Hephzibah Children's Association 401(k) and Profit Sharing Plan
Oak Park, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HEPHZIBAH CHILDREN'S ASSOCIATION 401(K) AND PROFIT SHARING PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HEPHZIBAH CHILDREN'S ASSOCIATION 401(K) AND PROFIT SHARING PLAN and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HEPHZIBAH CHILDREN'S ASSOCIATION 401(K) AND PROFIT SHARING PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HEPHZIBAH CHILDREN'S ASSOCIATION 401(K) AND PROFIT SHARING PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HEPHZIBAH CHILDREN'S ASSOCIATION 401(K) AND PROFIT SHARING PLAN's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule listed in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1—PLAN DESCRIPTION

The following description of the Hephzibah Children's Association 401(k) and Profit Sharing Plan (formerly known as Hephzibah Children's Association Profit Sharing Plan and Trust) ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan covering all employees of Hephzibah Children's Association ("Association"). Effective July 1, 2019, employees are eligible to participate in the Plan following the attainment of 18 years of age and 60 days of service effective the entry date following the date such employee meets the eligibility requirements. Entry dates are the first day of the Plan year or the first day of each subsequent quarter of the Plan year. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA), as amended.
2. Contributions - Participants may choose to contribute by payroll deduction up to 100% of their compensation, to a maximum of \$22,500 for 2023 and \$20,500 for 2022. Participants who are at least age 50 may make an additional "catch-up" contribution of \$7,500 in 2023 and \$6,500 in 2022.

Effective July 1, 2009, the Association is required to contribute, as a matching contribution, 100% of the first 3% salary deferred, plus 50% of the next 2% of salary deferred, for a total matching contribution of 4%. Matching contributions will be made at the end of the Plan year. Total matching contributions were \$242,530 for 2023 and \$211,103 for 2022.

Profit sharing contributions, if any, may be made annually at the discretion of the Board of Directors of the Association on behalf of eligible employees who completed at least 1,000 hours of service during the Plan year and were employed as of the last day of the Plan year. Participants not actively employed on the last day of the Plan year due to retirement, disability or death are eligible to share in the allocation of profit-sharing contributions for that Plan year. The Board of Directors of the Association authorized a discretionary contribution of \$138,826 for 2023 and \$128,104 for 2022.

3. Participant Accounts - Each participant's account is credited with the participant's contribution and profit sharing contributions, if any, which are allocated in the same proportion that each participant's compensation for the year bears to the total compensation of all participants for such year, and plan earnings.

Participants direct the investment of their accounts into a variety of mutual funds, or a fixed annuity investment contract. Participants may change their investment options daily.

4. Vesting - Participants are 100% vested in their voluntary contributions plus actual earnings thereon. Participants' vesting in their profit-sharing contribution account is determined in accordance with a schedule based on the participant's years of service.

Any forfeiture of non-vested amounts will be used to pay plan expenses or at managements discretion allocated to the remaining participants based on the participants' compensation in conjunction with the allocation of the profit-sharing contribution. Forfeitures allocated to participants were \$20,236 in 2023 and \$4,049 in 2022. At June 30, 2023, net assets available for benefits include \$33,811 of unallocated forfeitures. At June 30, 2022, net assets available for benefits include \$20,236 of unallocated forfeitures.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION (Continued)

5. Payment of Benefits - On termination of service, death, disability or retirement, a participant's vested benefits will be paid in a lump sum.
6. Income Allocation - Plan earnings under the terms of this Plan shall be allocated to the account of each participant in the relation that the account bears to the total of all account balances.
7. Plan Expenses - All administrative expenses are paid by the Plan unless paid by the Association.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are held by Empower Retirement LLC. The Plan's investments include mutual funds and a fixed annuity investment contract as of June 30, 2023 and 2022. Both years the investments are stated at fair market value based on quoted market prices, except for the fixed annuity contract which uses a discounted cash flow valuation methodology to determine fair value.

