To the Participants and Plan Administrator
Northstar Communications, Inc. 401(k) Profit Sharing Plan and Trust
Tempe, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Northstar Communications, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules (1) Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions and (2) Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NORTHSTAR COMMUNICATIONS, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION

The following description of the Northstar Communications, Inc. 401(k) Profit Sharing Plan and Trust (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions. The Plan Document is controlling at all times. The Plan is sponsored by Northstar Communications, Inc. (the “Company” or “Plan Sponsor”).

General

The Plan was established on July 1, 2018, and subsequently amended and restated on February 18, 2022 to adopt a new prototype plan sponsored by Principal Life Insurance Company. The Plan is a defined contribution plan covering substantially all employees of the Company. The purpose of the Plan is to provide employees with retirement benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Under the terms of the Plan, employees become eligible to make salary deferral contributions after having attained the age of 18 and completing 3 months of service. Employees may enroll in the Plan the first day of the month coinciding with or next following the date the eligibility requirements are met unless the Company is notified otherwise by the employee.

Contributions

Each year, participants may elect to defer up to 100% of their eligible compensation, as defined in the Plan Document, through salary deductions; however, annual contributions may not exceed the maximum allowed under the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“rollover”).

The Plan includes a Roth 401(k) feature which allows employees to contribute funds on a post-tax elective deferral basis, in addition to, or instead of, pre-tax elective deferrals. The Roth 401(k) feature allows for tax-free growth and distributions provided that the post-tax contributions have been vested for at least six years and the Participant has reached the age of 59 ½.

The Company’s safe harbor matching contributions are equal to 100% of the Participants’ salary deferrals up to 4% of their eligible compensation. For the year ended, December 31, 2022, the Company made safe harbor contributions of \$217,524. The Company has the option to make annual discretionary matching and non-elective contributions in an amount to be determined by the Company. For the year ended, December 31, 2022, no discretionary matching contributions or non-elective contributions were made.

Participant Accounts

Separate accounts are maintained for each participant. Participant accounts are credited with participant contributions, rollover contributions, allocations of Company’s safe harbor matching and discretionary contributions, and investment earnings and losses, and charged with withdrawals and administrative fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options

Upon enrollment in the Plan, participants may direct Company and participant contributions into any of the investment options offered by the Plan. Participants may change their investment elections at any time, as well as transfer existing balances between investment funds.

NORTHSTAR COMMUNICATIONS, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION – CONTINUED

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, Company's safe harbor matching contributions, and actual earnings or losses thereon.

Vesting in the Company's discretionary matching and discretionary non-elective contributions portions of a participant's account plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of service, increasing 20% each year thereafter until becoming fully vested after six years of service as defined in the Plan Document. However, if a participant dies, or becomes disabled prior to attaining the normal retirement age, or attains normal retirement age as defined by the Plan, the participant's account becomes 100% vested if still employed by the Company as of such date.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Loan transactions are treated as a transfer between investment funds and the loan fund. Loan terms range from 1-5 years or up to 7 years for the purchase of a primary residence. Loans are secured by the vested balance in the participant's account and bear interest at a fixed rate of interest that reflects the current market rates charged by financial institutions for similar loans as determined by the Plan Administrator. Each participant may only have two loans outstanding at any time. Loan repayments are made by check or payroll deduction.

Payment of Benefits and Withdrawals

Upon termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's full account balance, regardless of years of credited service. For termination due to other reasons, participants may receive the sum of their contributions any earnings thereon, plus the vested portion of Company contributions. Payments of benefits are made, at the election of the participant, in the form of an annuity, a lump sum distribution, or a combination thereof.

A hardship withdrawal, if approved can be made on employee deferral contributions to satisfy certain immediate and heavy financial needs, as defined, up to the amount of the participant's vested balance. An unrestricted withdrawal can be made at the age of 59 ½ or upon normal retirement age of 65 on all or a portion of the participants' vested account.

Forfeitures

At December 31, 2022 and 2021, there was no balance in the forfeited non-vested accounts. These accounts may either be used to reduce Company matching contributions or to pay administration fees. For the year ended December 31, 2022, no forfeitures were used to reduce Company matching contributions or to pay administration fees.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan are prepared using the accrual method of accounting.

