INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Community Food Bank of New Jersey Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Community Food Bank of New Jersey Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Community Food Bank of New Jersey Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Food Bank of New Jersey Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Food Bank of New Jersey Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Food Bank of New Jersey Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Food Bank of New Jersey Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Community Food Bank of New Jersey Retirement Plan

Notes to Financial Statements

June 30, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following brief description of the Community Food Bank of New Jersey Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code (“IRC”) and subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established for the purpose of providing eligible employees of Community Food Bank of New Jersey (the “Company”) and their beneficiaries funds for retirement. The Board of Directors is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Eligibility

An employee of the Company may begin contributing to the Plan following their date of hire subject to the completion of one month of service and the attainment of 21 years of age. Employees must be employed for one year and complete 1,000 hours of service to be eligible for the employer match. Employees must be employed for one year, complete 1,000 hours of service and be employed on the last day of the Plan year to be eligible for the profit-sharing contribution. Participants’ entry dates for the Plan are the first day of each month of the Plan year. Leased employees, as defined in the Plan document, are excluded from participation in the Plan.

Employee Contributions

An employee participating in the Plan may annually contribute through payroll deductions up to 100% of their compensation, limited to amounts as determined annually by the Internal Revenue Service (“IRS”) and may contribute amounts representing distributions of pre-tax dollars only from other qualified plans. Any participant age 50 or over may make an additional “catch-up” contribution as determined annually by the IRS. The Plan includes an autoenrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may suspend contributions at any time or may increase or decrease their level of participation on the first day of each month.

Employer Contributions

The Company has the option to make a discretionary matching contribution each calendar year. The Company may also make a discretionary profit-sharing contribution into the Plan to be allocated to all eligible participants. The Company elected to make both an employer matching contribution and a profit-sharing contribution equal to 3% of eligible compensation for each of the Plan years ending June 30, 2023 and 2022. During the year ended June 30, 2023, the Company made employer contributions of \$590,292 to the Plan.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of shares in registered investment companies and a common collective trust with varying investment objectives as investment options. Each participant’s account is credited with the participant’s pre-tax contributions, the employer contributions, if any, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant’s account is reduced by withdrawals, losses on investments, administrative expenses, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

The Company's matching and profit-sharing contributions are 100% vested after the completion of five years of continuous service based upon the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

A participant's "vested percentage" is based on vesting years of service. A participant earns and accumulates a year of vesting for each 12 months of continuous service or, if less than a year of service, when his/her account is credited with 1,000 hours of service. A participant is always 100% vested in his/her own deferred salary contribution to the Plan and the earnings thereon, but with respect to the employer contributions, any unvested portion of his/her account shall be forfeited at termination and used to reduce employer contributions.

Distributions and Withdrawals

Prior to age 59-1/2, distributions and withdrawals are not permitted from the Plan except in the instances of hardship, death, disability, or termination of employment. Hardship withdrawals are permitted from the participants' deferral contributions account only. Participants who meet distribution and withdrawal requirements may elect to withdraw an amount equal to any whole percentage less than or equal to 100% of the vested account for any reason. In the event of termination of employment, a participant shall receive, as a lump-sum distribution, their participant contributions, and earnings thereon and vested Company contributions and earnings thereon.

Notes Receivable From Participants

The Plan allows for loans to be extended to participants for financial hardship or financial needs. All loans are considered a direct investment of the participant and payments of principal and interest are credited to the participant's account. The minimum a participant may borrow is \$1,000 and the maximum, including the outstanding balance of existing Plan loans, is 50% of their vested account balance, not to exceed \$50,000. The loans bear interest at the rate of 4.25% with maturities through 2033. Principal and interest are paid ratably through payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements. Purchases and sales of funds are recorded on a trade date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date.

Notes to Financial Statements

June 30, 2023 and 2022

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Services

The expenses necessary to administer the Plan, including but not limited to retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor, are paid by the Company. All expenses for account maintenance fees and transaction fees are paid by the Plan. Participants are charged service fees for any loan and distribution transactions they request. Certain other fees are net with investment income.

Payment of Benefits

Benefits are recorded when paid.

Forfeited Accounts

At June 30, 2023 and 2022, the Plan had \$19,805 and \$8,751, respectively, of forfeited non-vested accounts. Forfeitures can be used to reduce employer contributions or to reduce Plan expenses at the request of the employer. During the year ended June 30, 2023, \$48,523 was applied to offset employer contributions.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Termination

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and nonforfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination which has not been applied to reduce Company contributions shall be allocated on a pro rata basis to the participants' accounts.

Reclassification

Certain amounts from the prior year have been reclassified to conform to current year presentation.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Registered Investment Companies: Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Common Collective Trust Fund: Valued at net asset value ("NAV") as determined by the issuer of the fund based on the fair value of the underlying investments. NAV is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022:

	2023			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment companies	\$ 9,810,404	\$ 9,810,404	\$ -	\$ -

Common collective trust fund, at NAV*	196,733			
	<u>\$ 8,543,146</u>			

*In accordance with Subtopic 820-10, certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following is a summary of the Plan's investments for which fair value is estimated using the NAV value per share as of June 30, 2023 and 2022:

4. INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the trustee, Fidelity Management Trust Company, except for comparing such information with the related information included in the financial statements.

Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of June 30, 2023 and 2022.

June 30, 2023 and 2022

The following information as of June 30, 2023 and 2022 and for the year ended June 30, 2023 was prepared from reports certified by the trustee:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 10,046,361	\$ 8,543,146
Notes receivable from participants	\$ 210,058	\$ 263,191
Net appreciation in fair value of investments	\$ 736,895	
Interest and dividend income	\$ 216,851	
Interest from notes receivable from participants	\$ 9,577	

5. INCOME TAX STATUS

The Plan adopted a non-standardized pre-approved profit-sharing plan with Cash or Deferred Arrangement ("CODA"), referred to as "pre-approved plan". By letter dated June 30, 2020, the IRS has determined that the pre-approved plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2023 and 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there are no tax related interest or penalties for the periods presented in these financial statements.

6. RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Fidelity Management Trust Company; the trustee as defined in the Plan. In addition, the Plan paid account maintenance and transaction fees of \$49,921 for the year ended June 30, 2023. These transactions qualify as exempt party-in-interest transactions. Notes receivable from participants are exempt party-in-interest transactions.

7. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of April 9, 2024, which is the date the financial statements were available to be released. Based upon this evaluation, the Plan has determined that no subsequent events would require adjustment to or disclosure in the financial statements.
