INDEPENDENT AUDITOR'S REPORT

To the Pension Plan Committee of
CHS Employee Pension Plan
Sedalia, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed an audit of the accompanying financial statements of CHS Employee Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of the fiscal years ended June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the fiscal year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of the fiscal years ended June 30, 2023 and 2022, and for the fiscal year ended June 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CHS Employee Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CHS Employee Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements - Continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CHS Employee Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CHS Employee Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHS Employee Pension Plan

NOTES TO THE FINANCIAL STATEMENTS For the Fiscal Year Ended June 30, 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the CHS Employee Pension Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's Provisions.

General

The Plan is a defined contribution plan invested primarily in mutual funds and a group annuity contract under Internal Revenue Service (IRS) Code Section 403(b)(7) and is subject to the Employees Retirement Income Security Act of 1974 (ERISA).

The Plan sponsor is the Center for Human Services, Inc. (the Organization).

Effective Date

The Plan was established July 1, 1996, and has been amended a number of times over the years. The Plan was restated with an effective date of January 1, 2010 in order to take advantage of the remedial period available to 403(b) plans.

Eligibility Requirements

All employees are immediately eligible to participate in the Plan through elective deferrals.

Contributions

Each year a participant may elect to contribute through elective deferrals an amount of compensation up to but not greater than the dollar amount set by the Internal Revenue Code (Code). Participants who have attained age fifty (50) before the end of the Plan year are eligible to make catch-up contributions. The maximum catch-up contribution allowed by the IRC was \$7,500 in 2023. In addition, participants may also contribute amounts representing distributions (rollover contributions) from other qualified plans. The Plan offers two types of elective 403(b) deferral options: pre-tax and after-tax Roth deferrals. The participants direct the investment of their contributions into various investment options offered by the Plan, which currently offers thirty-two (32) mutual funds including balanced, bond, growth, retirement target date funds and one group fixed deferred annuity contract. A deferral election may be modified two times a year, which becomes effective on July 1st and January 1st. However, a deferral election may be revoked at any time.

The Organization may, at its discretion, make matching contributions to eligible participants' accounts. The matching contributions are applied based on the participants' elective deferrals, up to a maximum of 4% of compensation. In addition, the Organization may elect to make non-elective contributions to the Plan, which is unrelated to a participant's elective deferrals in that year. Non-elective contributions are allocated by groups based upon years of service. To be eligible for matching and non-elective contributions the employee must have completed 1,000 hours of service during the Plan year.

NOTES TO THE FINANCIAL STATEMENTS For the Fiscal Year Ended June 30, 2023

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Organization's contribution and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Organization's contribution to their accounts and earnings thereon is based on years of continuous service. A participant is 20% vested after 1 year, 40% after 2 years, 60% after 3 years, 80% after 4 years and 100% vested after 5 years of continuous service. Participants are considered to have one year of service for vesting purposes if, during a Plan year, the participant is credited with 1,000 hours of service.

Payment of Benefits

Upon termination of employment for any reason and at any age, including retirement, a participant with a vested account balance of \$1,000 or less will receive a lump-sum distribution of cash. Terminated participants with a vested account balance of between \$1,001 and \$5,000 will receive a lump-sum distribution of cash, if an election has been made to do so. Distributions will be made as soon as administratively possible. For a terminated participant whose vested account balance exceeds \$5,000, the participant may elect to receive a lump-sum amount equal to the value of his/her account or roll over the distribution into another qualified retirement plan or individual retirement account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to fifty percent (50%) of their non-forfeitable account balance. The loans are secured by the balance of the participant's account and bear interest at a rate determined to be reasonable by the Plan administrator after a review of interest rates charged for similar types of loans by other lenders. Principal and interest are paid ratably through payroll deductions or ACH repayment agreement. A participant may have no more than one loan outstanding at any point in time. Loans may not be refinanced.

Forfeitures

Forfeitures of terminated participants' non-vested accounts are initially applied to Plan expenses, if any. All remaining forfeitures are allocated to participants as additional discretionary non-elective contributions. At fiscal years ended June 30, 2023 and 2022, the forfeited non-vested account totaled \$7,441 and \$74,248, respectively.

