INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of Integration Charter Schools 401(k) Plan:

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT

We have performed an audit of the accompanying financial statements of Integration Charter Schools 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Integration Charter Schools 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2023 and 2022 and for the year ended June 30, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Integration Charter Schools 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Integration Charter Schools 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Integration Charter Schools 401(K) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Integration Charter Schools 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INTEGRATION CHARTER SCHOOLS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE A – DESCRIPTION OF PLAN

The following description of the Integration Charter Schools (“the Company”) 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution plan covering all eligible employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan’s trustees determine the appropriateness of the Plan’s investment offerings and monitors investment performance.

Eligibility. All employees of the Company are eligible to participate in the Plan. Those that are employed on the last day of the Plan year are eligible for participation in employer matching contributions.

Contributions. Each year, participants may contribute up to the maximum amount allowed by law of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Plan does not include an auto-enrollment provision. The Company makes matching contributions to the account of each eligible participant in the amount of 100% of the participant’s elective deferrals for the year, not to exceed 5% of compensation (as defined in the Plan). A matching contribution is discretionary and there was no matching contribution for the year ended June 30, 2023.

Participant Accounts. Each participant’s account is credited with the participant’s contribution and allocations of a.) The Company’s matching contribution and, b.) Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The investment options included various mutual funds through Fidelity Investments Company.

Vesting and Forfeitures. Participants are 100% vested in their contributions and related earnings and matching contributions and earnings thereon vest after two years of service. The non-vested portion of a participant’s account is forfeited when the participant leaves the Company. Forfeitures are kept in a separate account and can be used to pay administrative expenses or applied to reduce Employer contributions for the plan year. There were \$30,301 and \$25,360 of forfeitures available as of June 30, 2023 and 2022, respectively. For 2023, no forfeitures were used to reduce employee deferrals.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant’s account and bear interest at rates from 3.25% to 8.25%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting. The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of June 30, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan trustees determine the Plan's valuation policies. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits. Benefits are recorded when paid. Amounts allocated to accounts of persons who, at the financial statement date, have elected to withdraw from the Plan but have not been paid, totaled approximately \$236,000 as of June 30, 2023.

Operating Expenses. A portion of the expenses of maintaining the Plan are paid by the Company. Loan fees are paid by the participants.

Subsequent Events. The Company has evaluated subsequent events through March 15, 2024, which is the date the financial statements were available for issuance.

NOTE C – INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the information regarding the Plan as of June 30, 2023 and 2022, and for the year ended June 30, 2023, included in the Plan's financial statements, that was prepared by or derived from information provided by Fidelity Management Trust Company, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained a certification from the trustee that such information is complete and accurate.

	<u>June 30, 2023</u>	<u>June 30, 2022</u>
Statement of net assets available for benefits:		
Investments in mutual funds	\$ 10,295,587	\$ 7,985,771
Notes receivable from participants	140,157	136,295
Statement of changes in net assets available for benefits:		
Dividend and interest income from mutual funds	263,896	
Net appreciation in fair value of mutual funds	897,735	
Interest on notes receivable from participants	5,323	

NOTE D – FAIR VALUE MEASUREMENTS

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize use of the unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets
- b. Quoted prices for identical or similar assets or liabilities in inactive markets
- c. Inputs other than quoted prices that are observable for the asset or liability
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means

INTEGRATION CHARTER SCHOOLS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2023 AND 2022

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022:

- Shares of mutual funds are stated at fair value based on quoted market prices in an active market for each share held by the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value as of June 30, 2023 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,295,587	\$ -	\$ -	\$ 10,295,587

Investments at fair value as of June 30, 2022 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,985,771	\$ -	\$ -	\$ 7,985,771

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would still be 100% vested in their employer contributions.

NOTE F – TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The plan administrator and third party administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE G – PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of mutual funds managed or issued by Fidelity Management Trust Company (“FM”). Administration of the Plan is managed by Fidelity Management Trust Company. As the custodian and TPA of the Plan, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for contract administrator, recordkeeping services, and investment management fees were included as a reduction of the return earned on each fund.

Fees paid to the Plan’s auditor are paid directly by the Plan’s sponsor.

NOTE H—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – CONCENTRATIONS

Balances in 4 investments accounted for approximately 60% of total investments as of June 30, 2023. As of June 30, 2022, balances in 4 investments accounted for approximately 48% of total investments.

