Independent Auditors' Report

To the Trustees and Plan Participants
U.M. FDSP Associates, P.A.
401(k) Profit Sharing Plan
Baltimore, Maryland

Opinion

We have audited the accompanying financial statements of the U.M. FDSP Associates, P.A. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of U.M. FDSP Associates, P.A. 401(k) Profit Sharing Plan as of June 30, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of U.M. FDSP Associates, P.A. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about U.M. FDSP Associates, P.A. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness U.M. FDSP Associates, P.A. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about U.M. FDSP Associates, P.A. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report (continued)

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year), and Schedule of Delinquent Participant Contributions, referred to as "supplementary financial information", are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

U.M. FDSP & ASSOCIATES, P.A.
401(K) PROFIT SHARING PLAN

Notes to Financial Statements
June 30, 2023 and 2022

1. Description of the Plan

The following description of the U.M. FDSP Associates, P.A. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. General - The Plan is a defined contribution plan covering substantially all employees of the U.M. FDSP & Associates, P.A. (the Organization). There is no age or service requirement to participate in the salary deferral portion of the Plan. Employees must have one year of service in order to be eligible for matching and discretionary employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees oversee governance of the Plan, determine the appropriateness of the Plan's investment offerings and monitor investment performance.
- B. Contributions - Each year, participants may contribute up to 100 percent of pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions (and employer contributions) into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants. The Organization provides a matching contribution to the Plan equal to 100% of the employees' contribution up to 6% of the employees' annual compensation. The Plan allows for a discretionary contribution, as determined by the Organization's Board of Directors. During the years ended June 30, 2023 and 2022, no discretionary contributions were made. Contributions are subject to certain statutory limitations.
- C. Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Organization's matching contributions, and (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer contribution portion of their accounts is also immediate upon entering the Plan.
- E. Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.25%, which are commensurate with the local prevailing market rates determined by the Plan administration. Principal and interest are paid ratably through payroll deductions.
- F. Payment of benefits - On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum amount equal to the value of participant's vested interest in his or her account. As outlined in the Plan document, a participant may request a distribution from their voluntary contribution account for serious financial difficulties. The administrator of the Plan must approve each hardship request. Hardship withdrawals may not be repaid to the plan.

U.M. FDSP & ASSOCIATES, P.A.
401(K) PROFIT SHARING PLAN

Notes to Financial Statements
June 30, 2023 and 2022

1. Description of the Plan (continued)

- G. Forfeitures - At June 30, 2023 and 2022, forfeited non-vested accounts totaled \$225 and \$471, respectively. For the years ended June 30, 2023 and 2022, \$483 and \$1,278, respectively, of the forfeiture funds were used to reduce Organization's contributions or pay plan expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of June 30, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan payments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment according to the terms of the Plan document.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of other observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 1 inputs were available for all Plan investments.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2023 and 2022:

Fair Value Measurements at the End of the Reporting Period Using:				
	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>June 30, 2023</u>				
Mutual funds	\$ 9,172,003	\$ 9,172,003	\$ - 0 -	\$ - 0 -

U.M. FDSP & ASSOCIATES, P.A.
401(K) PROFIT SHARING PLAN

Notes to Financial Statements
June 30, 2023 and 2022

3. Fair Value Measurements (continued)

Level 1 Fair Value Measurements

The fair value of the mutual funds and the money market fund are based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Gains and losses included in changes in net assets available for benefits for the years ended June 30, 2023 and 2022 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended June 30, 2023 and 2022, there were no significant transfers between Level 1 and Level 2 and no transfers into or out of Level 3.

4. Related-Party and Party-in-Interest Transactions

Certain Plan investments are shares of T. Rowe Price mutual funds and money market fund managed by DST Retirement Solutions, Inc., which is an affiliate of T. Rowe Price Services, Inc. T. Rowe Price is the custodian as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. As described in Note 2, the Organization pays certain expenses related to plan operations. The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

5. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100 percent vested in their accounts.

6. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of June 30:

	2023	2022
Net assets available for benefits per the financial statements	\$ 9,409,895	\$ 8,434,241

6. Reconciliation of Financial Statements to Schedule H of Form 5500 (continued)

The following is a reconciliation of changes in net assets per the financial statements to Schedule H of Form 5500 for the year ended June 30:

	<u>2023</u>	<u>2022</u>
Changes in net assets available for benefits per the financial statements	\$ 975,654	\$ (1,274,472)
Add: other contributions receivable, at beginning of year	8,742	- 0 -
Less: other contributions receivable, at end of period	<u>- 0 -</u>	<u>(8,742)</u>
Changes in net assets available for benefits per Schedule H of Form 5500	<u>\$ 984,396</u>	<u>\$ (1,283,214)</u>

7. Tax Status

The prototype for this Plan obtained its latest opinion letter on June 30, 2020 in which the Internal Revenue Service stated that the prototype plan was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since the prototype received its opinion letter. However, the Plan Administrator and the Trustees believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Subsequent Events

The Plan has evaluated subsequent events through April 8, 2024, the date the financial statements were available to be issued.
