Independent Auditors' Report

To the Plan Administrator of
FEMG Holdings, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of FEMG Holdings, LLC 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FEMG HOLDINGS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

(1) Description of the Plan

The following description of FEMG Holdings, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

(a) General

The Plan was established January 1, 2020, and subsequent restatement effective July 15, 2022, with the adoption of the 401(k)/Profit Sharing Non-Standardized Plan sponsored by Benefit Solutions, Etc. Effective July 15, 2022, the Plan adopted the Cycle 3 Amended Plan document, which updated the Plan for certain regulatory and administrative requirements. The Cycle 3 Amended Plan document obtained an Internal Revenue Service opinion letter dated June 30, 2020.

The Plan is a defined contribution plan covering employees of FEMG Holdings, LLC (the “Company”). Employees are eligible to participate in the Plan upon reaching age 21 and completing three months of service. Participants are able to enroll in the Plan on the first day of the month following completion of the eligibility requirements. The Company manages the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan operates under an agreement with Empower Retirement, LLC (“Empower”) to act as recordkeeper and custodian of its group annuity contract. Empower has entered into a trust agreement with Reliance Trust Company (“RTC”) to act as trustee. An affiliate of Empower, Great-West Life & Annuity Insurance Company, has been granted power of attorney over the group annuity contract issued by Empower. At year end, all investments and related investment activity are certified by Empower.

(b) Contributions

Participants may contribute up to 100% of annual compensation as pre-tax or Roth contributions. Contributions are subject to certain Internal Revenue Code limitations. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company contributes a non-elective safe harbor contribution of 3% of base compensation to all eligible employees during the year. During 2022, the Plan contributed approximately \$1,672,000 in non-elective safe harbor contributions.

FEMG HOLDINGS, LLC 401(K) PLAN

Notes to Financial Statements - Continued

(1) Description of the Plan - Continued

(c) Participant Accounts

Each participant's account is credited with the participant's contribution, non-elective safe harbor contribution, plan earnings and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

(d) Investment Options

Participants may direct contributions to any of the investment options offered by the Plan. The investment options include a various mutual funds, collective investment trusts, and a guaranteed interest account. Fund allocation percentages may be changed by participants at any time.

(e) Vesting

Participants are immediately vested in their contributions and the non-elective safe harbor contributions, plus actual earnings thereon. Accordingly, the Plan has no forfeited accounts.

(f) Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms may range from one to five years for general loans, and up to fifteen years for the purchase of a principal residence. The loans are collateralized by the balance in the participants' accounts and bear interest at the prime rate plus 1%, as defined by the Plan. Principal and interest are paid ratably through payroll deductions.

(g) Forfeited Accounts

At December 31, 2022, forfeited nonvested accounts totaled \$320,186. These accounts will be used to reduce future employer contributions. Also, for the year ended December 31, 2022, no forfeitures were used to reduce employer contributions.

(h) Payment of Benefits

The Plan provides for the payment of vested benefits to participants upon retirement, death, disability, termination of employment, or upon reaching the age of 59½ years. Benefits are recorded when paid. If the value of a terminated participant's account does not exceed \$5,000, the entire amount shall be paid to the participant in a single lump sum. Account balances greater than \$5,000 are distributed either in a lump-sum amount equal to the vested value of the participant's account balance or in installment payments.

(i) Hardship Withdrawals

The Plan allows participants to withdraw a portion of their account balance in the event of immediate and heavy financial need. Any hardship withdrawal is limited to the amount needed to meet the financial need and must qualify with respect to plan provisions.

FEMG HOLDINGS, LLC 401(K) PLAN

Notes to Financial Statements - Continued

(1) Description of the Plan - Continued

(j) Plan Termination

Although the Employer expects to continue the Plan indefinitely, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of plan termination, all benefits become fully vested.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and the related changes therein. Actual results could differ from those estimates.

(c) Valuation of Investments and Income Recognition

Investments in registered investment companies are stated at fair value based on quoted market prices.

The Guaranteed Interest Account ("GIA") is a general account product under a group annuity contract with Empower which allows participants to invest money in a general account which earns interest. The Sponsor has determined, based on recommendations from Empower, that this investment is fully-benefit responsive as participants may direct permitted withdrawals and/or transfer transactions of all or a portion of their balance in the investment option at contract value. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets of the portion of the general accounts that is used to determine the GIA's crediting rate compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset at least annually and no more frequently than quarterly for some contracts. The average yield earned by the Plan was 1.35% for the year, and as of December 31, 2022 and 2021, the calculated interest rate was 1.00% and 1.10%, respectively, for all GIA accounts. The GIA is reported at contract value as of December 31, 2022 and 2021.

