Ventura, CA**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of E.J. Harrison & Sons, Inc. & Affiliated Employers Profit Sharing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended June 30, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from John Hancock as of June 30, 2023 and 2022 and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by3 and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year of the date of these financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes as of June 30, 2023 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by⁴ and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following descriptions of the E. J. Harrison & Sons, Inc. & Affiliated Employers (the "Company") Profit Sharing 401(k) Plan (the "Plan") provides only general information. For a more complete descriptions of the Plan's provisions, refer to the agreement governing the Plan.

General

The Company adopted the Plan to provide deferred compensation benefits to its eligible employees. The Plan is a defined contribution plan covering all full-time employees of the Company who are age 21 or older, have one year of service, and 1,000 hours of service.

Administrator and Trustee

The Company is responsible for administering the Plan. John Hancock, (the "Custodian") is responsible for receiving plan contributions from the Company, investing and safeguarding the Plan's assets held for investment purposes, processing loans, paying benefits to participants and their beneficiaries and maintaining the individual participant account balances. The Plan is a defined contribution plan and is subject to the provisions of ERISA.

Concentration of Credit Risk

The Plan has exposure to credit risk to the extent its investments are subject to market fluctuations that may materially affect the value of the investment balances.

Company Contributions

The Plan provides that at the discretion of the Company, the Company may make profit sharing and matching contributions to the Plan. The Company has historically made a profit sharing contribution ranging from 3% to 5%, depending on years of service for employees and 9% for owners. During the years ended June 30, 2023 and 2022 the Company made profit sharing contributions to the Plan of \$766,648 and \$791,728, respectively.

Matching contributions are made for those employees beginning their 11th year of service and are calculated based on each payroll period at 50% of participant contributions over 3% and no more than 5%. Participants with over 16 years of service, receive a matching contribution of 100% of participant contributions between 4% and 6%. The Company maximum matching contribution is 4% of the employee's plan compensation, which excludes section 125 contributions and compensation before becoming a participant. During the years ended June 30, 2023 and 2022, the Company made matching contributions to the Plan of \$141,585 and \$140,277, respectively.

See independent auditor's report.

YEARS ENDED JUNE 30, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Participant Contributions

Each employee who has attained 21 years of age and has completed at least one year of service following their date of hire and 1,000 hours of service shall be eligible to participate in the Plan on the first day of the month following July, October, January, and April. Participants may make elective salary deferral contributions to the plan in lieu of receiving salary up to a maximum consistent with the law and subject to other plan limitations. Participants age 50 and over may elect to make an additional \$6,000 catch-up contribution.

Rollover Contributions

Employees may rollover their benefits into the Plan from other qualified retirement plans. During the years ended June 30, 2023 and 2022, the Plan received rollover contributions of \$0 and \$0, respectively.

Investment Options

Participants may direct the investment of their contributions, Company contributions, and account balances into various investment contracts, including fixed income, guaranteed accounts, domestic equity options, international/global equity options, and asset allocation options. The investments offered by the Plan will be reviewed, monitored, and evaluated by the plan administrator regarding the continued suitability of the investment options to meet the purpose of the Plan to accumulate assets to fund the retirement needs of the Plan's participants and beneficiaries.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on the participant earnings or account balances, as defined. Forfeited balances of terminated participants' nonvested accounts will be transferred to the Plan's cash account and may be used to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Participant Loans Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loans shall provide for level amortization with payments to be made not less frequently than quarterly over a period not to exceed five years. However, loans used to acquire a principal residence of the participant shall provide for periodic repayment over a reasonable period of time that may exceed five years. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The interest rate shall remain fixed

Total participant loans included on the statement of net assets available for benefits does not include loans in which participants have defaulted and the loan deemed a distribution with no post default payments. As of June 30, 2023 and 2022, the Plan had no such loans.

Vesting

Participants are immediately vested in their contributions and in any funds rolled over into their account plus the actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. After six years of service, participants are 100% vested in the Company's special non-elective and matching contribution portion of their accounts plus actual earnings thereon.