Dividend and interest income are recognized when received. Net appreciation (depreciation) on investments held represents the change in market value of the investments from the beginning of the Plan year (or date the investments were purchased, if later) to the end of the Plan year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

BENEFITS

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

NOTE 3—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Level 1 Fair Value Measurements

The fair value of the mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

Level 2 Fair Value Measurements are not applicable to the Plan for 2023 and 2022.

Level 3 Fair Value Measurements

Level 3 Fair Value Measurements are not applicable to the Plan for 2023 and 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022:

<u>Assets at Fair Value as of June 30, 2023</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ <u>8,458,590</u>	\$ <u>—</u>	\$ <u>—</u>	\$ <u>8,458,590</u>

<u>Assets at Fair Value as of June 30, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ <u>7,131,727</u>	\$ <u>—</u>	\$ <u>—</u>	\$ <u>7,131,727</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended June 30, 2023 and 2022 are reported in net appreciation (depreciation) in fair value of investments.

NOTE 4—INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Key Guaranteed Portfolio Fund is a fully-benefit responsive annuity investment contract. Since the annuity investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the annuity contract. The annuity contract is a market value separate account investment option with a general investment account guarantee that provides a stated rate of return and insulates participants' accounts from daily fluctuations in the market. Under the terms of the annuity contract, participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their balance in the annuity contract investment option at contract value. Contract value represents contributions plus credited interest, less participant withdrawals and fees. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates were 1.08% at June 30, 2023 and 0.86% at June 30, 2022.

Certain events may limit the ability of the Plan to transact at Contract Value. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan; (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. Consult the plan's group annuity contract for further information.

NOTES TO FINANCIAL STATEMENTS

NOTE 5—INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's trustee Empower Retirement LLC has certified that the following data included in the accompanying financial statements and schedule is complete and accurate.

- a. Investments, as shown in the accompanying statements of assets available for benefits as of June 30, 2023 and 2022.
- b. Investment income, as shown in the accompanying statements of changes in assets available for benefits for the years ended June 30, 2023 and 2022.
- c. The schedule of assets (held at end of year) as of June 30, 2023, as shown on Schedule H - Line 4(i).

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 6—INVESTMENTS

Participants may choose to invest their contributions as well as any Association contributions made on their behalf in various investment options.

NOTE 7—PARTICIPANT LOANS

Participants may borrow from the employee contribution portion of their account balance. The minimum loan amount is \$1,000. The maximum loan amount is the lesser of (i) 50% of your account balance, or (ii) \$50,000 (less the highest outstanding balance of your loans from the Plan for the 12-month period prior to the day a loan is made). Participants may have only one loan outstanding at any time and may request only one loan in any 12-month period. Repayments of principal and interest are made in substantially equal installments (not less frequently than quarterly) over the specified loan period (generally five years). Interest rates are determined by following procedures that consider the rates issued by lending institutions under similar circumstances.

NOTE 8—TAX STATUS

The Plan, through its adoption of a Great-West Trust Company, LLC Prototype Non-Standardized Profit Sharing Plan with CODA, has obtained an opinion letter issued to Great-West Trust Company, LLC, currently known as Empower Retirement, from the Internal Revenue Service dated June 30, 2020 stating that the prototype plan is qualified under Section 401(a) of the Internal Revenue Code ("IRC") and that any employer adopting this plan will be considered to have a qualified plan under the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS

NOTE 8—TAX STATUS (Continued)

The Plan presently meets the requirements of Section 401(a) of the Internal Revenue Code and, accordingly, its income is exempt from federal income taxes under Section 501(a). A similar status exists for Illinois income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of June 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9—PLAN TERMINATION

Although it has not expressed any intent to do so, the Association has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 10—RELATED PARTIES

Expenses of the Plan are paid by the Plan sponsor if they exceed forfeitures.

NOTE 11—PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Empower Retirement LLC. The trustee and auditor are considered parties-in-interest. Fees paid or accrued to the trustee of the Plan were \$4,524 for 2023 and \$3,580 for 2022. The plan sponsor directly paid the fee to the auditor of the Plan in 2023 and 2022.

NOTE 12—SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 15, 2024, the date which the financial statements were available for issue, there were no subsequent events which require disclosure.
