Independent Auditors' Report

To the Board of Directors of
Hart United, Inc. Profit Sharing Plan
North Haven, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Hart United, Inc. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hart United, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hart United, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hart United, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hart United, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at the End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hart United, Inc. Profit Sharing Plan

Notes to Financial Statements

June 30, 2023 and 2022

(1) Description of the Plan

The following description of the Hart United, Inc. Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Adoption Agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution 401(a) plan established by Hart United, Inc. (the “Organization” or the “Employer”) as of June 19, 1991. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

During 2022, the Plan’s trustee changed from Capital Bank and Trust Company to Empower Trust Company, LLC.

(b) Eligibility

Employees of the Organization are eligible to participate in the Plan the first day of the calendar month following eligibility requirements. All full-time employees of the Organization are eligible with the exception of leased employees and residents of Puerto Rico.

(c) Employee Contributions

Employees that have attained age 21 and completed 60 days of service are eligible to contribute to the Plan through voluntary payroll deductions, up to 100% of pre-tax annual eligible compensation not to exceed Internal Revenue Service established limits. Employees may also make after-tax Roth contributions. Employees attaining 50 years of age or older before the end of the year are allowed to make catch-up contributions not to exceed Internal Revenue Code (“IRC”) established limits.

Rollover contributions to the Plan are also permitted.

(d) Employer Contributions

The Employer may, in its sole discretion, make a profit sharing contribution to the Plan on behalf of eligible employees that have attained age 21 and completed 2 years of service, provided they have completed at least 1,000 hours of service during the Plan year. Such contributions will be allocated to the participant’s account in the ratio that each participant’s eligible compensation bears to the Plan compensation of all eligible participants. The Employer profit sharing contributions were \$166,186 and \$0 for 2023 and 2022, respectively.

Effective July 1, 2021, the Plan was amended to allow for employer matching contributions and safe harbor contributions for employees that have attained age 21 and have completed 1 year of service. The Employer will make safe harbor contributions to the Plan in the amount of 3% of eligible compensation. The safe harbor employer contributions were \$144,413 and \$141,226 for 2023 and 2022, respectively.

Description of the Plan (continued)

(e) Participant Accounts

Each participant's account is credited with the participant's allocation of (a) the participant's contribution; (b) the Employer's contributions; and (c) Plan earnings. Allocations are based on participant's eligible compensation relative to total eligible compensation, deferred contribution amount or account balances as defined by the Plan.

The benefit to which a participant is entitled is that which can be provided from the vested balance in the participant's account. Participants direct all contributions invested in investment options offered by the Plan.

(f) Vesting

Participants are immediately vested in all contributions.

(g) Payment of Benefits

Upon termination due to death, disability or retirement, a participant may elect to receive either a lump-sum distribution or various annuity options. The benefits paid are the vested balance of the participant's account. The Plan allows participants to receive benefits in cases of hardships.

If the vested amount of an account payable to a participant or beneficiary does not exceed \$5,000 at the time such individual becomes entitled to a distribution, such vested account shall be paid in a lump sum.

If the value of a participant's vested account balance exceeds \$5,000 and the account balance is immediately distributable, the participant must consent to any distribution of such account balance.

(h) Notes Receivable

Participant loans are not permitted by the Plan except for cases of financial hardship which are evaluated on a case by case basis by the Executive Director.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Summary of Significant Accounting Policies (continued)

(b) Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(c) Risks and Uncertainties

The Plan invests in securities, which in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

(d) Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

(e) Payment of Benefits

Benefits are recorded when paid.

(f) Administrative Expenses

In general, all Plan expenses are paid for by the Organization.

(g) Subsequent Events

The Plan has evaluated subsequent events through April 5, 2024, which is the date that the financial statements were available to be issued.

(3) Information Prepared and Certified by the Trustees

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC (current trustees) and Capital Bank and Trust Company (prior year trustee) has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for plan benefits as of June 30, 2023 and 2022, the schedule of assets held for investment purposes as of June 30, 2023 and the related investment activity reflected in the statements of changes in net assets available for plan benefits for the years ended June 30, 2023 and 2022.

(4) Fair Value Measurements

Generally accepted accounting principles in the United States of America establish a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Mutual funds: Valued at quoted market prices at year-end.

Hart United, Inc. Profit Sharing Plan

Notes to Financial Statements

June 30, 2023 and 2022

Fair Value Measurements (continued)

Fixed annuities: Valued at contract cost, which equals accumulated cash contributions and interest credited to the contracts less any withdrawals.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022:

<u>Assets at Fair Value as of June 30, 2023</u>				
	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>
Mutual Funds	\$ 1,540,928	\$ -	\$ -	\$ 1,540,928
Fixed Annuities	-	129,002	-	129,002
	<u>\$ 1,540,928</u>	<u>\$ 129,002</u>	<u>\$ -</u>	<u>\$ 1,669,930</u>

<u>Assets at Fair Value as of June 30, 2022</u>				
	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>
Mutual Funds	\$ 1,385,791	\$ -	\$ -	\$ 1,385,791
Fixed Annuities	-	173,844	-	173,844
	<u>\$ 1,385,791</u>	<u>\$ 173,844</u>	<u>\$ -</u>	<u>\$ 1,559,635</u>

(5) Related Party Transactions

The Plan uses a number of service providers. Such providers are considered parties-in-interest under ERISA.

(6) Plan Amendment and Termination

Although it has not expressed any intention to do so, the Organization has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. Additionally, the Organization may amend the Plan at any time without the consent of any participant or beneficiary, provided that no amendment deprives any participant of the participant non-forfeitable accrued benefit.

(7) Withdrawing Participants

All participants who have withdrawn from the Plan and requested their benefits have been paid as of June 30, 2023.

Hart United, Inc. Profit Sharing Plan

Notes to Financial Statements

June 30, 2023 and 2022

(8) Tax Status

The Plan is based on a prototype plan and is relying on the prototype sponsor's opinion letter from the Internal Revenue Service dated September 30, 2014. This letter states that the prototype and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

(9) Reconciliation to Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at June 30, 2023 and 2022 to Form 5500:

	2023	2022
Net assets available for plan benefits per the financial statements	\$ 1,980,529	\$ 1,700,861
Less: employer contribution receivable	<u>(310,599)</u>	<u>(141,226)</u>
Net assets available for plan benefits per the Form 5500	<u>\$ 1,669,930</u>	<u>\$ 1,559,635</u>

The following is a reconciliation of increase in net assets for plan benefits per the financial statements for the year ended June 30, 2023 to Form 5500:

	2023
Net increase in net assets available for plan benefits per the financial statements	\$ 279,668
Plus: prior year employer contribution receivable	141,226
Less: current year employer contribution receivable	<u>(310,599)</u>
Net increase in net assets available for plan benefits per Form 5500	<u>\$ 110,295</u>