Forfeited Accounts

Amounts contributed to the Plan which are forfeited by participants as a result of the participants' separation from service prior to becoming 100% vested in matching and profit sharing contributions may be used to pay plan expenses and/or to reduce future employer contributions. At June 30, 2023 and 2022, forfeited nonvested accounts totaled \$46,445 and \$34,636, respectively.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a certain agreed-upon period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A participant may defer the distribution of their account until a later date.

Administrative Expenses

All administrative expenses incident to the administration of the Plan, including fees for the administrative agent and independent public accountants may be paid by the Plan, unless paid by the Company. Those expenses of maintaining the Plan that are paid directly by the Company are excluded from these financial statements. Loan origination fees associated with participant loans are paid directly by the participant.

Subsequent Events

Subsequent events have been evaluated through March 12, 2024, which is the date the financial statements were available to be issued. No material subsequent events requiring recognition or additional disclosure in these financial statements were identified.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

See independent auditor's report.

PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset paid to transfer a liability in an orderly transaction between market participants at the measurement date. The investments in registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end as reported to the Plan by the Custodian. Participants' loans are valued at cost, which approximates fair value.

Purchases and sales of securities are recorded on their trade date. Net gains and losses from transactions of securities are computed using the "average-cost" method and includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividend income and capital gains distributions are recorded on payment date.

Participant Loans

Participant loans are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual bases. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions

Contributions from employees and the Company are recorded in the period in which the Company makes the payroll deduction from the participant earnings.

Payment of Benefits

Benefits paid to participants are recorded when paid. There were no benefits processed and approved for payment, but not paid at June 30, 2023 or 2022.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

See independent auditor's report.

NOTE 3 – INVESTMENTS

Plan assets are held in investment contracts with John Hancock. Hancock maintains the contributions in pooled separate accounts. The accounts are credited with actual earnings and unrealized appreciation on the investments and charged for plan withdrawals, administrative, and miscellaneous expenses. The contract is included in the financial statements at fair value as reported to the Plan by John Hancock. Fair value of an underlying fund equals the number of shares of the respective underlying fund multiplied by the closing net asset value per share quoted by that fund. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at fair value.

The fair value of investments that exceed 5% of the Plan's net assets available for benefits at June 30:

	<u>2023</u>	<u>2022</u>
The Growth Fund of America	\$ 9,997,998	\$ 8,329,243
Vanguard Target Retirement 2035	3,653,965	3,265,497

Money Market Fund	2,567,525	2,613,144
Vanguard Target Retirement 2025	1,956,316	1,731,793

During the years ended June 30, 2023 and 2022 the Plan's investments (including fees deducted, gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) as follows:

	<u>2023</u>	<u>2022</u>

NOTE 4 – FAIR VALUE MEASUREMENT

Financial Accounting Standards Board's ASC Section 820, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements), next priority to quoted prices for similar assets or liabilities in active markets, identical or similar assets or liabilities in inactive markets or inputs other than quoted prices that are observable or principally derived or corroborated by observable market data (level 2 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

As discussed in Note 2, Investment Valuation, the methods used to determine the fair value of assets held described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a description of the methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Level 1 fair value measurements - Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are

Level 2 fair value measurements

There were no investments valued using Level 2 fair value measurements.

Level 3 fair value measurements

There were no investments valued using Level 3 fair value measurements.

NOTE 5 – FINANCIAL DATA CERTIFIED BY THE TRUSTEE

The information included in the accompanying financial statements and supplemental schedules was obtained or derived from information supplied and certified by John Hancock Life Insurance Company, the Custodian, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Custodian of the Plan at June 30, 2023, and 2022, respectively, has certified the information provided to the plan administrator is complete and accurate with regard to the Plan's investments and participant loans at June 30, 2023, and June 30, 2022, respectively, and net appreciation in fair value of investments, interest, and dividends for the years ended June 30, 2023, and 2022, respectively.

NOTE 6 – PARTIES OF INTEREST

Certain plan investments are shares of mutual funds managed by John Hancock. John Hancock is the Custodian and Trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 7 - TAX STATUS

The Plan obtained its latest determination letter on June 12, 1996, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements on the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. As of June 30, 2023, the Plan's tax years for the years ended June 30, 2022, 2021, and 2020 are subject to examination by the taxing authorities.

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.
