INDEPENDENT AUDITOR'S REPORT

To the Administrator of the
Brentwood Academy 403(b) Defined Contribution Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Brentwood Academy 403(b) Defined Contribution Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Brentwood Academy 403(b) Defined Contribution Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

Opinion, Continued

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Brentwood Academy 403(b) Defined Contribution Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Brentwood Academy 403(b) Defined Contribution Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements, Continued

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Brentwood Academy 403(b) Defined Contribution Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Brentwood Academy 403(b) Defined Contribution Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

Auditor's Responsibilities for the Audit of the Financial Statements, Continued

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of *Schedule H, Line 4i - Schedule of Assets Held for Investment Purposes at End of Year* is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRENTWOOD ACADEMY 403(b) DEFINED CONTRIBUTION PLAN

Notes to Financial Statements (Modified Cash Basis)

June 30, 2023 and 2022

(1) Description of Plan

The following description of the Brentwood Academy (“the Academy”) 403(b) Retirement Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution 403(b) plan covering all employees of the Academy who are age twenty-one or older and employed to work 1,000 hours or more each year.

(b) Contributions

Participants may contribute a percentage of their annual wages up to the legal limit. Contributions are subject to certain limitations. The Academy may make matching and/or basic contributions to the Plan. The amount of contributions made by the Academy is within the Academy’s discretion and may vary. The Academy has elected to match 100% of salary deferrals that do not exceed 3% of compensation.

(c) Participant Accounts

Each participant’s account is credited with the participant’s contribution and an allocation of the Academy’s contribution, forfeitures of terminated participants’ non-vested accounts, and plan earnings. All assets in the Plan are subject to participant investment direction.

(d) Vesting

Vesting in the Academy’s contribution to participants’ accounts plus earnings thereon is based on a participant’s years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 1	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

(1) Description of Plan, Continued

(e) Payments of Benefits

On termination of service due to death, retirement or other reasons, a participant may elect to receive an amount equal to the value of the vested interest in his or her account in either a lump-sum amount or in substantially equal installments.

(f) Forfeitures

If participants end employment before they are 100% vested in their account, the non-vested portion of the account is forfeited. Forfeitures are used to offset part of the Academy's required contributions to the Plan.

(g) Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the participant's vested account value or \$50,000, reduced by any outstanding loan balance, if any, in the previous 12-month period ending on the day before the new loan is made, if less. Participants are limited to three or fewer outstanding loans at a time. An initial loan origination fee of \$75 is charged to the participant's account when the loan is originated. General purpose loans range from 1 to 5 years or up to 10 years for the purchase of a principal residence. Principal and interest are paid ratably through payroll deductions or through ACH payments. Participant loans are secured by the vested balances in the participants' accounts and are interest bearing at rates commensurate with prevailing rates available for similar loans from commercial lending institutions. At June 30, 2023, interest rates on outstanding participant loans were 4.25% with maturities through April, 2028.

(2) Summary of Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared under the modified cash basis method of accounting.

(b) Investment Valuation

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments.

(c) Date of Management's Review

Subsequent events were evaluated through April 8, 2024, which is the date the financial statements were available to be issued.

(3) Disclosures about Fair Value of Financial Instruments

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1: Quoted price (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Assets and liabilities measured at fair value on a recurring basis are summarized below:

Assets and Liabilities Measured on a Recurring Basis

	Fair Value	Fair Value Measurements Using Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>June 30, 2023</u>				
Mutual funds	\$ 700,234	700,234	-	-
Pooled separate accounts (1)	7,662,476			
Total	\$ 8,362,710			
<u>June 30, 2022</u>				
Mutual funds	\$ 607,664	607,664	-	-
Pooled separate accounts (1)	7,147,057			
Total	\$ 7,754,721			

- (1) In accordance with ASC 820-10, certain investments that are measured at fair value using the net asset value per share (or equivalent) practical expedient have not been classified in the fair value hierarchy.

BRENTWOOD ACADEMY 403(b) DEFINED CONTRIBUTION PLAN

Notes to Financial Statements (Modified Cash Basis), Continued

June 30, 2023 and 2022

(3) Disclosures about Fair Value of Financial Instruments, Continued

Fully benefit-responsive investment contracts are reported at contract value on the statements of net assets available for benefits. Benefit responsiveness is defined as the extent to which a contract's terms and the Plan permit or require participant initiated withdrawals at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents participant contributions, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses.

(4) Plan Termination

Although it has not expressed any intent to do so, the Academy has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant becomes 100% vested in the aggregate value of his or her account regardless of each participants current vesting percentage.

(5) Reconciliation of Financial Statements to Form 5500

There are no differences between the reported amounts per the Form 5500 and the financial statements.

(6) Tax Status

The “Basic Plan Document” was developed by the Plan’s trustees and submitted to the Internal Revenue Service for qualification as a “prototype” qualified money purchase pension plan and trust. Although a determination letter has not been requested specifically for this Plan, the Plan’s trustees believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. The “prototype” plan is subject to periodic restatement in order to incorporate language associated with legislative pronouncements.

The Plan’s tax submissions are generally subject to federal authority examinations within three years of the date they are filed.

(7) Information Prepared and Certified by Trustees

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustees.

	June 30, 2023	June 30, 2022
Interest in pooled separate accounts	\$ 7,662,476	7,147,057
Mutual funds	700,234	607,664
Funds held in insurance company general account (unallocated funds)	2,657,701	2,963,145
Notes receivable from participants	78,770	104,353
Net appreciation (depreciation) in fair value of investments	756,942	
Interest on participant loans	3,641	
Interest on investments	81,448	

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan's exposure to concentrations of credit risk is dependent upon the investments selected by participants. The Plan's investments in the AUL Stable Value Fund represent approximately 11.3% of the Plan's net assets at June 30, 2023.

(9) Related Party Transactions

Certain of the Plan's investments are represented by various funds managed by TIAA, VALIC and AUL. As TIAA, VALIC and AUL are trustees as defined by the Plan, transactions between the Plan and the trustees qualify as party-in-interest transactions.

Due from affiliated plan of \$4,284 at June 30, 2022, represents an amount transferred from the TIAA 403(b) defined contribution plan for one participant to the VALIC 401(a) retirement plan in error. The amount was designated as an internal plan transfer to the VALIC 403(b) plan.

All identified party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.