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of Integration Charter Schools 401(k) Plan:

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT

We have performed an audit of the accompanying financial statements of Integration Charter Schools 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Integration Charter Schools 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2023 and 2022 and for the year ended June 30, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Integration Charter Schools 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Integration Charter Schools 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Integration Charter Schools 401(K) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Integration Charter Schools 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INTEGRATION CHARTER SCHOOLS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE A – DESCRIPTION OF PLAN

The following description of the Integration Charter Schools (“the Company”) 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution plan covering all eligible employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan’s trustees determine the appropriateness of the Plan’s investment offerings and monitors investment performance.

Eligibility. All employees of the Company are eligible to participate in the Plan. Those that are employed on the last day of the Plan year are eligible for participation in employer matching contributions.

Contributions. Each year, participants may contribute up to the maximum amount allowed by law of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Plan does not include an auto-enrollment provision. The Company makes matching contributions to the account of each eligible participant in the amount of 100% of the participant’s elective deferrals for the year, not to exceed 5% of compensation (as defined in the Plan). A matching contribution is discretionary and there was no matching contribution for the year ended June 30, 2023.

Participant Accounts. Each participant’s account is credited with the participant’s contribution and allocations of a.) The Company’s matching contribution and, b.) Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The investment options included various mutual funds through Fidelity Investments Company.

Vesting and Forfeitures. Participants are 100% vested in their contributions and related earnings and matching contributions and earnings thereon vest after two years of service. The non-vested portion of a participant’s account is forfeited when the participant leaves the Company. Forfeitures are kept in a separate account and can be used to pay administrative expenses or applied to reduce Employer contributions for the plan year. There were \$30,301 and \$25,360 of forfeitures available as of June 30, 2023 and 2022, respectively. For 2023, no forfeitures were used to reduce employee deferrals.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant’s account and bear interest at rates from 3.25% to 8.25%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2023 AND 2022

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting. The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of June 30, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan trustees determine the Plan's valuation policies. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits. Benefits are recorded when paid. Amounts allocated to accounts of persons who, at the financial statement date, have elected to withdraw from the Plan but have not been paid, totaled approximately \$236,000 as of June 30, 2023.

Operating Expenses. A portion of the expenses of maintaining the Plan are paid by the Company. Loan fees are paid by the participants.

Subsequent Events. The Company has evaluated subsequent events through March 15, 2024, which is the date the financial statements were available for issuance.

NOTE C – INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the information regarding the Plan as of June 30, 2023 and 2022, and for the year ended June 30, 2023, included in the Plan's financial statements, that was prepared by or derived from information provided by Fidelity Management Trust Company, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained a certification from the trustee that such information is complete and accurate.

	<u>June 30, 2023</u>	<u>June 30, 2022</u>
Statement of net assets available for benefits:		
Investments in mutual funds	\$ 10,295,587	\$ 7,985,771
Notes receivable from participants	140,157	136,295
Statement of changes in net assets available for benefits:		
Dividend and interest income from mutual funds	263,896	
Net appreciation in fair value of mutual funds	897,735	
Interest on notes receivable from participants	5,323	

NOTE D – FAIR VALUE MEASUREMENTS

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize use of the unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets
- b. Quoted prices for identical or similar assets or liabilities in inactive markets
- c. Inputs other than quoted prices that are observable for the asset or liability
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means

INTEGRATION CHARTER SCHOOLS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2023 AND 2022

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022:

- Shares of mutual funds are stated at fair value based on quoted market prices in an active market for each share held by the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value as of June 30, 2023 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,295,587	\$ -	\$ -	\$ 10,295,587

Investments at fair value as of June 30, 2022 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,985,771	\$ -	\$ -	\$ 7,985,771

INTEGRATION CHARTER SCHOOLS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2023 AND 2022

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would still be 100% vested in their employer contributions.

NOTE F – TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The plan administrator and third party administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE G – PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of mutual funds managed or issued by Fidelity Management Trust Company (“FM”). Administration of the Plan is managed by Fidelity Management Trust Company. As the custodian and TPA of the Plan, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for contract administrator, recordkeeping services, and investment management fees were included as a reduction of the return earned on each fund.

Fees paid to the Plan’s auditor are paid directly by the Plan’s sponsor.

NOTE H—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – CONCENTRATIONS

Balances in 4 investments accounted for approximately 60% of total investments as of June 30, 2023. As of June 30, 2022, balances in 4 investments accounted for approximately 48% of total investments.
