INDEPENDENT AUDITORS' REPORT

Board of Trustees
Iron Workers Local No. 67 Defined Contribution Fund
Des Moines, IA

Opinion

We have audited the accompanying financial statements of Iron Workers Local No. 67 Defined Contribution Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of November 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Iron Workers Local No. 67 Defined Contribution Fund as of November 30, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Iron Workers Local No. 67 Defined Contribution Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers Local No. 67 Defined Contribution Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Iron Workers Local No. 67 Defined Contribution Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers Local No. 67 Defined Contribution Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IRON WORKERS LOCAL NO. 67 DEFINED CONTRIBUTION FUND

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED NOVEMBER 30, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Iron Workers Local No. 67 Defined Contribution Fund (Plan) provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution retirement savings plan covering eligible employees (Participants) as provided by collective bargaining agreements (Agreements) between Iron Workers Local No. 67 in Des Moines, Iowa (Union) and Des Moines Construction Council (Association). A trust, with Trustees designated by the Union and Association, has been established to manage and operate the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was created May 1, 1998.

Contributions

Contributions are made for all Participants working under the provisions of the Agreements. The current hourly contribution rates are as specified in the Agreements. Additional contributions are received through reciprocity agreements with other jurisdictional areas. Contributions are remitted to the fund office prior to being remitted to Principal Life Insurance Company ("Custodian").

Reciprocity

Reciprocity contributions are collected by and remitted to the Plan on behalf of Participants who worked with contractors at chapters outside the previously defined Union area. The Plan pays reciprocity amounts collected from employers for employees, whose home local unions are outside the Iron Workers Local No. 67 area.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each Participant's account is credited with the employer contributions, reciprocity contributions, rollovers, and an allocation of Plan earnings (losses) and charged with withdrawals and an allocation of administrative expenses. Allocations are based on a Participant's earnings or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account. Participants direct their funds into the Plan investments of their choice.

Vesting

Participants are 100% vested in employer contributions and earnings or losses on their accounts.

Payment of Benefits

Provisions relating to payments of vested benefits are as follows: (1) Participants or their beneficiaries may, at date of retirement, disability or death, elect to receive one of several options, including a lump sum benefit or receive an annuity; or (2) an inactive participant may elect to receive their benefits at any time following the date he has had a severance from employment within the trade for one full calendar year.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for details.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employers' Contributions Receivable

Employer contributions are accrued as receivables and recorded as income in the month the work is performed. Contributions were deposited into the Plan's checking account at Community State Bank and then were transferred to Principal Life Insurance Company.

Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

Payment of Benefits

Benefit payments to participants are recorded upon distribution. As of November 30, 2023 and 2022, no amounts were payable to participants who had withdrawn from participation in the Plan.

Date of Management's Review

Subsequent events were evaluated through April 3, 2024, which is the date the financial statements were available to be issued.

IRON WORKERS LOCAL NO. 67 DEFINED CONTRIBUTION FUND

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – RELATED PARTY TRANSACTIONS

Joint administrative and operating expenses are paid for by the Des Moines Iron Workers Welfare Fund and then an allocation of the expenses is made to the Plan, who reimburses the Welfare Fund. As of November 30, 2023 and 2022, the Plan owed the Welfare Fund \$27,383 and \$4,303, respectively.

The Plan shares a fiduciary insurance policy and fidelity bond with the Des Moines Iron Workers Pension Plan who it reimburses for half of the premiums.

NOTE 4 – TAX STATUS

The Internal Revenue Service has informed the Plan Sponsors by a letter dated March 30, 2016 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan sponsor believes that the Plan is currently designed and operated in compliance with applicable requirements of the Internal Revenue Code and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan has adopted guidance on accounting for uncertainty in income taxes issued by the Financial Accounting Standards Board. Management of the Plan believes that the Plan has taken no uncertain tax positions that require adjustment to the financial statements in order to comply with the provisions of this guidance. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsors have the right under the Plan provisions to discontinue contributions at any time and to terminate the Plan. In the event of termination of the Plan, the net assets will be distributed according to the Plan document and as required by ERISA. After satisfaction of all liabilities under the Plan, the participants' vested account balances would be distributed to them.

NOTE 6 – CONCENTRATION OF CREDIT RISK

At November 30, 2023, the book balance of deposits in local banks was \$390,328 while the bank balance was \$390,604 of which \$140,604 was not insured by the Federal Depository Insurance Company (FDIC). There is no collateral on these deposits.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 – FAIR VALUE MEASUREMENTS

The framework for measuring fair values provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at November 30, 2023 and 2022.

Mutual Funds: Valued at the net asset value of shares held by the Plan at year-end.

Common Collective Trust: Valued at the Net Asset Value (NAV) of units of the fund held by the Plan based on the fair market value of the underlying investments of the fund. This fund contains synthetic investment contracts comprised of both underlying investment and contractual components which have observable level 1 pricing inputs.

Pooled Separate Accounts: Valued at the net asset value (NAV) per share held by the Plan based on the underlying securities which have observable level 1 pricing inputs.

Total assets in fair value hierarchy	<u>\$ 28,585,899</u>	<u>\$ 28,585,899</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 8 – RESTRICTED NET ASSETS AVAILABLE FOR BENEFITS

Each participant in the plan has their own account balance where contributions made by employers on their behalf are added to their account. The investments of the plan are held by Principal Life Investment Company so that each participant could self-direct his or her own investments. Benefit payments are subtracted from their account balance. A summary of the Net Assets available for benefits as of November 30, 2023 and 2022 is as follows:

	2023	2022
Participants' account balances	\$ 31,617,638	\$ 28,955,415
Unallocated net assets - crediting account	138,925	137,367
Unallocated net assets - administrative	54,144	47,608
Total net assets available for benefits	<u>\$ 31,810,707</u>	<u>\$ 29,140,390</u>

Assets identified as participants account balances are assets that are specifically allocated to each members' account at Principal Life Insurance Company.

The Plan has unallocated net assets in this crediting account derived from fees that were withheld from contributions to the Plan. This crediting account is used to pay USERRA benefits and make participants whole if employers are unable to pay. The Plan also has unallocated net assets derived from quarterly service charges to the participants' accounts in order to pay administrative expenses.
