INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Board of Directors of
403(b) Thrift Plan for Employees of The Arc of Howard County, Inc.
Ellicott City, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 403(b) Thrift Plan for Employees of The Arc of Howard County, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan for Employees of The Arc of Howard County, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 *CFR* 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 *CFR* 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator and Board of Directors of
403(b) Thrift Plan for Employees of The Arc of Howard County, Inc.

Opinion (Cont.)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan for Employees of The Arc of Howard County, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for Employees of The Arc of Howard County, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator and Board of Directors of
403(b) Thrift Plan for Employees of The Arc of Howard County, Inc.

Auditor's Responsibilities for the Audit of the Financial Statements (Cont.)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan for Employees of The Arc of Howard County, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for Employees of The Arc of Howard County, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of assets (held at end of year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator and Board of Directors of
403(b) Thrift Plan for Employees of The Arc of Howard County, Inc.

Supplemental Schedules Required by ERISA (Cont.)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) Thrift Plan for Employees of The Arc of Howard County, Inc.
NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and 2022

Note 1 - Description of Plan

The following description of the 403(b) Thrift Plan for Employees of The Arc of Howard County, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The 403(b) Thrift Plan for Employees of the Arc of Howard County, Inc. is a defined contribution 403(b) plan, covering substantially all employees of The Arc of Howard County, Inc. (the Employer). The Plan administrator is responsible for oversight of the Plan. The Employer's Finance Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Employer's Board of Directors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans.

The Employer may make a discretionary matching contribution. To be eligible, participants must be at least 18 years old, have completed one year of service, worked 1,000 hours during the Plan year and are employed on the last day of the Plan year. The discretionary Employer matching contribution formula is 100% of a participant's deferral up to 3% for employees with one to three years of service. Once a participant has reached four years of service, the discretionary matching contribution is increased to 200% of an employee's deferral up to 3%. Employer match contributions for the years ended June 30, 2023 and 2022 amounted to \$346,383 and \$290,203, respectively.

The Employer may also elect to make a discretionary non-elective contribution. To be eligible, participants must be at least 18 years old and have completed one year of service. No discretionary non-elective contributions were made for the years ended June 30, 2023 and 2022.

Participants direct their contributions to selected investments as made available by the Plan administrator and may change their investment options daily. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and (b) Plan earnings (losses), and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and the Employer's contributions, plus actual earnings thereon.

403(b) Thrift Plan for Employees of The Arc of Howard County, Inc.
NOTES TO FINANCIAL STATEMENTS (Cont.)
June 30, 2023 and 2022

Note 1 - Description of Plan (Cont.)

Payment of Benefits: Distributions from the Plan are permitted upon termination of employment, retirement, death, or disability and may be made in a lump-sum payment, installments, and annuity distributions. In-service distributions are permitted when a participant reaches age 59 ½ and in certain hardship situations.

Forfeited Accounts: Contributions to forfeited non-vested accounts during the years ended June 30, 2023 and 2022 totaled \$-0- and \$1,616, respectively. The amounts available to reduce future Employer contributions and pay for Plan administrative expenses were \$-0- and \$1,616 at June 30, 2023 and 2022, respectively.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Loan terms range up to five years or over a reasonable period of time for the purchase of a primary residence, as established by the plan administrator at the time of the loan. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator. Loans outstanding bear interest ranging from 3.25% to 4.60% at June 30, 2023, and from 3.25% to 3.5% at June 30, 2022. Principal and interest are paid ratably. For loans issued prior to January 1, 2014, these payments were paid quarterly, directly by the participant to Brighthouse Life Insurance Company. For loans issued after January 1, 2014, all payments are required to be made through bi-weekly payroll deductions.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America. This basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

403(b) Thrift Plan for Employees of The Arc of Howard County, Inc.
NOTES TO FINANCIAL STATEMENTS (Cont.)
June 30, 2023 and 2022

Note 2 - Summary of Accounting Policies (Cont.)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of net assets available for benefits of a defined-contribution plan attributed to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statement of changes in net assets available for benefits is prepared on a contract value basis for the fully-benefit responsive investment contract.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions of participant loans based upon the terms of the note agreements and the Plan document. Defaulted loans in the amount of \$38,672 and \$-0- were reported as deemed distributions of participant loans during the years ended June 30, 2023 and 2022, respectively. The Plan has determined all notes receivable balances are fully collectible from the participants vested account balances; consequently, no amount has been recorded as an allowance for doubtful accounts.

Contributions and Related Receivables

Contributions from Plan participants and the Employer discretionary matching contributions are recorded in the year in which the participant contributions are withheld from amounts paid. Employer discretionary non-elective contributions are recognized in the year in which the Employer designates the contributions. All participant and Employer contributions are participant-directed. The plan administrator has determined that all Employer contributions receivable are fully collectible; consequently, no amount has been recorded as an allowance for doubtful accounts.

Payment of Benefits

Benefits are recorded when paid. Benefits paid to participants for the years ended June 30, 2023 and 2022 amounted to \$1,439,173 and \$453,487, respectively.

Note 3 - Fair Value Measurements

ASC 820-10 "Fair Value Measurements" establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Under *FASB ASC 820* the fair value of certain investments may be measured using the net assets value (NAV) per share (or its equivalent). Such investments are not classified in the fair value hierarchy.

NOTES TO FINANCIAL STATEMENTS (Cont.)
June 30, 2023 and 2022

Note 3 - Fair Value Measurements (Cont.)

