INDEPENDENT AUDITORS' REPORT

Plan Administrator
D.E.W. Construction 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of D.E.W. Construction 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA SECTION 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of D.E.W. Construction 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of D.E.W. Construction 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Home, Hope and Healing, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of D.E.W. Construction 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about D.E.W. Construction 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during our audit.

Emphasis of Matter

As discussed in Note 2 to the financial statements, these financial statements are revised for changes regarding the presentation of administrative expenses, changes to footnotes regarding forfeitures, and administrative expenses and to include the Supplemental Schedule of Delinquent Participant Contributions.

Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2021 and the supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and

certain additional procedures, including comparing and reconciling such information directly to the financial statements themselves, and other procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the information in the supplemental schedule of delinquent participant contributions is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the form and content of the supplemental schedule of assets held for investment purposes at end of year, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Plan Administrator
D.E.W. Construction 401(k) Profit Sharing Plan

We were engaged to audit the accompanying statement of net assets available for benefits of D.E.W. Construction 401(k) Profit Sharing Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

D.E.W. Construction 401(k) Profit Sharing Plan

Notes to Financial Statements

**December 31, 2021
With Comparative Totals for 2020**

1. Description of Plan

The following description of D.E.W. Construction 401(k) Profit Sharing Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of D.E.W. Construction Corp. An employee becomes eligible to participate in the Plan on being hired if the employee is age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the maximum percentage allowable under the limits of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Upon enrollment, a participant may direct contributions to any of the Plan's fund options. Participants may change their investment options on a daily basis. The Plan currently offers twenty-three mutual funds as investment options for participants.

At its discretion, the Company may contribute a matching contribution and an additional discretionary contribution to the Plan. For the year ended December 31, 2021, the Company made a matching contribution of 25% of the first 100% of compensation that a participant contributed to the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants become vested in the employers' contributions under a six-year graded vesting schedule. A participant's vesting percentage increases to 100% if the participant, while employed with the employer, dies or becomes disabled.

Participants' Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and an allocation of the Plan's earnings, and is charged with administrative expenses, as applicable. Forfeited balances of terminated participants' non-vested accounts may be used to pay administrative expenses with any excess used to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

December 31, 2021

With Comparative Totals for 2020

1. Description of Plan (Concluded)

Payments of Benefits

Participants are entitled to a lump-sum distribution of their benefits upon retirement, termination of employment, death or permanent and total disability.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000, up to the lesser of \$50,000, or 50% of their vested account balance. The notes receivable are for a period not to exceed five years unless the loan is used to purchase a principal residence, in which case the loan may exceed five years. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% as published in the Wall Street Journal. Principal and interest are paid ratably through payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Forfeitures

When participants terminate employment prior to vesting, their employer contributions and the net investment income thereon are forfeited based on a six-year graded vesting schedule. Forfeitures are retained in the Plan and may first be used to pay administrative expenses. Any remaining amounts are used to reduce future employer contributions payable under the Plan. Forfeitures used to reduce employer contributions were \$21,198 in 2021.

Administration of the Plan

The Plan pays substantially all administrative expenses of the Plan except certain charges related to specific participant transactions, which are charged directly to those participant accounts.

2. Revisions to Financial Statements

These financial statements are revised for changes regarding the presentation of other income related to revenue credits used to pay recordkeeping fees and administrative expenses, changes to footnotes regarding forfeitures, and administrative expenses and to include the Supplemental Schedule of Delinquent Participant Contributions.

3. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements and supplemental schedules have been prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investments

The Plan's investments are stated at fair value. The shares of mutual funds are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end. The fair value of the common /collective trust is based on the underlying fair value of the investments in the trust. Unrealized appreciation or depreciation in the fair value of investments held at year-end and realized gains or losses on sales of investments during the year are determined using the beginning of the year fair value or purchase price if acquired subsequent to that date.

Administrative expenses

The Plan has paid substantially all administrative expenses of the Plan except for the audit fee. Certain expenses, primarily related to loan set-up charges and maintenance fees as well as distribution charges, are paid by the Plan participants via a reduction in their accounts. The plan recognizes revenue credits associated with income earned by Fidelity attributable to mutual funds. Under the revenue credit program the credits are used to reduce the recordkeeping fees otherwise paid by the plan. Excess credits are shown as other income.

Federal Income Taxes

The Plan represents the Company's adoption of a prototype plan sponsored by FMR LLC. FMR LLC has received a favorable determination as to the form of this prototype plan from the Internal Revenue Service. As a qualified Plan, it is exempt from federal income taxes. Once qualified, the Plan is required to operate in conformity with the Code to maintain qualification. The Plan sponsor has indicated it will take the necessary steps, if any, to maintain the Plan's qualified status.

4. Custodian Certifications

Information included in the financial statements and schedule regarding investments, investment transactions, interest income, market values, reportable transactions, and the net appreciation in the fair value of investments, as of and for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified to be complete and accurate by the Plan Trustee/Custodian, Fidelity Management Trust Company, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

5. Fair Value Measurements

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value hierarchy requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs that may be used to measure fair value are:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The carrying value of mutual funds are reported at fair value using Level 1 inputs. The Plan's portfolio investments were classified based on fair values as follows:

	<u>2021</u>	Unaudited <u>2020</u>
Level 1	\$ 14,664,789	\$ 13,203,852
Level 2	-	-

6. Investments

Investments that represent 5% or more of the Plan's net assets at December 31, 2021 and 2020 consist of the following:

	<u>2021</u>	<u>2020</u>
FA Freedom 2021	\$ 1,748,149	\$ 1,586,873

7. Related Party and Party In Interest Transactions

The Plan invests in various investment securities that are managed by Fidelity and issue revenue credits to Fidelity Management Trust Company (FMTC). These credits are used to reduce recordkeeping fees otherwise paid by the Plan. Revenue credits received in excess of recordkeeping fees were \$5,504 in 2021. The Plan has kept the remaining excess in a cash account which has a balance of \$17,031 at December 31, 2021. In April 2024 the Company decided that the excess funds should be distributed to the participants at the end of each quarter of the year. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Subsequent Events

Subsequent events have been evaluated through April 1, 2024, which is the date the financial statements were available to be issued.
