Independent Auditor's Report

RSM US LLP

Participants and Profit Sharing Committee
Witt/Kieffer Inc. Savings & Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Witt/Kieffer Inc. Savings & Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Witt/Kieffer Inc. Savings & Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of Witt/Kieffer Inc. (the Company) who have completed 30 days of service and are at least 21 years of age. The Plan is designed as a qualified cash deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (IRC). Employees may begin contributing to the Plan on the first day of the following month upon meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Profit Sharing Committee is responsible for oversight of the Plan. The Profit Sharing Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance.

Contributions: Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, subject to IRC limitations. The Plan also allows participants to contribute Roth after-tax elective deferrals to the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Any newly eligible employees are automatically enrolled in the Plan with elective deferrals set to 5% of their eligible compensation. Participants have the option to increase, decrease or eliminate their automatic enrollment contribution at any time. The Plan has an Automatic Savings Increase Program whereby each eligible participant (which is limited to new participants auto enrolled in the Plan or those participants who were previously auto enrolled in the Plan) whose elective deferral percentage as of January 1 of any year is below 15% automatically will have his/her elective deferral percentage increased by 1% on each January 1 until his/her elective deferral percentage equals 15%. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). For participants who are employed on the last day of the year, and were credited with at least 1,000 hours of service, the Company, at the discretion of its Board of Directors, may match 100% of the participants' contributions up to 5% of compensation, subject to the IRC limitations. Catch-up contributions are not eligible for this discretionary match. Additional Company profit-sharing amounts may be contributed to eligible employees who were credited with at least 1,000 hours of service, and are employed on the last day of the year, at the discretion of the Company's Board of Directors. For the year ended June 30, 2023, the Company approved a match equivalent to 100% of the participant contributions up to 5% of their compensation. There were no profit-sharing contributions for the year ended June 30, 2023. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is credited with the participant's contribution, the discretionary Company's matching contribution, if any, and allocations of the Company's discretionary profit-sharing contributions, if any, and plan earnings. Participant accounts charged with an allocation of administrative expenses paid by the plan and plan losses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: Upon enrollment in the Plan, participants are responsible for determining the type and nature of their investments within the guidelines established by the Profit Sharing Committee. A participant may elect to have their accounts invested in any one or a combination of investment options offered by the Plan.

Note 1. Description of the Plan (Continued)

Vesting: Participants are immediately vested in their contributions, the Company's discretionary matching contributions, and actual earnings or losses thereon. Vesting of the Company's discretionary profit-sharing contributions plus actual earnings or losses thereon is 20% after two years of credited service and increases by 20% for each of the next four years of credited service. A participant is 100% vested after six years of credited service. Participants are automatically fully vested upon normal retirement, death, permanent disability, or termination of the Plan.

Notes receivable from participants: The Plan allows any participant to borrow the lesser of \$50,000 reduced by the excess, if any, of the highest outstanding balance of the loans from the Plan during the one-year period ending the day before the new loan or 50% of the vested interest in their Plan account. No loan in an amount less than \$1,000 will be made. Participants are allowed a maximum of three loans outstanding at any time. Loans are paid ratably through bi-weekly payroll deductions within five years or longer if it is determined at the time of the loan that the proceeds will be used for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates at the time of the loan origination as determined by the Plan Administrator.

Payment of benefits: On termination of service due to disability, retirement, or for other reasons except death, a participant may elect to receive the vested interest in his or her account as a lump-sum distribution. Upon death, a beneficiary may elect to receive either a lump-sum distribution or installment payments. In-service and hardship distributions are also permitted in certain circumstances. If the value of the vested account balance does not exceed \$5,000 at time of termination of employment with Plan Sponsor, a distribution is made to the participant regardless of consent to receive filed by the Participant.

Forfeited accounts: At June 30, 2023 and 2022, forfeited nonvested accounts totaled approximately \$20,000 and \$88,000, respectively. These accounts will be used to pay for the Plan's administrative expenses. Forfeiture accounts which are not used to pay administrative expenses will be used to reduce Company contributions, added to Company contributions, if any or reallocated to participants' accounts, as elected by the Company. In the event of termination of employment before full vesting, the nonvested portion of the Company's contributions is held in suspense until either a lump-sum payment of the participants' vested portion of their account balance, or five consecutive one-year breaks in service have occurred, if earlier. If the participant should return to employment while the non-vested portion is still in suspense, the nonvested portion is reinstated. For the year ended June 30, 2023, forfeited non-vested accounts were used to reduce Company matching contribution in the amount of approximately \$5,000 and pay for administrative expenses in the amount of approximately \$93,000.