NORTHSTAR COMMUNICATIONS, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Basis of Presentation - Continued

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement for the portion of the net asset available for benefits attributable to fully benefit-responsive investment contracts. Contract value is the amount participants would receive if they were to initiate permitted transaction under the terms of the Plan. As described further in Note 5, the Plan's investment contract is fully benefit-responsive and reported at contract value.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net change in the fair value of investments is reported in the statement of changes in net assets available for benefits in the period of the change.

Purchases and sales of securities are recorded on a trade-date basis. Expenses related to the purchase or sale of investments are added to cost or deducted from proceeds. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan Document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net depreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Pooled Separate Accounts: Investments in the pooled separate accounts are stated at fair value and represent the number of participation units owned by the Plan valued at the net asset unit value of the separate account as of year-end. The NAV is used as a practical expedient to determine fair value for these accounts. The calculated NAV is directly related to the net asset value of the underlying investment adjusted for dividends or distributions received by the Custodian and the daily equivalent of any fees charged. Pooled separate accounts invest primarily in long-term bonds, domestic and international stocks, or single mutual funds. The underlying investments held by each pooled separate account are traded on an active market. Due to the nature of these investments, there are no unfunded commitments or redemption restrictions. As the pooled separate accounts are valued using NAV as a practical expedient, disclosure of fair value levels is not required.

Common Collective Trust Funds: Investments in common collective trust funds are represented by a “unit of account” and per unit values whose value is the result of the accumulated values of the underlying investments. These underlying investments are public investment vehicles valued using the NAV provided by the administrator of the mutual fund investments. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. Due to the nature of these investments, there are no unfunded commitments or redemption restrictions. As the common collective trust funds are valued using NAV as a practical expedient, disclosure of fair value levels is not required.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – ADMINISTRATION OF PLAN ASSETS

The Plan’s assets are held by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (the “Custodian”). Administrative functions are performed by the Custodian. Certain administrative expenses, including loan administration fees, are paid by the participants. Other administrative expenses, such as accounting and legal fees, are paid by the Company.

NORTHSTAR COMMUNICATIONS, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with Principal Life Insurance Company (“Principal”). Principal maintains the contributions in a guaranteed interest general account. The account is credited with earnings on the underlying investments and charged for participant’s withdrawals and administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. As described in Note 2, because the insurance contracts are fully benefit-responsive, contract value is the relevant measurement attributable for that portion of the net assets available for the benefits attributable to the insurance contract. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of the investment at contract value.

The contracts have certain restrictions that impact the ability to collect the full contract value for certain events. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Principal may not terminate the Funds at any amount less than contract value.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan has notes receivable from participants at December 31, 2022 and 2021. As a result, these notes and all transactions relating to these notes qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

The Plan’s investments are managed by the Custodian and, therefore, these transactions qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

The Plan incurs expenses related to general administration, recordkeeping and investment advisory services. Fees paid by the Plan for these services totaled \$10,966 for the year ended December 31, 2022. These transactions are exempt from being prohibited transactions by ERISA.

NOTE 7 – FEDERAL INCOME TAX STATUS

The Plan is a Prototype Plan sponsored by Principal. Principal received a determination letter from the Internal Revenue Service (“IRS”), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The Prototype Plan has been amended since receiving the determination letter. The Plan itself had not received a determination letter from the IRS. However, the Plan’s management and tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires the Plan’s management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan’s management believes it is no longer subject to income tax examinations for years prior to 2019.

Net Appreciation (Depreciation) in Fair Value of Investments	(257,494)	145,577
Interest Income on Notes Receivable from Participants	5,851	4,044

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their employer contributions.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities for its participants. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 12 – DELINQUENT PARTICIPANT CONTRIBUTIONS

The Department of Labor (DOL Reg. 2510.3-102) requires an employer to segregate participant contributions from its general assets as soon as practicable, but in no event later than the 15th business day following the end of the month in which amounts are contributed by participants or withheld from their wages.

For the year ended December 31, 2022, the Company did not remit participant contributions totaling \$1,503 in a timely manner. Delinquent participant contributions totaling \$63 were remitted to the Plan in 2022 while delinquent participant contributions totaling \$1,440 were not remitted to the Plan until 2023. Lost earnings thereon were remitted in 2023.
