INDEPENDENT AUDITORS' REPORT

To Plan Management
Healthcorp, Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Healthcorp, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of February 2, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the short period ended February 2, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Healthcorp, Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of February 2, 2023 and December 31, 2022, and for the short period ended February 2, 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Healthcorp, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Healthcorp, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Healthcorp, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Healthcorp, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE A: DESCRIPTION OF PLAN

The following description of the Healthcorp, Inc. 401(k) Profit Sharing Plan & Trust ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) retirement plan covering all employees of Healthcorp, Inc., PRMA Consulting USA, Inc., and Blue Latitude Health, Inc. ("Companies") who have completed thirty days of service (for employee deferrals), and attained the age of twenty-one or older. For employees/participants to be eligible to receive the employer safe harbor match, they must work 30 days. For employees/participants to be eligible to receive non safe harbor employer matching contributions or discretionary contributions, they must be employed on the last day of the plan year, have completed one year of service, and completed at least 1,000 hours of service during the plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator and Plan Trustee are responsible for oversight of the Plan. The Plan Trustee determines the appropriateness of the Plan's investment offerings and monitors investment performance and discusses with the Plan sponsor any suggested changes.

During 2022, the PRMA Consulting USA, Inc. 401k Plan merged into the Plan, and all assets were transferred into the Healthcorp, Inc. 401(k) Profit Sharing Plan & Trust on April 1, 2022. The fair value of plan assets was allocated to the transferring participants by Empower.

Merger

The Board of Directors of Fishawack Group, a controlling party of Healthcorp, Inc, approved the merger of this Plan into the Fishawack Group 401(k) plan, effective January 1, 2023. As a result, all investments were transferred from the Plan into the Fishawack Group 401(k) plan on February 2, 2023. Any plan contributions for the Plan for 2023 were submitted to the Fishawack Group 401(k) plan.

Contributions

Each year, eligible participants may contribute up to 100% of pretax annual compensation as defined in the Plan subject to the Federal dollar limitation. Participants may elect to make traditional (before tax) contributions, and/or Roth (after tax) contributions to the Plan. The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The automatic deferral rate will increase by 1% each Plan year, to a maximum of 10%. Participants who have reached the age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan offered mutual funds and a guaranteed portfolio account as investment options for the participants. The Companies' safe harbor match is 100% of the first 3% deferred, plus 50% of the next 2% deferred. Any non- safe harbor match or additional profit sharing contributions are discretionary from year to year. In 2022, there were no additional match or profit sharing contributions. As noted above, any 2023 contributions were submitted to the Fishawack Group 401(k) plan. Contributions are subject to certain Internal Revenue Service limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Companies' matching contributions, as well as allocations of the Companies' profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A: DESCRIPTION OF PLAN (Continued)

Vesting

Participants are vested immediately in their elective contribution deferrals and safe harbor employer match plus actual earnings thereon. Vesting in the Companies' non-safe harbor contribution portion of their accounts is based on years of continuous service. Participants are vested 20% after two years of credited service and 20% per year thereafter, becoming 100% vested in the Companies' contribution portion of their accounts after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms range from one to five years or up to thirty years for the purchase of a primary residence and are typically repaid via payroll deductions. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest are paid ratably through bimonthly payroll deductions.

Payment of Benefits

On termination of service, a participant will receive an amount equal to the value of the participant's vested interest in his or her account as a lump-sum amount (participants become 100% vested upon death or disability, while still an employee), if the balance is \$5,000 or less. If the balance exceeds \$5,000, the participant may request a lump-sum amount, periodic installments, or ad-hoc distributions.

The Plan was amended to reflect hardship withdrawal provisions which were included in the Bipartisan Budget Act of 2018.

Forfeitures

Forfeited non-vested accounts can be used to reduce the Companies' contributions (or reallocate as the Companies' contributions) or to pay reasonable Plan expenses. At February 2, 2023 and December 31, 2022, forfeited non-vested accounts totaled \$- and \$70,173, respectively. The Plan forfeiture balance at February 2, 2023 was transferred to the Fishawack 401k Plan.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes in those assets and liabilities and disclosure of contingent assets and liabilities. These financial statements include information about the significant assumptions used in determining the fair value of the investments. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note C for discussion of fair value measurements. All Plan assets were transferred to the Fishawack Group 401(k) Plan on February 2, 2023.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments is recorded net of fund expenses and Plan maintenance fees. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of February 2, 2023 or December 31, 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan did not have any excess contributions for either the 2023 or 2022 plan year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative fees along with the Plan management fees. Investment related expenses are included in the net appreciation/depreciation of fair value of investments.

Subsequent Events

Management has evaluated subsequent events through March 28, 2024, the date the financial statements were available to be issued.

NOTE C: FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
---------	---

Mutual Funds: Share Prices/Net Asset Values (NAVs) for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation (IDC). The mutual funds held by the Plan are deemed to be actively traded.

Level 2	Inputs to the valuation methodology include: <ul style="list-style-type: none">▪ Quoted prices for similar assets or liabilities in active markets;▪ Quoted prices for identical or similar assets or liabilities in inactive markets;▪ Inputs other than quoted prices that are observable for the asset or liability; and▪ Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	---

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE C: FAIR VALUE MEASUREMENT (Continued)

Level 2	Guaranteed portfolio fund (Fixed annuities): Reported values are based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider, and reported daily.
<hr/>	
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
<hr/>	

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used at February 2, 2023 and December 31, 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of February 2, 2023 and December 31, 2022.

Total assets at fair value	\$ 11,065,111	\$ 584,142	\$ -	\$ 11,649,253

NOTE D: TAX STATUS

The IRS has determined and informed the Companies by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE E: TRUSTEE CERTIFICATION

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Empower Trust Company, LLC, the trustee of the plan, has certified to the completeness and accuracy of all investments reported in the accompanying statements of net assets available for benefits as of February 2, 2023 and December 31, 2022, and the related investment activity reported in the statement of changes in net assets available for benefits for the short period ended February 2, 2023.

NOTE F: RELATED-PARTY TRANSACTIONS AND PARTIES IN INTEREST

The Plan invested in mutual funds managed by Empower, the trustee as defined by the plan and, therefore, these transactions qualify as party-in-interest transactions. The administrative fees for Empower were \$5,165 for the short period ended February 2, 2023.

If the revenue received by Empower from such mutual fund service providers exceeds the amount owed under the agreement such amounts may be applied to pay Plan administrative expenses.

Certain administrative functions are performed by officers or employees of the Companies. No such officer or employee receives compensation from the Plan. Plan audit fees are paid directly by the Companies; the fees for the 2023 audit are \$5,000 - \$8,000. The Plan paid certain expenses related to plan operations and investment activity to service providers.

NOTE G: RISKS AND UNCERTAINTIES

The Plan invests in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
