Independent Auditors' Report

To the Trustee and Plan Administrator of the
Mixteco/Indigena Community Organizing Project 403(b) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of the Mixteco/Indigena Community Organizing Project 403(b) Plan an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements ("2023 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of June 30, 2023 and 2022 and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section,

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- the information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Mixteco/Indigena Community Organizing Project 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Mixteco/Indigena Community Organizing Project 403(b) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Mixteco/Indigena Community Organizing Project 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Mixteco/Indigena Community Organizing Project 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental schedules Form 5500 – Supplemental Schedule H, Line 4i, Assets Held for Investment Purposes and Form 5500 – Supplemental Schedule H, Line 4a Schedule of Delinquent Participant Contributions as of June 30, 2023, are presented for the purpose of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MIXTECO/INDIGENA COMMUNITY ORGANIZING PROJECT 403(B) PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

Note 1: Description of Plan

The following description of the Mixteco/Indigena Community Organizing Project 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the adoption agreement and plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established by the Mixteco/Indigena Community Organizing Project (the “Organization”), and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA) and the requirements of Section 403(b) of the Internal Revenue Code (the “Code”). The Plan was established July 1, 2020 with the Organization as the Sponsor. Nova 401(k) serves as the third party administrator of the Plan.

Contributions

Active participants may elect to contribute up to a maximum of \$22,500 for the Plan year. Total contributions to a participant's account in a given plan year may not exceed the lesser of \$66,000 or 100% of the participant's compensation for the Plan year. Individuals who are at least 50 years of age are permitted to make "catch-up" contributions. The maximum catch-up contribution allowed in 2023 for a 403(b) is \$7,500. The Plan allows participants to make Roth deferral contributions. Contributions, excluding Roth 403(b) contributions, are excludable from the participant's taxable income for federal income tax purposes until received as a withdrawal or distribution from the Plan.

A participant may increase or decrease the amount of the salary/wage reduction at any time. Participants may also contribute amounts representing rollovers from other qualified defined benefit and contribution plans, including Roth direct rollovers.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has twenty-four mutual fund investment options for participants. Participants may change such allocation at any time directly with the Trustee and may transfer the value of their account among the funds.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

Note 1: Description of Plan - continued

Contributions - continued

The Organization may decide each plan year whether to make a discretionary employer contribution on behalf of eligible participants. Such contributions shall be allocated to eligible participants quarterly based upon the announced percentage for profit sharing times eligible compensation.

Participant Accounts

Participant accounts are credited with participant contributions and allocations of (a) the Organization's discretionary contribution and, (b) Plan earnings. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. For the Plan years ended June 30, 2023 and 2022, there were 115 and 109 participants or former participants with account balances in the Plan, respectively.

Eligibility

Employees are eligible to participate in the salary deferral and the Organization's profit sharing contributions upon hire. There are no age or service requirements for eligibility. Upon enrollment in the Plan, a participant may direct employer and employee contributions to any combination of available investment options offered by the Plan.

Vesting

Participant contributions are fully vested at all times. All qualified employer contributions are 100% vested when made.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. Amounts contributed through salary/wage reductions can be withdrawn at any time. Upon proof, to the satisfaction of the Plan Administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties apply to withdrawals or distributions prior to age 59 ½.

Note 1: Description of Plan - continued

Participant Notes Receivable

Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. General guidelines are that the minimum loan amount be \$1,000 while the maximum is equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at variable rates tied to the Wall Street Journal's prime rate plus 2 percent. Principal and interest is paid ratably through payroll deductions.

As of June 30, 2023 and 2022, there were no outstanding loans.

Forfeitures

Forfeitures are not applicable under the Plan. All employee and employer contributions are 100% vested when the contribution is received by the Plan.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Payments of Benefits

All benefit payments are recorded when paid.

Note 2: Summary of Significant Accounting Policies - continued

Investment Valuation and Income Recognition

Investments held by the Plan at year-end are stated at market value based on quoted market prices. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Participant notes receivable are valued at cost. The aggregate change between years in the market value of investments (net unrealized appreciation or depreciation) is included in net investment income.

Note 3: Fair Value Measurements of Investments

U.S. GAAP establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Quoted prices in active markets that are unadjusted and accessible at the measurement date for identical, unrestricted assets or liabilities,

Level 2 – Quoted prices for identical assets and liabilities in markets that are not active, quoted prices for similar assets and liabilities in active markets or financial instruments for which significant inputs are observable, either directly or indirectly; and

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

MIXTECO/INDIGENA COMMUNITY ORGANIZING PROJECT 403(B) PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

Note 3: Fair Value Measurements of Investments - continued

The assets measured at fair value are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4: Investment Information

Investments consist of mutual funds and participant loans. Investments are held by the Principal Life Insurance Company (the "Trustee").

During 2023, the Plan's investments (including investments bought, sold, and held during the year and unrealized gains and losses) increased in value as determined by quoted market prices by \$33,153.

Note 5: Termination of Plan

Although it has not expressed any intent to do so, the Plan sponsor reserves the right to terminate the Plan at any time subject to the provisions of Employee Retirement Income Security Act of 1974 ("ERISA"). Upon termination, all amounts credited to a participant's account are 100% vested in accordance with Plan provisions. A complete discontinuance of contributions by the Plan sponsor shall constitute a termination.