Other income: The Plan has an agreement with the trustee for reimbursement of certain investment expenses as revenue sharing to the Plan. For the year ended June 30, 2023, the Plan earned other income of approximately \$21,000, all of which were reallocated to participants' account.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2. Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's Profit Sharing Committee determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contributions: Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes receivable from participants: The notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses as incurred. Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule of assets (held at end of year).

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: Administrative expenses of the Plan are paid by the Plan as provided in the plan document. Certain other administrative expenses are paid by the Company on behalf of the Plan, without reimbursement. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in the administrative expenses.

Subsequent events: Plan management has evaluated subsequent events through April 10, 2024, the date the financial statements were available to be issued.

Note 3. Information Certified by Charles Schwab Trust Bank, the Trustee

The following is a summary of the Plan's asset and income information as of June 30, 2023 and 2022, and for the year ended June 30, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Charles Schwab Trust Bank, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee, that information provided to the Plan Administrator by the trustee related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets and income:

	2023	2022
Shares of registered investment companies, at fair value	\$ 47,406,270	\$ 43,206,073
Units of common/collective trusts, at fair value	\$ 28,781,156	\$ 25,035,007
Notes receivable from participants	\$ 351,030	\$ 266,475
Net appreciation in fair value of investments	\$ 7,048,444	
Interest and dividends	\$ 1,418,850	
Interest income on notes receivable from participants	\$ 11,207	

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Witt/Kieffer Inc. Savings & Profit Sharing Plan & Trust

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Shares of registered investment companies: Valued at the daily closing price as reported by the fund. Shares of registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Units of common/collective trusts: Valued based on the NAV of units of the common/collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022:

	2023			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 47,406,270	\$ -	\$ -	\$ 47,406,270
Investments measured at NAV (a)				28,781,156
Investments at fair value				<u>\$ 76,187,426</u>
	2022			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 43,206,073	\$ -	\$ -	\$ 43,206,073
Investments measured at NAV (a)				25,035,007
Investments at fair value				<u>\$ 68,241,080</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Witt/Kieffer Inc. Savings & Profit Sharing Plan & Trust

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The table below sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of June 30, 2023 and 2022. There are no participant redemption restrictions for these investments. The redemption notice period is only applicable to the Plan.

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2023	2022			
Units of common/collective trusts	\$ 28,781,156	\$ 25,035,007	\$ -	Daily	12 months

Changes in fair value levels: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended June 30, 2023, there were no transfers in or out of Level 3.

Note 5. Related-Party Transactions

Certain Plan investments are shares of registered investment companies and units of common/collective trusts managed and issued by Charles Schwab Trust Bank or its affiliates. Charles Schwab Trust Bank is the Plan's trustee; therefore, these transactions qualify as party-in-interest transactions. In addition, an affiliate of the trustee of the Plan is providing plan administration services to the Plan. The Plan incurred expenses for these services to the trustee or its affiliates of approximately \$85,000 for the year ended June 30, 2023.

Certain employees of the Company serve on the Profit Sharing Committee and perform administrative services to the Plan. These employees receive no compensation from the Plan for these services. The Company pays certain administrative fees of the Plan without reimbursement.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

Note 7. Income Tax Status

Effective July 1, 2021, the Plan adopted a pre-approved defined contribution plan. The pre-approved plan provider, Schwab Retirement Plan Services, received on September 21, 2020, an opinion letter from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and is currently operating in compliance with applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at June 30, 2023 and 2022:

	2023	2022
Net assets available for benefits per the financial statements	\$ 79,206,911	\$ 70,382,414
Interest-bearing cash	1,629,834	1,571,065

Net assets available for benefits per the Form 5500	<u>\$ 79,206,911</u>	<u>\$ 70,382,414</u>

The following is a reconciliation of the change in net assets available for benefits for the year ended June 30, 2023, per the financial statements to the Form 5500:

Change in net assets available for benefits per the financial statements	\$ 8,824,497
Investment income	21,194
Other income	(21,194)
Change in net assets available for benefits per the Form 5500	<u>\$ 8,824,497</u>
