29) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:

Interest bearing cash: valued using fair value based on the outstanding balance.

Common-collective trusts (CCT): valued using net asset value ("NAV") practical expedient as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the units outstanding. The NAV practical expedient of a CCT is calculated based on a compilation of primarily observable market information.

Mutual funds: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

30) All required amendments to and filings of the Plan documents with the appropriate agencies have been made.

31) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

32) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

33) The Plan has complied with the fidelity bonding requirements of ERISA.

34) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

35) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

36) We acknowledge our responsibility for presenting the supplemental schedules in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

We believe the form and content of the supplemental schedules are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have

disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.

37) The Plan uses a prototype plan document sponsored by ADP, LLC who received an opinion letter from the IRS dated October 6, 2020, which states that the prototype document satisfies the applicable provisions of the IRS. The Plan itself has not received a determination letter from the IRS.

38) We have provided you with all Service Organization Controls (SOC) reports for third-party service organizations engaged by the Company. We acknowledge our responsibility for the proper implementation of user entity controls as described in those reports. We have incorporated such controls in the design implementation and maintenance of internal control over financial reporting and they were in operation for the year ended December 31, 2022.