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include the following: (1) amendments to the plan documents (including complete or partial termination); (2) bankruptcy of the Company or Employers; (3) other Company or Employers' events that cause a significant withdrawal from the Plan; or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Company does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

FEMG HOLDINGS, LLC 401(K) PLAN

Notes to Financial Statements - Continued

(2) Summary of Significant Accounting Policies - Continued

(c) Valuation of Investments and Income Recognition - Continued

The collective investment trusts ("CIT") are common collective trusts which seeks to provide long-term investors with an asset allocation strategy designed to maximize assets for retirement consistent with the risk level and projected retirement date associated with each fund. The CIT's automatically adjust their risk over time in order to reduce the risk of investment in equity securities and shift from a focus on capital appreciation to one of capital preservation, while maintaining some exposure to capital appreciation asset classes. Investments in the CIT's are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the CIT's, but do have an interest therein represented by units valued daily. The CIT's earn dividends and interest which are automatically reinvested in additional units and participants earn appreciation/(depreciation) on their units based on the underlying investments in the CIT's. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

Net depreciation in fair value of investments includes both realized gains and losses on investments sold during the year and unrealized gains and losses on investments held at the end of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(d) Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(e) Administrative Expenses

Administrative expenses represent recordkeeping and advisory fees incurred to maintain the Plan, certain of which are paid to Empower. Trustee and third party administrator fees are paid out of plan assets with any other costs being paid by the Employer.

(f) Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivables from participants is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments, the loan balance is reduced and a benefit payment is recorded.

(3) **Information Certified by the Trustees (Unaudited)**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, RTC held the Plan's investment assets and executed investment transactions from January 1, 2022 through October 28, 2022 and Empower held the Plan's investment assets and executed investment transactions from October 29, 2022 to December 31, 2022. The trustees of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments at fair value
- Fully benefit-responsive guaranteed interest account at contract value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest income on notes receivable from participants
- Schedule of Assets (Held at End of Year)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in these financial statements and supplemental schedule.

(4) **Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to measurement.

(4) Fair Value Measurements - Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies

Valued at the net asset value of shares held by the Plan at year end, based on quoted market prices in active markets.

Collective Investment Trusts

Valued at the NAV of units of a bank collective trust; The NAV, as provided by Wilmington Trust, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Description	Assets Measured at Fair Value at December 31, 2022	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	\$ 10,298,301	10,298,301	-	-

Description	Assets Measured at Fair Value at December 31, 2021	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	\$ 1,467,599	1,467,599	-	-
Collective investment trusts at NAV	7,491,732 (a)			
Guaranteed interest account, at contract value	91,231			
Total investments	\$ 9,050,562			

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of the net assets available for benefits.

(b) Units may be redeemed daily. There is 5-day redemption notice period for plan sponsor directed withdrawals which will exceed \$1 million or 10% of the assets invested in each fund.

(5) Tax Status

The Plan has adopted a Pre-Approved Plan document sponsored by Benefit Solutions Etc. (see Note 1) which received its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The pre-approved plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the pre-approved plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Prior to January 1, 2022, the Plan adopted a volume submitted plan document ("VSP") sponsored by Benefit Solutions Etc. The Internal Revenue Service determined that the VSP was designed in accordance with applicable sections of the Internal Revenue Code and informed Benefit Solutions Etc. of such in a letter dated September 1, 2016. Although the VSP had been amended since receiving the opinion letter, the plan administrator believed that the Plan was designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Party-in-Interest Transactions

Notes receivable from participants and the guaranteed interest account are managed by Empower and its related entities, and these transactions qualify as party-in-interest transactions. During 2022, the Plan paid Empower and its related entities approximately \$70,000. In addition, the Plan paid approximately \$13,000 for investment advisory services and \$2,000 for third party administrative services. While these transactions qualify as party-in-interest transactions as defined in Section 3(14) of ERISA, they are expressly exempted from the prohibited transaction rules.

(7) Delinquent Participant Contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions to the Plan, contributions of \$304,223 were not remitted within the required time period for the year ended December 31, 2022. The Company has remitted these delinquent employee contributions, including lost earnings of \$836 as a result.

(8) Subsequent Events

The Plan's management has evaluated events and transactions for potential recognition or disclosure in the financial statements through March 22, 2024, the date the financial statements were available to be issued. Effective January 1, 2024, the Company modified its contributions from non-elective safe harbor contribution of 3% base compensation to the Company matching contributions with percentage limitations.