Following is a description of the valuation methodologies used for assets measured at fair value as of June 30, 2023 and 2022:

Pooled separate accounts: valued at the net asset value of funds held in the pooled separate accounts, as reported by the trustees and calculated in a manner consistent with generally accepted accounting principals. Pooled separate accounts held by the Plan include open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds in the pooled separate accounts held by the Plan are deemed to be actively traded. As permitted by *FASB ASC 820*, net asset value is used as a practical expedient to estimate fair value and is not included in the fair value hierarchy. The balance of funds held in the pooled separate accounts as of June 30, 2023 and 2022 was \$7,628,772 and \$7,638,064, respectively.

Registered investment companies: valued at the net asset value of the variable annuity contracts, as reported by the trustee and calculated in a manner consistent with generally accepted accounting principles for investment companies. The net asset value is calculated based on the values of the underlying mutual funds held by the variable annuity contracts. As permitted by *FASB ASC 820*, net asset value is used as a practical expedient to estimate fair value and is not included in the fair value hierarchy. The balance of funds held in registered investment companies in the variable annuity contracts as of June 30, 2023 and 2022 was \$112,088 and \$121,281, respectively.

In accordance with the fair value measurements and disclosure guidance, the following table presents the category, fair value, unfunded commitments, redemption frequency, and redemption notice period for the Plan investments, the fair value of which is estimated using the net asset value per share are as follows as of June 30:

Category	2023	2022	Redemption Frequency	Redemption Notice Period
Pooled separate accounts*	<u>\$ 7,628,772</u>	<u>\$ 7,638,064</u>	Daily	None
Registered investment companies**	<u>\$ 112,088</u>	<u>\$ 121,281</u>	Daily	None

* Pooled separate accounts consists solely of investments in mutual funds registered with the Securities and Exchange Commission and are carried at the net asset value at which the mutual funds shares are actively traded.

** These funds are invested in specific mutual funds at the direction of variable annuity contract owners and are valued using the NAV per share. The NAV is based upon the value of the underlying assets owned by the fund, minus its liabilities and then divided by the number of shares outstanding.

Note 4 - Investment Contracts with Insurance Companies

The Plan entered into a fully benefit-responsive investment contracts with Mutual of America Life Insurance Company and Brighthouse Life Insurance Company. Mutual of America Life Insurance Company and Brighthouse Life Insurance Company maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan.

Because the guaranteed contracts with Mutual of America Life Insurance Company and Brighthouse Life Insurance Company meet the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to the guaranteed investment contracts. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The balance of funds held in fully benefit-responsive investments valued at contract value was as follows as of June 30:

	2023	2022
Investment contract - Mutual of America	\$ 694,839	\$ 618,562
Investment contract - Brighthouse	36,195	38,802
	<u>\$ 731,034</u>	<u>\$ 657,364</u>

The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3.5%. Such interest rates are reviewed on an annual basis for resetting. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The maximum transfer amount is 15% of the accumulation value per contract year to a variable annuity contract offered by Mutual of America Life Insurance Company and Brighthouse Life Insurance Company at the time of transfer.

The guaranteed investment contracts do not permit the insurance companies to terminate the agreement prior to the scheduled maturity date. If the Plan wishes to terminate its interest in the contract, it would be paid the value of its interest. The issuer of the contract has the right to no longer receive deposits. Termination of the contracts would occur when the deposit arrangement no longer exists and there are no guaranteed interest funds with a value greater than zero remaining under the contract. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with plan participants are probable of occurring. The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Note 5 - Information Certified or Provided by the Trustees

Investment Data

All data contained in the statements of net assets available for benefits, statements of changes in net assets available for benefits, for the years ended June 30, 2023 and 2022, and the schedule H, Line 4i schedule of assets (held at end of year) for the year ended June 30, 2023 was summarized from information provided by Mutual of America Life Insurance Company and Brighthouse Life Insurance Company, the Trustees of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Trustees that the information provided to the Plan administrator by the Trustees is complete and accurate.

Schedule of Assets Held for Investment Purposes

The accompanying schedule H, line 4i schedule of assets (held at end of year) represents a detailed listing of all investments held by the Plan as of June 30, 2023.

Note 6 - Reportable Transactions

During the years ended June 30, 2023 and 2022, there were no transactions in excess of 5% of the current value of the Plan assets that are required to be reported.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 8 - Party-in-Interest Transactions

Mutual of America Life Insurance Company and Brighthouse Life Insurance Company are trustees of the Plan; therefore, transactions with these entities qualify as party-in-interest transactions. Fees paid by the Plan to the Trustees and other service providers totaled \$1,265 and \$2,558 for the years ended June 30, 2023 and 2022, respectively. The Plan's auditor who audits the Plan's financial statements and third-party administrator who provides accounting and administrative services are paid directly by the plan sponsor. These fees are not reflected in the financial statements.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 - Tax Status and Position

The plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Effective November 5, 2018 the Plan adopted a non-standardized form of prototype plan. The prototype plan obtained its latest opinion letter on March 31, 2017 from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letters have been relied upon by this Plan. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 11 - Subsequent Events

Subsequent events and transactions have been evaluated for potential recognition in the financial statements. Except as described below, there have been no subsequent events that require recognition or disclosure through March 29, 2024, the day the financial statements were available to be issued.

The Plan was restated effective July 1, 2023 to a Volume Submitter 403(b) Plan.