NOTES TO THE FINANCIAL STATEMENTS For the Fiscal Year Ended June 30, 2023

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted ("GAAP") in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, which is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when paid. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Payments of benefits to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan, such as accounting and audit fees, fidelity bond and fiduciary liability insurance premiums, are paid by the Organization and are excluded from these financial statements. Fees related to the administration of benefits paid to participants that are charged directly to the participant's account are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments. Expenses paid by the organization as of fiscal year ended June 30, 2023 were \$11,250.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Subsequent Events

Management of the Plan has evaluated subsequent events through April 10, 2024, the date the financial statements were available to be issued. No subsequent events were identified that required adjustment or disclosure to the financial statements.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The Plan held investment in mutual funds that were determined to be Level 1 investment as of the fiscal year ended June 30, 2023.

Level 2 Inputs to the valuation methodology included quoted market prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted process that are observable for the assets or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

The Plan held no Level 2 investments as of the fiscal year ended June 30, 2023.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan held no Level 3 investments as of the fiscal year ended June 30, 2023.

The asset fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the fair value hierarchy used for assets measured at fair value. There have been no changes in methodology used at the fiscal years ended June 30, 2023 and 2022.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

For the Fiscal Year Ended June 30, 2023

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of the fiscal year ended June 30, 2023 and 2022.

	Assets at Fair Value	
	Fair Value	Level 1
<u>June 30, 2023</u>		
Mutual funds	\$ 13,937,817	\$ 13,937,817
Total	<u>\$ 13,937,817</u>	<u>\$ 13,937,817</u>
 <u>June 30, 2022</u>		
Mutual funds	\$ 12,526,007	\$ 12,526,007
Total	<u>\$ 12,526,007</u>	<u>\$ 12,526,007</u>

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

VOYA Institutional Trust Company has provided certification as to the completeness and accuracy of the investments presented in the accompanying statements of net assets available for benefits as of the fiscal years ended June 30, 2023 and 2022. The accompanying supplemental schedule of assets held for investment purposes also included investment information certified by VOYA Institutional Trust Company as being complete and accurate.

	<u>June 30, 2023</u>	<u>June 30, 2022</u>
Statements of investments		
Mutual funds, at fair value	\$ 13,937,817	\$ 12,526,007
Investments, at contract value	\$ 359,554	\$ 397,450

NOTE 5 - VOYA GROUP ANNUITY CONTRACT

The Plan has a traditional fully benefit-responsive group annuity contract with VOYA. VOYA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and the specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measure attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value.

CHS Employee Pension Plan

NOTES TO THE FINANCIAL STATEMENTS For the Fiscal Year Ended June 30, 2023

NOTE 5 – VOYA GROUP ANNUITY CONTRACT - CONTINUED

Contract value, as reported to the Plan by VOYA, represents contributions made under the contract, plus earnings, less withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of the investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at the fiscal year ended June 30, 2023 was \$359,554. The crediting interest rate is based on a formula agreed upon with the issuer. The 2023 crediting interest was 1.00%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events might limit the ability of the Plan to transact at contract value with VOYA. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on completing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (1) an uncured breach of the Plan's investment guidelines, (2) a material amendment to the contract without the issuer's consent, (3) a violation of a material obligation under the contract, or (4) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the Plan participants or the issuer is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code. The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service in the draft *Listing of Required Modifications* issued April 4, 2009. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The plan administrator intends to apply for a determination letter on the Plan once the IRS opens such a program.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. The Plan administrator believes there are no such tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO THE FINANCIAL STATEMENTS For the Fiscal Year Ended June 30, 2023

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent (100%) vested in their account balances and the Plan administrator would facilitate the distribution of account balances in lump sum payments.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

VOYA Institutional Trust Company (VOYA) is the contract administrator and recordkeeper of the Plan and VOYA Financial, Inc. provides trustee and custodial services. Plan investment transactions in the VOYA family of mutual funds qualify as party-in-interest transactions.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
