023.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are mutual funds managed by Citizens Bank & Trust, the trustee of the Plan. Citizens Bank & Trust is the trustee as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Citizens Bancshares Company, the Plan sponsor, absorbs 100% of the administrative and operating expenses of the Plan. However, Citizens Bank & Trust receives revenue sharing fees from Plan funds, which is allocated back to Citizens Bancshares Company to reduce administrative expenses. In 2023 and 2022, the revenue sharing received was \$32,155 and \$38,589, respectively.
