Independent Auditors' Report

To the Trustee of the
Sanchez Restaurant
401(k) and Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sanchez 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 of the notes to financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INAA GROUP
INTERNATIONAL ASSOCIATION OF ACCOUNTANTS AND AUDITORS

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SANCHEZ RESTAURANT 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Sanchez Restaurant 401(k) and Profit-Sharing Plan (the Plan) provides only general information. The Plan is sponsored by LS Restaurant Management, Inc. (the Plan Sponsor). Participants should refer to the Summary Plan Description or other plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established on January 1, 2015, as amended from time to time, covering substantially all employees of the Plan Sponsor. Employees 21 and older are eligible to participate on the first day of the month following the completion of one year of service. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA) as well as all provisions of the federal income tax laws.

The Trustee is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustee.

On June 16, 2021, the Plan's assets were transferred to Voya Financial, who will serve as the Plan's new custodian effective the aforementioned date. Additionally, the Plan adopted a new non-standardized defined contribution plan in order to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e. the 6-year pre-approved plan restatement cycle).

Contributions

Each year, participants may make tax-deferred contributions to the Plan not to exceed the amount deductible for federal income tax purposes. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Once an employee is eligible to participate to the Plan, they are notified so that they have the option to enroll in the Plan.

The Plan Sponsor has elected to make matching safe harbor contributions equal to the sum of 100% of the amount of the participant contributions that do not exceed 3% of their respective compensation, plus 50% of the participant contributions that exceed 3% (up to a maximum of 5%) of the respective participant's compensation. The Plan Sponsor may also elect to make discretionary matching and profit-sharing contributions. During the year ended December 31, 2022, no discretionary or profit-sharing contributions were made. The Plan Sponsor made a safe harbor matching contribution of $37,610 during the year ended December 31, 2022. Contributions are subject to Internal Revenue Service (IRS) limitations.

1. DESCRIPTION OF PLAN (continued)

Participant Accounts

Each participant's account is credited with the participant's tax-deferred contributions and employer contributions (if any), as well as allocations of the Plan Sponsor's profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferred salary contributions, the Plan Sponsor's safe harbor matching contributions, rollover contributions from other plans and actual earnings thereon. Vesting in the Plan Sponsor's profit-sharing or matching discretionary contributions (if any) of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested upon retirement, permanent disability, death or reaching age 65 while employed by the Plan Sponsor. If a participant separates from the employment of the Plan Sponsor for any other reason, a participant shall be vested based upon the following schedule:

Year(s) of Vesting Service	Percentage Vested
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more years	100%

Notes Receivable from Participants

The Plan does not permit any new loans to be issued to participants. However, since the Plan accepts rollovers, the Plan Administrator may, in a uniform and nondiscriminatory manner, accept rollovers of loans into the Plan. The Plan does not have any notes receivable from participants at December 31, 2022 and 2021.

Payment of Benefits

Distributions from the Plan will be made in a single lump-sum payment; or if an in-service distribution, may be received in partial distributions.

If a participant's vested benefit in the Plan exceeds $5,000, the participant may also choose to receive installments, request a partial withdrawal, or defer receiving payments until age 70 ½. If the participant's vested benefit does not exceed $5,000, then the participant's benefit will be distributed in a lump-sum as soon as practicable following the event that led to the participant being entitled to a distribution.

1. DESCRIPTION OF PLAN (continued)

Forfeited Accounts

Forfeitures may be used to pay Plan expenses or reduce employer contributions. Since inception of the Plan there have been no forfeitures through December 31, 2022. Accordingly, at December 31, 2022 and 2021, there were no unallocated forfeitures available to pay Plan expenses or reduce employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on the Plan's investments bought and sold as well as those held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

Fees related to the administration of distributions from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

During the year ended December 31, 2022, the Plan incurred administrative fees of $1,132 directly with its third-party administrator. These charges are reflected in the accompanying statement of changes in net assets available for benefits.

1. DESCRIPTION OF PLAN (continued)

Recent Accounting Pronouncements

During the year ended December 31, 2022 and through March 27, 2024, there were several new accounting pronouncements issued by the Financial Accounting Standards Board (FASB). Each of these pronouncements, as applicable, has been or will be adopted by the Plan. Plan management does not believe the adoption of any of these accounting pronouncements has had or will have a material impact on the Plan's financial statements.

Subsequent Events

In preparing the financial statements, the Plan's management has reviewed, as determined necessary by the Plan's management, events that have occurred after December 31, 2022, up until the issuance of the financial statements, which occurred on March 27, 2024.

3. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1 Valuations based on unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 Valuations based on quoted prices in markets that are not active, or financial instruments for which all significant inputs are observable; either directly or indirectly; and

Level 3 Valuations based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable; thus, reflecting assumptions about the market participants.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

3. FAIR VALUE MEASUREMENTS (continued)

Level 1 Fair Value Measurements

Pooled separate accounts: consists of a pooled group of mutual funds which are valued daily at their net asset values (NAV). The NAV is used as a practical expedient to estimate fair value, and therefore have not been classified in the fair value hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at net asset value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

December 31, 2022	Quoted Prices In Active Markets for Identical Assets (Level 1) Inputs	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Total assets	$ -	$ -	$ -	$ -
Pooled separate accounts*				477,499
				$ 477,499

December 31, 2021	Quoted Prices In Active Markets for Identical Assets (Level 1) Inputs	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Total assets	$ -	$ -	$ -	$ -
Pooled separate accounts*				547,241
				$ 547,241

* These investments are valued using a net asset value as a practical expedient, and therefore have not been classified in the fair value hierarchy.

4. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan uses Voya Financial as the record keeper and custodian and Nova 401k Associates as the third-party administrator. Therefore, these transactions qualify as party-in-interest transactions.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

6. TAX STATUS

The Plan, as originally drafted, is a Prototype Non-Standardized Profit-Sharing Plan with Cash or Deferred Arrangement. The IRS has determined and informed the Sponsor of the prototype plan by a letter dated June 30, 2020, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC).

The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and ERISA and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

It is not possible at this time to reasonably estimate the possible loss or range of loss, if any. We further caution that it is not possible to list all such factors, and you should not consider the identified factors as a complete list of all risks and uncertainties.

8. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

For the years ended December 31, 2022 and 2021, the Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the auditors to not perform any auditing procedures with respect to the information certified by the respective custodian of the Plan in 2022 and 2021, except for comparing such information with the related information included in the accompanying financial statements and supplemental schedule.

The following information was obtained from data that has been prepared and certified to as complete and accurate by the custodian of the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

	2022	2021
Investments:		
Pooled separate accounts (at net asset value)	$ 477,499	$ 547,241
Investment loss:		
Net depreciation in fair value of investments	$ 102,349
