Independent Auditor's Report

Plan Administrator
Center City PCS 401(k) Plan
Washington, D.C.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Center City PCS 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Notes 4-6 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Center City PCS 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Center City PCS 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Center City PCS 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Center City PCS 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the year ended June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters (Continued)

2022 Supplementary Schedule Required by ERISA (Continued)

In our opinion

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Center City PCS 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated February 5, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CENTER CITY PCS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Center City PCS 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan pursuant to the provisions of Section 401(k) of the Internal Revenue Code (the Code) established for the benefit of all employees in the Plan. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). A complete description of the Plan is contained in the Plan Document and Adoption Agreement, which governs the operation of the Plan.

Eligibility

An employee is eligible to participate in the Plan upon date of hire provided they have attained a minimum age of 21 years.

Contributions

Each year participants may contribute pre-tax compensation subject to the limits established by the Code. As a result of the Economic Growth and Tax Relief Reconciliation Act of 2001 participants expected to reach age 50 or older during the calendar year may make an additional "catch up" contribution. Center City Public Charter Schools (the School) makes a matching contribution of up to 5% of eligible compensation for all participants. The Plan also provides for discretionary contributions of 5% of eligible compensation for all employees. Participants entering the Plan may roll over contributions from other plans.

The Plan has an automatic enrollment feature that automatically enrolls newly eligible employees into the Plan at a deferral rate of 3% unless the employee elects to opt out of the Plan or elects to change the deferral rate. The automatic deferral amount increases annually by 1% of compensation up to a maximum of 6% unless the employee elects otherwise.

Vesting

Participants are fully vested in their participant salary deferral accounts at all times. The School's matching and discretionary contributions are 100% vested after one year of service.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (i) the School's matching and discretionary contributions and (ii) Plan earnings and charged with an allocation of administrative expenses. Participants direct the investment of their contributions into various investment options offered by the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50% of their vested account balance. Participants may only have one loan outstanding

Notes Receivable from Participants (Continued)

at a time and all loans must be repaid within five years, unless used for a primary residence. Each loan is secured by a pledge of 50% of participant's vested account balance and bears interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through weekly payroll deductions.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum, amount equal to the value of the participant's vested interest in his or her account, or by various installment plans. In accordance with the plan adoption agreement, if a participant's vested balance is less the \$5,000, it will be paid in a single lump-sum.

A participant experiencing serious financial hardship may, with sufficient evidence, withdraw a portion of their account attributable to the compensation deferral and earnings allocable thereto. The amount of the withdrawal may not be greater than the immediate financial need. Participants should refer to the plan agreement for a more complete description.

Forfeited Accounts

Forfeited accounts will be used to reduce future employer contributions and/or administrative expenses. As of June 30, 2022 and 2021, the forfeited non-vested account totaled \$-0- and \$-0-, respectively. During the year ended June 30, 2022, employer contributions were reduced by \$9,839 from forfeited non-vested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan presents its financial statements under the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

CENTER CITY PCS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

A portion of the administrative expenses and other fees are paid out of the Plan's assets. The School pays the remaining expenses of the Plan.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Shares of registered investment companies (mutual funds) are valued at quoted market prices which represent the net asset values of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Purchases and sales are recorded on the ex-dividend date. Interest is accrued when earned. Unrealized appreciation and depreciation in the fair value of investments are recognized in the financial statements in the period in which such changes occur. Earnings from investments are recorded as earned using the accrual method of accounting. Dividends are recorded on the ex-dividend date.

3. RELATED PARTY TRANSACTIONS

American United Life Insurance Company (a One America company) acts as the custodian of the accounts and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to the custodian also qualify as party-in-interest transactions.

4. INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of annual reporting compliance by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Act of 1974. Accordingly, American United Life Insurance Company (a One America company), the custodian of the Plan, has certified that the information related to investments included in the accompanying financial statements and supplementary schedule is complete and accurate.

5. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three board levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets, and Level 3 inputs are observable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021:

<u>June 30, 2022</u>	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual Funds	\$ 12,894,802	\$ 12,894,802	\$ -	\$ -
Total Investments at Fair Value	<u>\$ 12,894,802</u>	<u>\$ 12,894,802</u>	<u>\$ -</u>	<u>\$ -</u>
<u>June 30, 2021</u>	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>

Total Investments at Fair Value	<u>\$ 14,327,352</u>	<u>\$ 14,327,352</u>	<u>\$ -</u>	<u>\$ -</u>

Following is a description of the valuation methodologies used for assets measured at fair value as of June 30, 2022 and 2021.

Registered investment companies (mutual funds): Based on quoted market price values of the shares on the last business day of the plan year.

6. GUARANTEED INVESTMENT CONTRACT

The Plan participates in a fully benefit-responsive investment contract with American United Life Insurance Company (AUL) (a One America company) via an investment in a Guaranteed Investment Contract (GIC). AUL commingles the assets of the GIC with other assets in a general account. The account is credited with earnings on the underlying investments and charged for withdrawals and administrative expenses. AUL is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant

6. GUARANTEED INVESTMENT CONTRACT (CONTINUED)

withdrawals and administrative expenses. Participants may ordinarily direct withdrawals or transfer all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions. Also, upon termination, the commitment of the Plan to make contributions shall terminate.

8. TAX STATUS

The Plan is a volume submitter plan of One America Financial Partners Inc., which received an opinion letter on August 19, 2020, in which the IRS stated that the form of the plan document was acceptable under the applicable requirements of the IRC. The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Uncertain Tax Positions

The Plan meets the requirements of the Internal Revenue Code (IRC) and ERISA to qualify as exempt from federal income taxes.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the IRC and ERISA. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded liabilities for the year ended June 30, 2022.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

CENTER CITY PCS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

9. RISKS AND UNCERTAINTIES (CONTINUED)

COVID-19 Pandemic and CARES Act

The spread of COVID-19 (coronavirus disease) has had a disruptive impact on the daily life and operations of individuals, businesses, and employee benefit plans around the world. There is uncertainty about financial and economic impacts in all sectors of the economy. The financial markets have experienced significant volatility, and this may continue for an extended period of time. In light of these circumstances, the Plan's management continues to assess how best to adapt to changed circumstances.

In response to the spread of COVID-19, certain provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which was signed into law March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) which was signed into law December 29, 2019, were provided for plan sponsors. The provisions are at the discretion of the Plan's management.

Effective April 1, 2020, the Plan implemented provisions under the CARES Act which, among others, include increasing the maximum distribution and loan amounts allowed, relief of loan repayment, temporary suspension for 2020 required minimum distributions, and a delay in the minimum required contribution to a single-employer plan until 2021. The Plan will be amended for any provisions elected in accordance with applicable law and IRS guidance due by December 31, 2025.

10. CONCENTRATIONS

Investments representing 15% or more of the Plan's net assets available for benefits as of June 30, 2022 and 2021, are as follows:

	<u>2022</u>		<u>2021</u>	
Tiaa-Cref Lifecycle Idx 2045	\$ 2,695,687	22%	\$ 3,178,186	22%

Tiaa-Cref Lifecycle Idx 2050	2,534,223	20%	2,990,170	22%

11. SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through February 20, 2023, the date on which the financial statements were available to be issued.

To Whom It May Concern:

I am writing to request that no penalties be assessed for a late filing of our 5500 for 2021. I am the CFO of Center City Public Charter Schools (EIN-26-1255738). I recently filed our 5500 for 2022 and received a message that we had not filed the 2021 5500. I had no idea that it hadn't been filed as we never received a notification of this. I have been the CFO for just over one year. When I joined the company, I was not aware that the 5500 for the prior year was delinquent. The CFO position was open for a few months and this filing inadvertently fell through the cracks in that period.

We appreciate the importance of timely filings and we have set up calendar reminders with several people to ensure this never happens again. I would greatly appreciate if you would accept this late filing without assessing fees this one time.

Thank you very much for your consideration,

Jeff Cooper
